Caldwell preached and Mr. A. P. Williams led the singing. For next Sunday evening Mr. Williams has invited the little folks to come and sing.

The contractors are making good progress on putting in the sewer system for Graham. The sewerpipes are laid as fast as the ditching is completed. Weather conditions have been most favorable for the work. On the outlet toward Haw river, on the east, beyond the town limits, solid rock has been encountered in places and progress is necessarily slow.

"Bishop Trevor of England wrote a book some time ago called 'Loose Stones.' The book was highly recommended to me by a priest. Accordingly I wrote to my bookseller and ordered a copy. "The bookseller sent me his reply next day. He said he had no copy of Trevor's 'Loose Stones' in stock, and he added that if my taste ran to that kind of literature I had better patronize another bookseller in future."
