have been torn up, at first on account of putting in a complete water and verage disposal system, and due to this fact, it was almost impossible to get through the town. As soon as the water and sewer system was completed, a contract was let to R. G Lassiter & Co. for paving the principal streets. Work was begun on this paving on September 1 last, and toinfured him. Now we have proved with a blunt instrument. Why did you lie?

Prisoner-I was telling the exact truth, your honor; it was a piece of spar I hit him with.

Ballroom Dancing.

The earliest form of ballroom dancing, was the quadville, started about 1815. This was followed by the lancers, invented in 1836. The polka was adopted in 1835. The waltz, which came from Germany, in 1795, did not become popular as a ballroom dance till later. The two-step is an Ameri can invention.
