LOCAL NEWS.

The Gleaner will appear next week as usual.
 A torrent of rain fell here last Saturday night.
 The weather man predicts cold weather for Christmas. Set the dogs on him.
 A happy and merry Christmas to you is the sincere wish of The Gleaner.
 The new home of Mr. I. I. Henderson on N. Main St. is nearing completion.
 Mr. Boyd R. Trolinger has been elected a member of the police force in Burlington and a few days ago moved his family there. Mr. Trolinger was on the police force of Graham for several years.
 On last Sunday a good congregation greeted the new pastor, Rev. S. L. Beougher, at New Providence. He preached an excellent gospel sermon. Revs. C. B. Riddle and F. C. Lester were present and took part in the services.
 Mr. Joseph S. Holt has bought the old J. L. Scott home on E. Harden St., lately owned by Chas. H. Reeves, and has sold his home on N. Main St. to Mr. N. T. Brown, who expects to move his family here from Raleigh in about two weeks.

Mrs. John M. Garrett Dead.
 Mrs. Garrett, wife of Mr. John M. Garrett, died at 1:30 o'clock Tuesday night at her home near Rock Creek, in Patterson township, in the 71st year of her age. She was a daughter of Alfred Clapp. The burial takes place today at Friendship church.

Ed Albright Suicide or Shot.
 About 8 o'clock Sunday night Ed Albright, colored, generally known as "Ed Jack", received a wound in the head. He was carried to the hospital Monday morning and died Monday night. When he received the wound he was in a restaurant run by Anderson Newlin, colored. A coroner's jury sat on the case and reserved their decision till January. There seems to be a suspicion that the wound was not self-inflicted.

At The Presbyterian Church.
 Rev. Edward N. Caldwell will preach at the Presbyterian church Sunday morning, Dec. 25th, at 11 o'clock. Theme: "The Dayspring." There will be no evening worship, but in its place there will be held at 5 o'clock (note the new hour) our White Christmas service, at which time all gifts will be sent to a mountain school. This hour will make it possible for all parents and children and friends to come and worship with us.
 This is the last Sunday in the year. Don't miss it. Go to church on Christmas Day somewhere.

Community Christmas Tree.
 The Graham Community Christmas Tree celebration will take place Saturday night, Christmas Ev., at 7 o'clock before the Court House. The gifts this year asked for are money and clothes both of which are for the near East Relief—Russia, Armenia, etc. No food in any form is requested. A very short program is planned. A splendid response was made last year. Something for everybody. It is a desperate situation, and hundreds of thousands are starving and freezing. Bring clothing without wrapping or marking; the committee will attend to packing and shipping.

China Exhibit Tuesday Afternoon.
 Those who love to look at pretty things missed an opportunity, if they failed to drop in Miss Lucile Holmes' studio Tuesday afternoon. It was a special exhibit of china pieces painted by her pupils. The work was pretty and attractive, especially so, when it is remembered that the class had been taking lessons only a few weeks. As there is only one boy, Ernest Edwards, about twelve years old, in the class, the excellence of his work was noteworthy. He is an embryo artist. Visitors were shown a lot of beautiful china and pictures painted by Miss Holmes, but hers was not a part of the exhibit. Delightful fruit punch was served while the callers looked at the exhibit.

Among The Sick.
 Mrs. L. C. Fogleman has been quite sick for several days and improves slowly.
 Mr. W. H. Holt was confined to his room by sickness the first of the week.
 Mr. C. P. Albright is slowly improving from the effects of an operation for cataract.
 According to the 1920 census, the density of population of the United States is 35.5 per square mile.

Printing in America's Early Days.
 The first printing press in New England was set up in Cambridge in 1639. The first book printed was the "Freeman's Oath," the second an almanac for New England, and the third the Psalms. There were five printing presses running in Boston in 1719, and it is very probable that during that 80 years from 1639, numerous books were printed.

Billings on Bravery.
 True bravery is very easy to detect, for it is as much a part and parcel of a man's every day life as his clothes is. Everything that a truly brave man does is did from principle not impulse, and when no one sees him he is just as heroic as he would be if he was in the eyes of the multitude.—"Josh Billings" (Henry W. Shaw).

Oakdale school will give a Christmas tree Friday 23rd and play at night. Everybody come.
 Nelma Linens spent Sunday night with relatives in Liberty.
 The play given by the Bellemont school was quite a success and very much enjoyed by those present.
 The death of Squire Sylvester Spoon, of our community and George A. Patterson of Liberty were heard with much sympathy for the bereaved families.
 The water situation is improving just a little in our community. The children are looking forward to the coming of Santa Claus with great anxiety and many wishes for different kinds of toys.
 R. M. Garner has moved to Liberty. He is greatly missed in the community.—Hope he will decide to come back soon.

WHEN EVERY MOVE HURTS
 Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbors.
 Mrs. A. R. Flintom, S. Main St., Graham, gave the following endorsement in January, 1915:
 "My back felt so lame I could hardly get around and when I was doing my housework I had such pains through my kidneys I could not move. When I was stooping the pains were so severe I often had to scream. It was all I could do to turn over in bed and mornings I would have to have some one to help me get up. Doan's Kidney Pills were recommended so highly that I got a box and soon my back was fixed up all right and I felt better in every way."
 Over three years later, Mrs. Flintom added, "I still take Doan's Kidney Pills occasionally when my back or kidneys bother me and I always get good relief. Doan's have certainly done me a lot of good."
