

THE GLEANER

GRAHAM, N. C., APRIL 25, 1929.

LOCAL NEWS

A son was born to Mr. and Mrs. Julius F. Thompson on 18th, inst. Miss Mary Cooper has been confined to her room for a day or two on account of sickness. There was a thunder storm with rain Sunday night, and Wednesday it rained a good portion of the day. The 10th of May is the accepted time for the leaves to be full grown in this latitude. The leaves are here with two weeks to spare. Two town conventions—Democratic tonight and Republican tomorrow night, preparing for the town election to be held on May 7th. Notwithstanding there have already been some real summer days and the spring season is well advanced, the straw hat is slow in blooming out. "Hardrock" Simpson of Burlington is going good in the Pyle Bunion. He stands fifth in elapsed time. He has many well wishers who hope for him better luck than he had last year. While a balmy spring day smiles on this part of the "Sunny South," out in the Northwest, centered in Wyoming, the worst blizzard of record is gripping that section. Most of us do not realize how blessed we are in the matter of weather and climate. A fishing party composed of Mrs. Parke Stratford, of Greensboro, John B. and Robert Stratford, and Mr. W. Franklin Ray of Chicago spent last Friday and Saturday at Swansboro. As an evidence of their success they came back with a plentiful supply of the "finny tribe." Mr. C. P. Albright, Chairman County Board of Education, and Mr. M. E. Yount, Superintendent of Schools, are attending a school in Raleigh this week for the study of the new school law passed by the last Legislature. The law provides for this school of instruction, so that those whose duty it is to operate the schools under its provisions may have a clearer vision of the work imposed upon them by virtue of their office. Hon Robert W. Scott is reported critically ill at Rainey Hospital. His host of friends in Alamance and throughout the State will regret to hear this news. He had been away from home on a trip the latter part of last week and on the way was taken ill. He was taken to the hospital for treatment the first of the week and underwent an operation for a bowel trouble that had developed rather suddenly. It is hoped his condition is not as precarious as reported. He is a leading citizen of Alamance as well as of the State.

Davidson County is rapidly becoming a center for pure bred Guernsey cattle. Many farmers are testing their cows and there are some fine pure bred cows and heifers in the county. The County Home in Alexander has a grandson and granddaughter of the famous old Jersey bull, Oakwood D's Fox, with which to begin a foundation herd of pure bred Jersey cattle. Rats were exterminated in the city at Elizabeth City by C. D. Schwartz, biologist at State College, at a cost of \$50 for time and poison.

News of Whitsett

Whitsett, April 22.—The Whitsett Parent-Teacher association will hold its regular meeting Tuesday evening, April 23rd. At this meeting the general topic will be "Beautiful Homes," and Prof. J. H. Joyner will make a talk on "The Home and its Surroundings." Mrs. W. T. Whitsett is spending today in Raleigh meeting with Mrs. Jane W. McKimmon and a special committee working out the programme for the approaching meeting of the clubs at State college during the summer. Rev. William R. Turner preached an eloquent sermon Sunday morning at Springwood church to a large congregation. Next Sunday, April 28th, at 3 p. m., the Whitsett M. E. Sunday school will give an entertainment to which the public is invited. Mr. and Mrs. W. T. Ingle have just completed extensive improvements upon their residence at this place. A. C. Rankin, of Pleasant Garden, has been here for some days looking after some repairs on the public roads. The recent controversy about the ballad known as "The Wreck of the 97" brings out the fact that one of the victims of that wreck is buried in Springwood cemetery near here—Albion G. Clapp, who was one of the train crew on that ill-fated train. The smaller children gave an interesting exercise at Frieden's church Sunday morning. Ed. B. Wheeler and others from here attended the meeting of Orange Presbytery held last week at Madison. H. C. Perrett was the leader for an interesting session of the Whitsett Christian Endeavor society Sunday evening. Prospects are favorable for the location of a girl's camp near the Alamance just south of this place. Several sites are under consideration. Rev. H. A. Feserman, of Greensboro, preached at Brick Church on Sunday afternoon to a large crowd. Miss Minnie Clapp is at home again after a trip to Spartanburg, S. C., where she visited relatives. Several visitors were here yesterday from the Aycock high school located near Hillsboro.

Store Robbers Caught

On Tuesday night of last week the store of J. D. Albright & Co. was entered and robbed of a quantity of dresses, cloaks, hostery and hand bags. On Monday Jos. S. Holt of the firm was notified to come to Greensboro to identify goods believed to have been stolen. Early Monday morning three negroes, Thomas Hoover, Harry Lee Ross and Eddie Shaw were arrested, and a fourth is being sought. Premises were searched and lot of loot found. Mr. Holt saw goods that were like those stolen and that he believed were his, but every mark and tag and label had been removed. O'Minsky's store had been robbed of clothing Saturday night and two of the negroes were dressed in his suits. Also another store at Mebane, one in Orange and one at Liberty had been entered a few days before. They had a confederate at High Point, a negro woman, who disposed of stolen merchandise. The negroes were equipped with a layout of burglar tools, pistols and dynamite caps. Catawba county farmers planted more clover, alfalfa and lespedeza this spring than at any previous time during the eight years county agent J. W. Hendricks has been at work in the county.

Rupture Shield Expert Coming to Burlington ON Wednesday, May 8th AT PIEDMONT HOTEL from 10 a. m. to 4 p. m. Evenings by telephone appointment only ONE DAY ONLY No Charge for Consultation Mr. C. F. Redlich, the successful expert, says: The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear. Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones. Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained. No elastic belts nor filthy legstraps are used. I guarantee the durability of my absolutely sweet and moisture proof, sanitary appliances. 75 percent of ruptured children recover completely though expert mechanical treatment according to statistics. Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself. C. F. REDLICH, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota
