

IS A HEALTHIER STRONGER GIRL

Because She Took Lydia E. Pinkham's Vegetable Compound

The fertile valleys of Oregon help to supply the tables of America. This is possible through the magic of the humble tin can.

In one of the canning establishments, Julia Schmidt was employed. It was complicated work because she did sewing and other parts of the work. It was strenuous work and she was not a strong girl. Often she forced herself to work when she was hardly able to sit at her machine. At times she would have to stay at home for she was so weak she could hardly walk. For five years she was in this weakened condition.

She tried various medicines. At last, a friend of hers spoke of Lydia E. Pinkham's Vegetable Compound and she gave it a trial.

"Everyone says I am a healthier and stronger girl," she writes. "I am recommending the Vegetable Compound to all my friends who tell me how they suffer and I am willing to answer letters from women asking about it." Julia Schmidt's address is 112 Willow St., Silverton, Oregon.

Girls who work in factories know just how Miss Schmidt felt. Perhaps they, too, will find better health by taking the Vegetable Compound.

Well-Placed Kick

Cecil Gardner of Arkansas City, Ark., was brooding over his troubles as he crossed the pasture of his father's farm. He gave vent to his rebellious feelings by kicking vigorously at what appeared to be a worn-out shoe sole. There was a shower of \$20, \$10 and \$5 bills. Gardner had kicked a decaying wallet.—Pathfinder Magazine.

Sounds Reasonable

"And to what do you attribute your fine old age?"

"Well, doctor, I think it was because I was born before germs were invented."

DON'T COUGH!

Huntington, W. Va.—"Several years ago I caught a severe cold that caused me to have a chronic cough. I got so terribly rundown everybody thought I was going into a decline. I took Dr. Pierce's Golden Medical Discovery and my cough disappeared and I grew strong and well.

"Quite recently I developed another cough, I also had some stomach trouble. I took the 'Golden Medical Discovery' again and it stopped my cough, relieved me of the stomach distress, built up my blood—in fact, built me up all over and made me strong."—Mrs. Rachel Elkins, 1831 7th Ave.

All dealers. Large bottles, liquid \$1.35; Tablets \$1.35 and 65c.

Write Dr. Pierce, Pres. Invalids' Hotel in Buffalo, N. Y., for free medical advice. Send 10¢ if you wish a trial package of the tablets.

"You Need a Diuretic!" To Be Well There Must Be Proper Kidney Function.

THE kidneys are the blood filters. If their action becomes sluggish they do not thoroughly cleanse the blood of poisonous wastes. Such impurities make one dull, tired and achy with often nagging backache, drowsy headaches and dizziness. A common warning of imperfect kidney action is scanty or burning excretions.

Doan's Pills, stimulant diuretic, aid the kidneys in their eliminative work. 50,000 users have publicly recommended Doan's. Ask your neighbor!

STIMULANT DIURETIC FOR KIDNEYS

Foster-Milburn Co. Mfg. Chem. Buffalo, N.Y.

Porter's Pain King

A Liniment

For fifty years your neighbors have relied on this remedy of pure and wholesome herbs. Yet, even now, some do not know that quickly checking colds, relieving aches and pains, healing cuts and burns, are but a few of its many uses.

Read the directions with every bottle. USE IT TODAY.

"Power" Enough!

The negro preacher was tall and powerful of frame, and as he preached he whacked the pulpit cushion with hammer-like strokes of his massive fist. But his preaching consisted simply of the repetition of one phrase: "May the Lord give us more power. More power, O Lord!"

At last a small negro got up in the back of the church, a disgruntled expression on his face, and called out in piping tones:

"What you-all need, Bruddah Robbins, is not moah power, but moah ideas!"

His Job

He—What! Another new dress? How on earth am I going to pay for it?

She—That's your business. I didn't marry you to give you financial advice.

When You Catch Cold Rub On Musterole

Musterole is easy to apply and works right away. It may prevent a cold from turning into "flu" or pneumonia. It does all the good work of grandmother's mustard plaster.

Musterole is a clean, white ointment, made of oil of mustard and other home simples. It is recommended by many doctors and nurses. Try Musterole for sore throat, cold on the chest, rheumatism, lumbago, pleurisy, stiff neck, bronchitis, asthma, neuralgia, congestion, pains and aches of the back and joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of all sorts.

To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole. Jars & Tubes

MUSTEROLE

Better than a mustard plaster

Sufferers From Asthma or Bronchitis

Here is Glorious News For You

No matter how long you have suffered from Asthma or Bronchitis, a speedy relief from your sufferings is now offered you in **CAMPBOROLE**, whose wonderful effects are realized at the very first trial.

It quickly reaches the sore spot with a gentle tingle. Difficult breathing is relieved as the choked up air passages and lungs are penetrated by the powerful healing vapors which reach the very seat of the disease with each breath. Then you'll know why millions use **CAMPBOROLE**, when once you realize its remarkable effects, not only for Asthma or Bronchitis but for deep chest colds, weak lungs, sore throat and Catarrhal troubles. Druggists are authorized to sell the 35c size on 10-day trial—try it.

HOENIG MEDICINE CO. N. Y.

Silo Has Great Value for Corn

Poor Crop and Borer Point Way to Proper Storage of Feed.

This fall the silo provides the best way to cope with the European corn borer and to make the most of what may be saved from the corn crop, says the New York state college of agriculture at Cornell university.

Unless all signs fall this will be one of New York's poorest corn years, the college points out. Planting was late because of unfavorable weather; a shortage of good seed was responsible for many a poor stand; corn fields were disked and seeded to buckwheat. A late fall may help some but cannot compensate for the cool summer which has reduced yields in every corn field.

Put Soft Corn in Silo.

Much corn grown for grain will have to be put in the silo if it is to be saved. Soft-corn which will not keep in a crib is safe in a silo; and corn stalks, cut up fine and put through the fermentation of silage cannot harbor live corn borers.

Corn properly stored in the silo retains more of its feeding value than by any other method. The college suggests that the farmer allow his corn to stand as long as possible, remembering that each day's growth means hundreds of pounds of feed; allow the ears to reach the glazed stage, if possible; if he must cut corn that is very immature, the bundles should lie on the ground a couple of days to evaporate some of the excess moisture. Extremely green silage is watery and poor in quality.

Reduce Spoilage in Silo.

Reduce the spoilage in the silo by having the walls air-tight; by cutting the pieces small; and by packing firmly to exclude even small air pockets where mold may start. In a year like this a good part of the feeding value is in the leaves of the corn plant, so none of the leaves should be lost.

Native Vegetables Are Most Valuable Plants

In the American vegetable garden eight principal food products had their origin in the Indian crops existing here before the advent of the white man. These include beans, corn, peppers, pumpkins, squash, tomato, potato and sweet potato. Vegetables of Old World origin are far more numerous. The United States Department of Agriculture lists 24 of importance: cucumbers, eggplant, muskmelon, watermelon, okra, asparagus, beets, Brussels sprouts, cabbage, carrots, cauliflower, celery, kale and collard, kohlrabi, leek, lettuce, onion, parsley, parsnips, peas, radish, salsify, spinach and turnip. But the value of the crop of the eight native vegetables is considered greater than the 24 of foreign origin. Since the discovery of America the white man has not "tamed" an, native plants which the Indians had not already brought from warmer parts of America, but notable improvements have been made in the quality and yield of most of these vegetables.

Profitable Practice of Hogging Down Corn Crop

The practice of hogging down corn has been growing very rapidly in the corn belt states in recent years. It is a good practice because it saves labor and increases the rapidity of hog gains, provided the corn is properly supplemented. A few farmers still make the mistake of turning their spring pigs into corn without supplying a supplementary high protein and the proper amount of mineral matter. But the great majority of farmers who follow the practice of hogging down a portion of their corn are placing self-feeders containing a commercial high protein feed and a mineral mixture in the field to allow the pigs to balance their own ration. It is in this way that the most economical as well as the most rapid gains are obtained.

Agricultural Items

Sweet clover hay, properly cured, is practically equal to alfalfa.

Farmers seldom have trouble getting good prices for high-grade produce.

After haying and harvest is a good time to get at that concrete dairy-stable floor.

Millit hay should not be fed to horses for any length of time lest it injure their kidneys.

Poultry manure is the most valuable fertilizer. It is high in organic nitrogen, phosphoric acid and potash.

Nearly all diseases of poultry are taken into the body through the mouth, either with the feed or water.

It doesn't pay to keep a hen more than one year unless she has been an exceptionally good layer the first year.

A penny apparently saved by skimping the milk cow on her grain may mean the expenditure of several dollars later on.

The BABY

No mother in this enlightened age would give her baby something she did not know was perfectly harmless, especially when a few drops of plain Castoria will right a baby's stomach and end almost any little ill. Fretfulness and fever, too; it seems no time until everything is serene.

That's the beauty of Castoria; its gentle influence seems just what is needed. It does all that castor oil might accomplish, without shock to the system. Without the evil taste. It's delicious! Being purely vegetable, you can give it as often as there's a sign of colic; constipation; diarrhea; or need to aid sound, natural sleep.

Just one warning: It is genuine Fletcher's Castoria that physicians recommend. Other preparations may be just as free from all doubtful drugs, but no child of this writer's is going to test them! Besides, the book on care and feeding of babies that comes with Fletcher's Castoria is worth its weight in gold.

Children Cry for Fletcher's CASTORIA

Fawn "Sponged" Meal

One of the high-bred cows belonging to Benedict Gleogier, a Pecono (Pa.) farmer, lost steadily on her production of milk. A son of the farmer solved the mystery when he went to the pasture. A fawn was taking a meal while the cow munched grass contentedly. When its appetite had been satisfied the young deer left.

Argument for a week, laughter for a month, and a good jest forever.—Shakespeare.

Salts Fine for Aching Kidneys

When Back Hurts Flush Your Kidneys as You Clean Your Bowels

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

Farms Raise Own Gas

Farms may be made to produce their own gas for use in cooking, heating and lighting, according to the inventor of a generator that makes gas from the waste products of the farm. Cotton, cornstalks, straw and sawdust have been employed successfully, says Popular Mechanics Magazine, a ton of material producing about 1,000 cubic feet of gas.

Reason is the hardest thing to apply to jealousy.

BREAKS A COLD IN TWO MINUTES

Muco Salve 25 cts. at Drug Stores

First time you sneeze get a bottle of Muco Salve. Place a little in each nostril or melt a little in spoon and inhale fumes. Clears the head instantly. Often breaks the cold in two minutes.

If cold has gotten down in your chest, get a bottle of **MUCO SOLVENT**, (liquid) 75 cents. It dissolves the phlegm. Clears the chest. Thousands say it is the best cold remedy ever known.

Have a lovely Complexion

You can make and keep your complexion as lovely as a young girl's by giving a little attention to your blood. Remember, a good complexion isn't skin deep—it's health deep.

Physicians agree that sulphur is one of the most effective blood-purifiers known to science. Hancock Sulphur Compound is an old, reliable, scientific remedy that purges the blood of impurities. Taken internally—a few drops in a glass of water, it gets at the root of the trouble. As a lotion, it soothes and heals.

60c and \$1.50 the bottle at your druggist's. If he can't supply you, send his name and the price in stamps and we will send you a bottle direct.
