Office open 7.00 a. m. to 7.00 p. m. Monday 9.00 to 11.00 a. m. and 1.00 to 6.00 p. m. J. R. GUTHRIE, Postmaster.

LOCAL NEWS.

Radcliffe Chautauqua will be in Graham Oct. 6, 7 and 8. The program for each day will be of unusual interest, and those who fail to attend will miss a great opportunity.

Laying of the corner stone of Wayman Chapel, A. M. E. Church, in Graham will take place Sunday, Oct. 4th, at 2 p. m. The colored Odd Fellows will conduct the service.

Mr. Green A. Nicholson returned the latter part of last week to his home near Bellemont from John Hopkins Hospital, Baltimore, where he underwent a serious operation. His friends will be glad to learn of his rapid recovery.

Dr. Willard C. Goley, who has spent the past year in hospital work in Philadelphia, returned to his home here last Friday. He graduated from the University of Pennsylvania in medicine last year. The Doctor's friends will be pleased to learn that he will locate in Graham for the practice of his profession.

South Fork Friends Church to be Dedicated Oct. 11th.

On the second Sunday in Oct., it being Oct. 11th, the Friends will dedicate their new church at South Fork, near Snow Camp. It had been previously announced that the dedication would be on the first Sunday.

It will be an all day service—11 a. m. to 2 p. m., and a public dinner will be served on the ground.

Rev. L. W. McFarland of High Point will direct the services.

The public is cordially invited to attend the exercises.

Death of Lois Newton Roberson.

Lois Newton Roberson, aged 23 years, died at Rainey Hospital at 12:30 Monday night, 21st. He underwent an operation on Wednesday before for an ulcer. He was a son of the late Alfred N. Roberson of Newlin township. The burial was at Concord M. P. Church at 3 p. m. on Wednesday. Services were conducted by Rev. H. L. Isley. Surviving are his mother and six sisters, Mrs. W. T. Garrison and Mrs. Garland Newlin of Burlington, Misses Ola, Neva, Nona and Lulu, and two brothers, Roy and Loy, of Newlin township.

Tarheels to Attend National Dairy Show.

Dairymen and extension workers in North Carolina are making plans to attend the National Dairy Exposition which meets at Indianapolis, Indiana, during the week of October 10 to 17. W. Kerr Scott, County Agent of Alamance county, having won first place in the campaign for placing dairy bulls during the past summer, will have his entire expenses paid to the show. Mr. Scott won out over fourteen other agents competing in the contest. E. S. Millsaps, Jr., of Randolph county won second place and will have half of his expenses paid. In addition to these awards, Mr. Scott will be given a silver trophy cup awarded by the American Jersey Cattle Club and Mr. Millsaps will get a cup offered by the Guernsey Breeders' Association. Both of these cups will be presented during the time of the show.

In order to encourage dairymen over the State to attend this Exposition, John A. Arey, dairy extension specialist at State College, is working on plans to run a special Pullman car which will leave Goldsboro at 8:10, Monday morning, October 12. This car will go straight through to Indianapolis if as many as fifteen dairymen take advantage of the offer.

Mr. Arey states that the dairymen of North Carolina should be sure to make this trip. He believes the Exposition will give many new ideas about modern dairying as well as show some of the finest specimens of dairy cattle to be seen in the world. To see the labor saving implements used will also be worth while and will do much to help improve the dairy industry of North Carolina.

Back Given Out?

Then Follow the Advice of This Graham Resident.

Are you dragging along day after day with a dull, nagging backache? Do you feel tired, lame and achy; suffer sharp, torturing pains at every sudden move? Then look to your kidneys! Colds, strains and overwork weaken the kidneys and bring on throbbing backache and knife-like twinges. Don't risk serious kidney disease! Use Doan's Pills—a stimulant diuretic to the kidneys. Read what this Graham resident says: Mrs. S. L. Hancock, S. Maple St., says: "I suffered right smart with a dull backache and I had to force myself to do my work. At night my back was so stiff and sore I could hardly lie on it. My kidneys caused much annoyance by acting too freely. After using Doan's Pills from the Graham Drug Co., I soon felt like a different woman. The backache eased up and my kidneys acted normally." 60c. at all dealers. Movement to Better Conditions at Graded School—Meeting Called for Friday Night, Oct. 2nd.

The women of the town met at the Graded School on Tuesday afternoon at the urgent invitation of Mr. M. E. Yount, the superintendent. The object of the meeting was to discuss the need of an organization which will center around the school. Mr. Yount suggested an extensive program for which just such an organization is necessary. An enthusiastic discussion took place. Everyone present realized the importance of the utmost cooperation between the parents and citizens of Graham and the school if certain conditions are attained. Mr. Yount very graphically outlined the following needs, some actual requirements, if the Graham school is to remain a standard: a domestic department is needed, with sufficient supporting sciences added; an adequate library must be installed; hot, nourishing lunches, consisting of soup, milk, etc. are needed for the children if the standard school work is to be maintained; physical education from the first through the eleventh grades is an essential that is lacking in the present curriculum. Incidentally, Mr. Yount, in addition to his already crowded school duties, has personally made arrangements whereby the children can get fresh milk at lunch time. Mrs. Mayo Rives was elected temporary chairman and Mrs. R. N. Cook secretary. It was decided to invite someone well versed in the Parent-Teachers association to come on Friday night, Oct. 2nd, and give a talk pertaining to some such organization. It is time that the public wake up to the fact that "we are behind the times" in our anticipation in the school life and spirit. Our boys and girls are the men and women, the citizens of tomorrow. Although that is a trite statement it is, nevertheless, an undeniable fact. They are depending on us. Our Superintendent and Faculty, however desirous they may be for the accomplishment of the best good for the children, cannot succeed alone and unsupported. May every parent and citizen in Graham come next Friday night and join whole-heartedly in any move that is started towards the betterment of conditions.

Mrs. R. N. Cook, Secretary.

News of Whitsett.

Whitsett, N. C., Sept. 22, 1925.—Rev. A. T. Lassiter, evangelist for the Presbyterian church, spent the night here with Mr. and Mrs. W. H. McLean the first of the week. He is holding a series of services at Bethel church this week.

The Parent-Teacher association which held such an interesting meeting some days ago met again Tuesday evening, 22nd inst., and a general invitation was extended to all citizens of the community to be present whether they desired to join the organization or not.

Mrs. H. E. Brewer and Mr. and Mrs. H. A. Enoch, Miss Mildred Enoch and Master Aubrey Enoch were here Sunday visiting friends, returning to their home in Winston-Salem late Sunday evening.

Rev. Edgar H. Nease has an appointment to preach here in the M. E. Church at 3 p. m. next Sunday, Sept. 27th.

This place will be well represented at the Clapp family reunion which will convene at Brick church Wednesday, Sept. 23rd. For more than a century this family has been represented in this community, and it is only one mile south of here to Clapp's Mill which was for so long the seat of the local family, having been purchased in 1799 from John Smith, one of the oldest settlers in this section.

Mr. and Mrs. D. H. Torreyson are making rapid progress with the residence which they are having erected in this place. They hope to have it complete and move into it within a few months.

In the route chosen for the Greensboro-Whitsett-Burlington link of road now being built near here rock has been encountered at one place on the Sumners' farm, and some heavy blasting has been necessary in order to secure a suitable grade. Outside of this, work has moved along speedily over the entire roadway as selected.

Her many friends are glad to learn that Miss Albion Shepherd has recovered from a rather severe illness.

While rains have fallen occasionally for some days now, the ground has not been made sufficiently moist for much plowing on the part of the farmers. Many of them are cutting their corn crops for feed on account of small growth due to dry weather. Well matured corn is the exception rather than the rule throughout this part of the county.

J. W. Summers has returned from a trip to Sampson and Duplin counties on business.

DONT TRY TO RAISE your family without it. For stomach aches and pains; sudden cramps, severe intestinal colic and indigestions of eating and drinking, changes in water, diet or climate, take

CHAMBERLAIN'S COLIC and DIARRHOEA REMEDY. Keep it always in your home.

A farmer in eastern Carolina will make 75 bushels of corn per acre on land that had not one pound of purchased nitrogen put on it this year. Such is the value of legume crops.

THE SOUTHERN SERVES THE SOUTH. Making a freight car do a bigger day's work keeps rates down. Freight rates are much lower today in comparison with the prices of goods than before the war. The large sums we have spent for improvements enable us, with the loyal cooperation of our employees, to haul heavier trains, with a larger load per car, and at a greater rate of speed. With the assistance of our shippers, we have also reduced delays in loading and unloading our freight cars. All of these things help us to reduce our costs per unit of traffic, and this greater efficiency directly benefits our shippers through better service and moderate rates. THE SOUTHERN RAILWAY SYSTEM. *The average freight train load on the Southern in 1924 was 48% greater than in 1914.
