

# WOMAN POISONS EIGHT PERSONS

### DECLARED INSANE AND WILL BE PLACED IN AN ASYLUM WITHOUT TRIAL.

St. Paul, Neb.—Mrs. Emmanuel Sorenson, 28, wife of a section foreman, is in the county jail charged with the death by poisoning of eight persons, including three of her own children, her first husband, the latter's mother, and three other children.

Found to be mentally irresponsible she will be taken to the State insane asylum as soon as possible and there will be no trial. County Attorney Doherty, of St. Paul, Howard county, said.

Another of the children, the name of whom is unknown at present, was also said to have died of poison administered by Mrs. Sorenson, the county attorney said. Mrs. Sorenson, he said, was stoical and would make no statement—except that "another one of my children died of convulsions recently."

Authorities said that the investigation started about three weeks ago. According to County Attorney Doherty, the woman had visited the Irwin Knott family at Danneberg recently and two of the children became suddenly ill of convulsions. The children, he continued, had eaten some cookies given them by Mrs. Sorenson. Tests found that poison had been administered. The investigation then was continued, he said, until it led to the arrest of Mrs. Sorenson.

In addition to the children she is charged with having poisoned, she has two others, who were also sick according to County Attorney Doherty.

Dr. East, of Lincoln, an alienist, said that the woman is a paranoiac.

### Good Road Body Meets in Texas.

Houston, Texas.—Messages from President Coolidge, Secretary Jardine and other widely known personages, including governors of 16 states, were read at the opening of the thirteenth annual convention of the United States Good Roads association here.

"With more than 17,500,000 motor vehicles now in use on our roads," Secretary Jardine's message said, "there can be no question of the necessity for continued aggressive activity in road improvement. The expenditure of public money for the purpose, when properly controlled by adequate engineering supervision, is a sound investment which certainly will yield abundant returns in the form of reduced costs of transportation."

All of the investigations made by the department of agriculture, he added, present the most convincing evidence that the improved roads are well worth all they cost.

Messages of good will and assurance of co-operation were read from the governors of Georgia, South Carolina, North Carolina, Wyoming, Vermont, Nevada, West Virginia, Tennessee, New York, Oregon, Colorado, Arizona, Nebraska, Kentucky, Oklahoma, California and Arkansas.

Addresses of welcome included one by Governor Miriam A. Ferguson.

### Dude Robber Gets \$425.

New York.—A lone robber who carried a cane and wore spats and silk gloves held up a Schult's cigar store on Broadway, two blocks from Times Square, and escaped with \$425 taken from the cash register. Drawing a revolver from his pocket, he forced the clerk into a closet. He waited on three customers who entered before he could rifle the cash register.

### Two Dead, Two Missing.

Jerome, Ark.—Two persons lost their lives, two others are missing and \$50,000 to \$100,000 worth of property was destroyed in a fire which swept Cottonwood, near here.

C. L. Brooks of Los Angeles, was burned to death when the small hotel in which he was sleeping, was consumed by the flames. The body of another person has not been identified.

Thirteen stores, one hotel and 10 residences were destroyed. The fire started in a restaurant.

### Fire Destroys Yacht.

Quebec.—Fire destroyed the steam yacht Thomas B. in the St. Lawrence river, 13 miles above Quebec. The men who were on the yacht escaped without injury. The loss was estimated at \$250,000. The remains of the craft sank. W. J. Morton, of this city, owned the yacht.

### Four Killed in Auto Crash.

St. Paul, Minn.—Four St. Paul men were killed when their automobile overturned into a creek near White Bear, just north of here, pinning them down in five feet of water. Three other passengers were rescued.

### Valuable Whiskey Candy Destroyed.

New York.—Silver foiled chocolate candy valued at \$15,000, each piece containing a taste of whiskey or brandy, was destroyed by representatives of the United States marshal's office. Thousands of brightly colored boxes were piled in the East Side Street in front of the warehouse where they had been stored. While police held crowds back the confections were dumped into barrels and broken into pieces with baseball bats, the liquor pouring into nearby sewers.

# SEVERAL PERSONS KILLED IN STORM AREA.

Chicago.—A severe wind and rain storm approaching the proportions of a tornado in some localities, swept a destructive course from Wisconsin to New England. Several persons were killed and approximately two score were injured, while property damage was estimated at more than \$1,500,000. New England was deluged with snow and low temperatures were reported at many points. Scores of buildings were destroyed or unroofed, trees were felled, boats were beached and telephone, telegraph and electric service crippled, while fire in some towns, in the wake of high winds and driving rains, completed destruction.

# TO WORK ON STONE MOUNTAIN

### AUGUSTUS LUKEMAN, NEWLY APPOINTED SCULPTOR, WILL PUSH WORK.

Atlanta, Ga.—Augustus Lukeman, New York, whose appointment as sculptor to complete the Stone Mountain Confederate memorial, has agreed to begin work immediately on models to be used in his work.

A contract with Lukeman was confirmed by the directors of the Stone Mountain Monumental association, after they had voted against a motion to postpone consideration 10 days. The contract previously had been approved by the association's executive committee.

"Mr. Lukeman has agreed to go to work at once upon his model for the central group and his plans for the memorial hall, which when finished will be submitted to the association for approval," said an announcement by the executive committee. "Also he has given his assurance that he will devote himself to the Stone Mountain memorial until it is completed."

Selection of the New York sculptor, who formerly resided in Virginia, followed the dismissal of Gutson Borglum as directing sculptor of the memorial several weeks ago. The executive committee charged that Borglum had not met the terms of his contract with the association. Borglum declared the executive committee had not met the contract provisions.

Borglum destroyed his models and fled from the state. Later, he was arrested on charges of malicious mischief and larceny from the house. He was held at Greensboro, N. C., but the state withdrew requisition papers which had been issued for him.

Many charges and counter charges were exchanged between the sculptor and the committee during the controversy.

The executive committee, in its annual report, said Lukeman had been highly recommended to it and that the selection was made from a list containing the names of a number of prominent artists who were available for the work.

### Mother Confessed Poisoning Children.

Crown Point, Indiana.—Calm and unmoved, Mrs. Anna Cunningham, 49, has confessed that she gave poison to three of the five members of her family whose mysterious deaths within six years led to an investigation resulting in a murder charge against her.

Her desire to "join my husband in heaven" prompted Mrs. Cunningham to take poison herself and administer it to Isabelle, 18, Charles, 19, and Walter, 13, she said. These three she killed because she loved them best, the mother told authorities. She spared Mae, 19, surviving daughter, because she disliked her, she said.

Mrs. Cunningham denied that she had poisoned her husband who died first, or Harry, another son, in whose exhumed body coroner's chemists found arsenic. She admitted giving poison to David, the last son, in a critical condition in a Chicago hospital.

The confession of the woman, who had remained unshaken under the questioning in Chicago of prosecutors Robert E. Crowe and John S. Scarborough, who had obtained admissions of guilt from Nathan Leopold and Richard Loeb, kidnapers-slayers of Robert Franks, was obtained by Sheriff Benjamin H. Strong and Miss Maureen McKernan.

### French Cabinet Selected.

Paris.—After arduous negotiations, Paul Painleve completed his cabinet, and sent notifications to President Doumergue that he had succeeded in constituting a ministry, where Briand had failed.

So difficult were the last hours of the task that hope had almost been abandoned of reaching an agreement. But, in addition to forming the ministry, an accord also was found on the ministerial program.

### Whipping Post Looms For Senators

Lansing, Mich.—Two threats of establishment of a legal status of the whipping post in Michigan have been made in the State Senate. George M. Condon, attorney, announced he was having a bill drawn allowing judges to sentence wife beaters to a certain number of lashes with the knout.

The threat was followed by one from Senator Arthur E. Woods, saying that he was having a bill drawn in the attorney-general's department, which would prescribe two lashes per year sentenced upon conviction.

# MANY HOMELESS IN LARGE FIRE

### 43 BUILDINGS ARE BURNED AND THREE INJURED IN CHARLESTON.

Charleston, S. C.—Three firemen were injured, hundreds of people were rendered homeless and damage estimated at approximately \$200,000 was caused by fire of undetermined origin which swept a section of the business district of Charleston.

The fire, which is believed to have started in the rear of a furniture store on one of the principal business streets of the city, destroyed five other mercantile establishments and 37 dwelling houses on adjacent streets before being brought under control.

The injured are Fire Captain A. West and Fireman T. Turner and P. D. Morris. They were rushed to a hospital where it was stated their injuries would not prove fatal.

When the fire department was called out on a general alarm the fire, fanned by a southwest wind, had already gained considerable headway. For nearly three hours the firemen battled the flames, while marines and sailors from the navy yard patrolled the streets to keep back the crowds of onlookers.

A number of the houses which burned rapidly were tenements. Their occupants were cared for by organizations of the acting upon the call of Mayor Thomas F. Stoner.

### Storm Does Big Damage.

Wheeling, W. Va.—A severe storm swept eastern Ohio and the West Virginia panhandle and wrecked business buildings and residences at Wheeling, Wellsburg, W. Va., Martins Ferry, Ohio, Woodfield, Ohio and a dozen other small Ohio and West Virginia communities.

Ten persons were injured, two of them seriously, at Wheeling and unconfirmed reports from Ohio indicate many injured. No fatalities have been reported.

Wheeling's streets were littered with debris. Roofs were blown from buildings and in some instances carried 100 feet away. A heavy cornice was twisted from the Union Trust company building and five automobiles in the street below were caught in a falling stone and timber.

Some of those caught in the cars were Dr. W. P. McLain, city health commissioner, Mr. and Mrs. Clarence Dickinson, of Belleaire, Ohio, Louis J. Haines and John Engler, of Wheeling. All were injured.

### Blaze Sweeps Erie Theater.

Erie, Pa.—Fainting women and crushed and trampled children were carried from the Columbia Theater when fire started a panic and did \$200,000 damage.

Pervival Peseur, the organist, played until overcome by smoke, when he staggered through an exit and was saved. His heroism probably saved lives, as the audience quieted down when the organ's notes swelled through the packed theater.

The entire fire department of Erie answered alarms, and the district around the theater, a motion picture house, was roped off.

### Roosevelt Medals Are Awarded.

New York.—The Roosevelt Memorial association announced that Governor Pinchot of Pennsylvania; Georgia Bird Grinnel, of New York; editor of The Forest and Stream, and Martha Berry, of Mt. Berry, Ga., have been awarded the Roosevelt medals for 1925.

Governor Pinchot was chosen for his service in the cause of conservation; Mr. Grinnel for his promotion of outdoor life and Miss Berry for her work in advancing the welfare of women and children in the mountain districts of her state. All three were friends of President Roosevelt.

The medals will be presented by President Coolidge at the White House on May 15.

### 15 Buildings in Georgia Destroyed.

Gainesville, Ga.—Fire discovered here was brought under control after more than two hours of stubborn effort, but not before fifteen buildings had been destroyed and ten others damaged by fire and water. Calls for assistance were sent to Atlanta and Athens, a special train being made available to transport the Atlanta firemen. Early estimates were that the loss was approximately \$500,000.

When discovered in the second story of the Hurt Opera House, a four-story brick building, the fire had made much headway and soon spread to other buildings in the business section.

The most severe loss was the four-story Hurt building, followed by the State theater, a motion picture house, which recently reopened after being rebuilt following destruction by fire.

### One Dead, Seven Injured.

Baltimore.—One boy was killed and seven other persons were injured when a cable snapped on a suspension bridge at Orange Grove, about 12 miles from this city. The bridge is 400 feet long and is used for pedestrians. It crosses the Patuxent river.

According to witnesses, 42 persons were crossing the span when a number of children in the center were jumping to make the bridge vibrate. A large cable snapped and most of the pedestrians were thrown into the river, a drop of 35 feet.

# WOMAN KILLS SLEEPING CHILDREN WITH HATCHET.

Ashland, Ky.—Mrs. J. E. Sloan became violently insane suddenly and with a hatchet killed her two sleeping children, Margaret, 16, high school student, and Jack, 18. She then attempted to end her own life with the same weapon after locking herself in the bathroom and turning on the gas. Hospital attendants said she probably would recover.

The bodies were found by the husband, John E. Sloan, upon his return from a trip down town. The demented woman inflicted severe injuries on her arms and body.

### Physicians Sentenced in Dope Cases.

Charlotte, N. C.—Three physicians and one dentist, recognized as the chief sources of supply of narcotics dispensed by drug peddlers and consumed by the small army of addicts, recently taken into custody in Mecklenburg and adjoining counties by federal court here.

Each was sentenced to serve a term in the federal penitentiary in Atlanta. Dr. A. V. Boyles, dentist, of Dallas, Gaston county, was given a year and a day; Dr. M. F. Boyles, physician, of Gastonia, and brother of Dr. A. V. Boyles, was given 18 months; Dr. Frank Taylor, of Stanley Creek, Gaston county, 18 months; and Dr. T. A. Smith, former practitioner, of Charlotte, four months.

The Boyles brothers and Dr. Taylor were taken to the county jail immediately following the imposition of sentences. Motion for a new trial was made for Dr. Smith, but there was some doubt in the court whether this would be pressed.

The court here has rarely been subjected to a more strenuous drive against penitentiary terms. The Boyles brothers and Dr. Taylor submitted their cases, acknowledged their guilt, but, through their attorneys, Clyde R. Hoey, of Shelby, and J. J. Parker, of Charlotte, pledged to bind themselves to a proper observance of the law in the future, to give all they possessed in fines for immediate sentence on one count and to accept any judgment for other counts held against, to become effective immediately upon detection of further violation.

### Excitement Cause of Fan's Death.

Louisville, Ky.—Charles Meyer, 36, collapsed at Parkway field as he was about to purchase his ticket to the Milwaukee-Louisville baseball game. He died in the Colonel's clubhouse without regaining consciousness. Excitement attending the opening game is believed to have been responsible.

### Belling Blood For Education.

Ann Harbor, Mich.—One hundred and fifty University of Michigan students are giving their blood in transfusions to help pay their way through college. Dr. John L. Garvey, chief resident physician of the university hospital, said.

The student blood donors are subject to call night or day, being summoned from class rooms, theater or from sleep as the emergency requires. Payment is made on the basis of \$15 for 300 cubic centimeters, or less.

### Air Police For Chicago Talked.

Chicago.—Plans for an aerial police force in Chicago are under consideration by Morgan A. Collins, chief of police. Captain Ray A. Ammel, formerly of the 468th attack squadron and credited with developing New York's air police, is projecting the organization. A force of twenty fliers would be utilized in the plan. The air police would co-operate in pursuit of thieves, make topographical studies and locate lake wrecks or vessels in distress.

# 150 KILLED WHEN BOMB EXPLODES

### CASUALTY LIST EXPECTED TO GO MUCH HIGHER; INJURED IN CRITICAL CONDITION.

Sofia, Bulgaria.—The toll of dead from the explosion of a bomb in the roof of the Sveti Kral cathedral will funeral services were in progress for General Georgeff, who was slain in the streets of Sofia, stood at 150 but the figure likely will increase as many of the injured are in a critical condition.

Hospitals and clubs are crowded with the injured, some of them so badly hurt as to be almost unrecognizable. It has been impossible to identify some of the dead, and they have been placed in a mortuary chapel.

With the exception of Minister of Interior Roesoff, all the members of the cabinet, who were present at the funeral services, escaped with only slight injuries. They owe their lives to the fact that the infernal machine was concealed in the roof, near the side of the cathedral, while they and the other prominent persons were assembled around the catafalque in the center of the edifice, a detail which had been overlooked by the perpetrators of the outrage.

Among the dead are the mayor of Sofia, M. Paskaleff, former Minister of War General Davidoff, Prefect of Police Klesoff, M. Medelecheff, prefect of the department in which Sofia is situated, and Deputies Colon, Chief Ratchef and Lekaraki.

It is assumption of the police that the agrago-communists, to whom the authorities attribute the outrage, in assassinating General Georgeff, counted on the assembling at the funeral of all the prominent persons attached to the existing regime, thus affording an opportunity for wiping them all out at one time.

The counted on the confusion in which the kingdom would be plunged, according to the police, to facilitate the installation of a soviet regime in line with the terrorist plan of campaign prepared by the communists and emissaries of the Third Internationale, recently discovered by the police, and under which the revolution was to break out on April 15.

In pursuance of their campaign in which the cathedral bombing was the culminating outrage, the authorities declare the communists, within a brief period assassinated 41 police officers and men, and 20 mayors, priests and schoolmasters.

### Pays Fares For Rides After 20 Years.

Greensboro, N. C.—A man whose conscience has been aching for 20 years had it eased by paying here for two rides on freight trains. He used side door Pullmans of the Southern Railway to travel from Greensboro to High Point in 1901 but twenty years was as long as he could stand the inner gnawing so he appeared in the uptown ticket office here and asked the fare from Norfolk to Raleigh. The ticket agent asked him when he wanted to make the trip and he said it had been made twenty years ago and that he wanted to "make this right." He paid for the Greensboro-High Point trip, too. Fares were cheaper then, he was told, and he was due a refund, but he asked the ticket agent to keep the excess for interest.

### Carnegie Corporation Aids Schools.

New York.—The board of trustees of the Carnegie corporation has approved an appropriation of \$100,000 to the Hampton-Tuskegee endowment fund. This sum will be equally divided between Hampton and Tuskegee, \$50,000 for an endowment fund for each institution, the income to be used for the general support and maintenance of and instruction in the industrial and applied arts.

Constantinople.—Shiek Said, leader of the Kurdish rebels, who was captured at Ghedj on Wednesday, was sentenced to be hanged. He will be taken to Angora for execution along with several of his chief followers, says an exchange telegraph message.

### King Receives Reed.

Rome.—Senator David A. Reed, of Pennsylvania, who came to Europe to tour the battlefields for the battle monument commission, was received by the king and Premier Mussolini.

# DOINGS IN THE TAR HEEL STATE

### NEWS OF NORTH CAROLINA TOLD IN SHORT PARAGRAPHS FOR BUSY PEOPLE

Kinston.—The last dollar for Kinston's 10-story hotel was raised by Chamber of Commerce workers. The structure will cost \$220,000. It will be the tallest building here.

Fayetteville.—After one week of a scheduled two weeks' experiment of not printing any crime news, the Fayetteville Observer announced "in response to an overwhelming public demand" for crime news, abandonment of the experiment.

Chapel Hill.—Orange county home on mile out from Hillsboro on the Durham road. According to Ralph Ward, chairman of the board of county commissioners, the cost will be about \$40,000, including the \$7,000 paid for the land.

Wadesboro.—Fred Hargrave, aged 66 years, for many years a prominent citizen of this place, passed away at his home following a prolonged illness. He was a son of the late John Hargrave, a prominent lawyer here some years ago.

Winston-Salem.—The sixth annual meeting of members of Group Five of the North Carolina Bankers' Association, composed of about 90 banking institutions located in the counties of Alamance, Caswell, Davidson, Forsyth, Guilford, Randolph, Rockingham, Stokes, Surry, Wilkes and Yadkin, was held at the Robert E. Lee hotel. About 250 bankers were in attendance.

Danville.—Mary Catherine Lane, infant child of James Lane, was burned to death at Pelham, N. C. The father was visiting an ailing brother in Danville. The mother, who had been in the field, saw the house on fire. She tried to enter the dwelling but the heat drove her back. The building and all interior effects were destroyed.

Greensboro.—Concerted effort on the part of executives of the Carolina Motor Club will be directed toward decreasing child accidents during the present year, it is announced by C. W. Roberts, vice-president. Mr. Roberts urged that motorist correct its attitude relative to this situation. "Don't worry so much about children playing in the streets—watch your step yourself."

Asheville.—Richard Knapp, driver of the automobile which struck a telephone post on Biltmore Avenue, resulting in the death of S. H. Gosnell, was given a preliminary hearing before Judge MacRae in Police Court Saturday and was bound over to Superior Court under bond of \$5,000.

Asheville.—Buncombe county increased its area by 100,000 acres when forced action was taken annexing Broad river township of McDowell county. The Buncombe county board of commissioners adopted a resolution changing its boundary lines so as to include the township, and to take charge of the affairs of the township.

Elizabeth City.—Rev. Daniel Iverson, of Howard Memorial church, Tarboro, was elected moderator of the Albemarle District Presbytery, at the opening session of the presbytery here at which work of organization for the seasons was completed. Rev. J. L. Yandell, of the Edgecombe county field, was elected temporary clerk.

Danville.—Strapped to and engaged in repairing wires Landreth Collins, aged 29, was instantly killed at Leaksville. He came in contact with a power wire carrying 2,900 volts. Workers on the ground saw him collapse across the wire held by his belt. By the time a switch could be pulled and help could reach the lineman he was dead.

Elizabeth City.—Starting about breakfast on an April morning and wishing for a fresh fish to cook for the meal, Mrs. W. G. Etheridge, wife of the officer in charge of Nag's Head Coast Guard Station, had the surprise of her life when a large North Carolina herring, still alive and kicking, dropped at her feet in the kitchen door.

The herring had fallen from the clutches of a fish hawk overhead.

Asheville.—Walter B. Carpenter, assistant cashier of the National Bank of Commerce was awarded damages in the amount of \$35,000 as a result of the death of his wife by the jury in Superior Court in the proceedings against the Asheville Power and Light Company. The jury held that the death of Mrs. Carpenter over a year ago was caused through the negligence of the Power Company.

Wilson.—The formal opening of the Wilson Woman's Club new \$30,000 home held at the building on West Broad street proved one of the most brilliant events of the season. Several hundred visitors were entertained during the course of the evening, many of them from out of town and prominent in club circles throughout the State.

Jacksonville, Fla.—Frank O. Miller, of Jacksonville, president, and other officers of the South Atlantic Coastal Highway Association, were re-elected, and Wilmington, N. C., was selected as the 1926 convention city, at the closing session of the annual convention of the association here.

Rocky Mount.—Robert M. Dillard, night superintendent and manager of Edwards-Critchfield Motor Company, was fatally injured here when the automobile which he was driving ran into and snapped off a telephone pole on the Tarboro highway in the vicinity of Pineview Century.
