Cotton Ginning Company for Graham.

A new enterprise will shortly be launched in Graham, and will be located at D. M. Johnson's Mill and Feed Store.

Due to the increased acreage of cotton this year, new gins are being installed at several points in Alamance county. D. M. Johnson and John T. Black, two of Graham's enterprising and progressive business men, have purchased and will shortly begin the installation of a modern system gin outfit at Graham.

The outfit to be installed here is manufactured by the Continental Gin Company, Atlanta, Ga. It will consist of two 70-saw Munger Double Rib Huller gins, cleaning feeders, suction elevator, double-box press, mechanical tramper, etc., and will be driven by an electric motor. The outfit will have a capacity of upwards of 25 bales of cotton per day and is unequaled for sample, turn-out and durability.

Messrs. Johnson and Black are well and favorably known to the farmers of this section and we feel sure that their enterprise in installing a modern cotton gin will be rewarded by a large patronage.

They will also buy cotton and seed, so you may kill three birds with one stone—have them gin your cotton and then sell them both seed and cotton at market prices.

A festop will be made at West Point, and the annual banquet will be held aboard ship. The convention each year is in the form of a "sales congress," and several business sessions are held during which the latest ideas in life insurance salesmanship and service are discussed.

Southwest Alamance.

Thursday, the 14, closed a very successful revival meeting at Mt. Zion Baptist Church, conducted by Rev. J. A. Hackney of Morganton, assisted by Rev. Wesley Sprinkle also of Morganton. Both are strong men and did a good work in the community. Rev. Sprinkle's 13-year-old son was with him and did some fine singing.

Everybody in the community is visiting the peach orchards at Candor and other places, and if it is just fine peaches they wanted to see they could have seen them at M. R. Kimrey's and G. W. Clapp's. The quality is fine but the quantity much less.

A crowd of Durham people visited in the community Saturday.

The club boys that visited Washington and other points on their trip report a grand time, with lots of fun and sightseeing.

A WELL KNOWN RESIDENT

Mr. Garrett Tells of an Interesting Experience.

There are few men in Graham better known—none whose opinion would better be respected than Mr. Garrett's. He is only one of many Graham people who have given Doan's Pills their public endorsement. Surely Gleaner readers cannot ask for more convincing evidence.

W. W. Garrett, hotel proprietor, says: "I think Doan's Pills are a good kidney medicine, as I have used them with the best of results. I had a dull ache in my back most all the time and this annoyed and distressed me. The action of my kidneys was poor and the secretions were scanty, highly colored and burned during passage. I bought a supply of Doan's at the Graham Drug Co. and after a short use, my kidneys acted regularly again and I wasn't troubled any more with back-ache."

good and some is drowned out.

The little son of Mr. and Mrs. Jim Smith had the misfortune to fracture his arm a few days ago.

Mrs. John Stewart of Oakdale is right seriously sick at this writing.

The community was very much grieved to learn of the death by accident of Dr. W. S. Long. He is remembered by us as one among our very best educational workers. He had our school system in good shape and things ran smoothly on, and if I am not very much mistaken it has since been very much like children who build play houses and then tear them down just to see what a mess they can make and then rebuild them to be torn down again.

! fear Are you self-conscious about the impression you make on people? PERSONAL appearance has a lot to do with the way you feel. Clothes count, of course. But still there is one thing so many people overlook—something that at once brands them as either fastidious or careless—the teeth. Notice today how you, yourself, watch another person's teeth when he or she is talking. If the teeth are not well kept they at once become a liability. Listerine Tooth Paste cleans teeth a new way.
