Fewer Contagious Diseases Prevalent.

If the comparison of the number of cases of reportable diseases made to the North Carolina State Board of Health for the months of January, February and March of 1921 and 1922 is any index to the death rate in the State this year a new low record will be made.

During the first quarter of 1922 reports of 1731 cases of whooping cough have been made while 3536 were recorded for 1921. Only 366 cases of measles are on record as compared to 6570 last year. Typhoid fever is promising to respond to the pressure that has been made annually since 1915 with a reduction in number of reports from 97 to 62. Diphtheria and scarlet fever alone show increase over 1921, but this is due to the fact that these diseases were so prevalent during the last part of 1921.

There were 14,264 cases of all diseases reported for the above three months of 1921 and 6597 for the same period of 1922.

The citizens of this county are urged to cooperate in preventing diseases. The first step is reporting cases promptly.

Community Revival

Rev. Raymond Browning and a party of three will conduct a community service in Graham during the month of May. A tent will be pitched on N. Main St., on the lot across the street from the colored Baptist church. It is the sincere wish of the ministers to make this general meeting a genuine success, and that is only possible thru unselfish cooperation on the part of all. To the end that the preparatory part shall be completely effective, there have been arranged in key homes throughout the town "cottages prayer meetings" for the women, and at the following homes prayer services will be held next Tuesday, May 2, and Friday, May 5, at 3:30 p. m. Those who attend will be asked to go to the home nearest and most convenient. Ladies from the various churches have been provided for these meetings.

If the people want a genuine town-wide service they can have it. May we be one to receive the blessing of God through the agency of those sent us.

The following are the homes for prayer services:

- Mrs. Ben B. Holt, " Tom C. Bradshaw, " C. H. Phillips, " Chas. A. Thompson, " Tom Self, " Jack Robinson, " R. N. Cook, " J. N. Taylor, " W. R. Goley, " J. Dolph Long, " John M. Permar, " Lewis Stanfield, " Dan Welch.

GRANDPA, I AM SO DISAPPOINTED! MY BIRTHDAY IS TOMORROW AND MY ROOM WAS TO BE FURNISHED.

YES MY DEAR, THIS IS THE RESULT OF BUYING OUT OF TOWN.

NEVER TOO OLD TO LEARN

The Grandfather realizes his mistake when it is too late. How much better it would have been if this man had gone to one of his home town dealers and purchased a bed room set for his granddaughter's birthday gift, and had them place it in her room, thus preventing it from being broken in shipping. It would have saved her the disappointment and himself the embarrassment, that comes from a knowledge of being imposed upon by unscrupulous dealers on whom you wasted your confidence.
