

THE GLEANER

GRAHAM, N. C., MAY 1, 1930.

LOCAL NEWS.

—It is getting dry and rain is needed to help farm work along.

—Mrs. Willard C. Goley entertained Graham Bridge club last Friday afternoon.

—Rev. R. P. Ellington will conduct services at the E. M. Holt school at 3 o'clock next Sunday afternoon.

—Dr. W. P. McCorkle, former pastor, preached at the Presbyterian church last Sunday morning.

—It is reported from the Raleigh weather bureau that the rainfall during April was less than two inches.

—Mrs. W. L. Spoon, well known civil engineer and citizen has announced himself a candidate for representative in the legislature.

—Graham chapter of the Daughters of the Confederacy is meeting this afternoon at the home of Mrs. W. Ernest Thompson on Albright avenue.

—Misses Louise and Margaret Moore spent the week-end with their sister, Mrs. B. J. Jesznak, in Roanoke, Va. Their niece and nephew, Margaret Anne and Ben Jesznak, returned with them.

—There was frost enough last Friday morning to blacken the tops of early vegetables, but the damage was light. Not enough to do any serious damage. There was just a little frost the morning before.

—"Candidates are very agreeable folks," observed a citizen while riding along with one of the aforesaid a few days. Candidates, of course, recognize the moral in the trite saying that "vinegar catches no flies."

—Alexander Wilson High school will have its closing exercises on Monday evening, 12th inst. There are 19 members of the graduating class, two of whom are Edward P. Harden and Pames P. Harden, Jr., sons of Mrs. James P. Harden.

—The clean-up season is at Harden and James P. Harden, Jr., will place trash at the side of the street the garbage wagon will come along and carry it away. The citizens should co-operate with the town authorities in the effort to have a clean and healthy town.

—Mr. Chas. A. Thompson became violently ill last Saturday night. Two physicians were with him for a while. It was an attack of what is commonly known as "kidney cholera." He is much improved and is able to be at his place of business today.

—Hon. A. F. Sams of Winston-Salem was in town yesterday getting acquainted with the folks. He is a candidate for the Democratic nomination for Congress to succeed Maj. Chas. M. Stedman, and will be voted for for the nomination in the primary to be held on June 7th.

—The eclipse of the sun Monday was not total, only about two-fifths of the sun's disc being obscured. From a statement we had read of the phenomenon we got the impression of a near total eclipse and so stated. In the extreme western part of the United State it was near total.

—Eli Whitney School closing exercises begin Friday evening, 2nd inst., with the primary department. Grammar Grades program will be given on the evening of May 9th and will consist of recitations, instrumental music, and an operette "Sunny of Sunnyside." Messrs E. P. Dixon and R. H. Hutchinson are at the head of this school.

—An effort is being made to secure Evangelist McKendree Long of Statesville to deliver the memorial address at the memorial services at Providence on the first Sunday in June, and it is hoped he can be secured. He is a fluent and attractive speaker. He is a son of the late Judge B. F. Long, and a grandson of the late Mr. and Mrs. Jacob Long whose ashes sleep in the historic burying ground at Providence.

—A servant's house at the rear of Mrs. J. L. Scott, Jr., was nearly consumed by fire last Friday morning. It was not discovered until it was in full blaze. But the firemen were soon on the scene and made quick work of it. It was a fine opportunity to give the new fire fighting apparatus a little chance to show off and it demonstrated its effectiveness. To fight fire with the new engine, it is not necessary to have any volume of pressure—the engine tends to that. Just so the engine can get hold of the water, it will do the rest.

An appeal was made and the Judge reduced the sentence to 18 months and no appeal will be taken from the judgment.

4-H Club Rally Exercises At Graham School Last Saturday.

For the first time in the history of Alamance County the 4-H Clubs met April 26, 1930 at the Graham Graded School.

In spite of cool weather and threatening rain two-hundred and twenty-five very enthusiastic girls and boys gathered to put on a program that any citizen of Alamance County would be proud of.

The program started at 10:30 A. M. with James Gilliam, Jr., Pres., Altamahaw 4-H Club, presiding over the meeting, and Ruth Coleman, Pres. Pleasant Grove 4-H Club serving as secretary. A lively program was rendered consisting of songs, devotional by Rev. R. P. Ellington, welcome by Mr. M. E. McKimmon, State Home Dem. Agent, and reports from the various Clubs over the County.

These reports were given by the Club Presidents concerning the Club activities during the year. They were given with that genuineness of Club spirit that showed they had entered the work wholeheartedly and had worked with enthusiasm during the year and it was thoroughly revealed by some of the reports that there will be some keen competition among the Clubs at the County Fair this Fall.

A generous Picnic Lunch was enjoyed by all present and served as a stimulant to the interest and spirit created during the morning program. After lunch hour the Club members again entered the auditorium to continue the program for the afternoon. A Health Playlet was given with several of the Home Agent's Clubs participating. This was followed by each Club giving a stunt.

Probably the most outstanding feature of the afternoon program was the presentation of the Health Champions of Alamance County. Both the Boys' and Girls' Clubs of Pleasant Grove seemed to be lucky in this case as the Champions were picked from their Clubs. Thelma Graham and Everette Kirkman were the lucky winners. They will represent Alamance County at the State Short Course in Raleigh this Summer.

The rest of the afternoon was devoted to recreation on the school grounds with Miss Bessie Holmes and Miss Louise Homewood in charge.

Mrs. M'Kimmon Is Honored By Students

A student loan fund amounting now to nearly \$700 which will be used to help 4-H girls pursue a college education in home economics has been established in honor of Mrs. Jane S. McKimmon through the joint action of the North Carolina Home Demonstration Clubs.

The movement had its inception in the heart and mind of Mrs. Estelle T. Smith, district agent who in an address before the home agents at their conference in December 1927 suggested that such a fund might be started as a token of affection for Mrs. McKimmon and in recognition of her lifelong work for farm women and girls. The response was enthusiastic.

The agents association then decided that the State Federation of home demonstration clubs might want a part in the movement and so the matter was presented to them. At first the federation agreed to donate \$50 each year. This was done the first year but at the annual meeting held in July, 1929, the farm women were so enthusiastic over the matter that the treasurer was instructed to take pledges from the floor. The sum of \$366 was pledged by individuals, county councils and clubs.

Finally it was decided to combine the supervision of the fund and this was done on July 30, 1929, when a resolution was passed by the Federation of Home Demonstration Clubs calling for a board of three members from the Federation and two members from the Home Agents Association to raise and administer the fund. The resolution was approved by the home agents at their

meeting in January, 1930.

The entire fund is now in the hands of the State Federation of Home Demonstration Clubs where it will be used by rural girls in preparing themselves for lives of usefulness to the State.

Burke County poultrymen co-operated to sell 2100 pounds of spring broilers for 35 cents a pound at a recent carlot sale.

More than 400 tons of fertilizer will be mixed at home by farmers of Lincoln County this spring, reports the county agent.

The North Carolina Forestry Association will hold its annual meeting at North Wilkesboro in mid-September, announces R. W. Graeber, extension forester at State College.

Beef cattle day will be celebrated at the Blackland Experiment Station near Wenona on Thursday, May 28. Beef cattle growers of eastern Carolina are invited to attend by Earl Hostetler, animal husbandman at State College.

Do you really know your cigarette?

YOU'RE PARTICULAR about the other things that are so intimate a part of your personality. What about your cigarettes? There are several hundred grades of leaf tobacco. What kind of cigarette do you smoke?

If you smoke Camels you smoke the choicest tobaccos grown. For the famous Camel blend is based on the use of tobaccos of superlative quality. It is only from them that you can expect that smooth, rich, mellow mildness and that fragrance and aroma found in such perfection in Camels.

We buy the right tobaccos . . . the very choicest delicate leaves of Turkish and Domestic. In their curing and preparation we use the most modern and scientific methods. And we alone possess the knowledge of the marvelous Camel blend.

That's why Camel is able to furnish real cigarette pleasure to more millions than have ever given their patronage to any other cigarette.

Don't deny yourself the luxury of CAMELS
