—Last Sunday was a "round-up" day for booze makers and traffickers. Deputies from the Sheriff's office gathered in two stills and several gallons of whiskey, home brew and beer, and made 11 arrests. The victims had made a miscalculation on everybody, including Sheriffs, would go to church and leave them quit to pursue their wicked business.

—Miss Bruce Cates, member of Graham Public School faculty and whose home is in Burlington, gave her graduating recital in voice at Elon College last Friday evening. She is very popular here and a number of Graham people heard her. They were delighted with her singing and very complimentary. Wallace King, another student who is said to be very fine at the piano, played her accompaniments.

—Saturday has been designated as "Poppy Day." Different organizations will take the lead in selling them. The poppy is a world war emblem, made famous on account of Flanders field. —Lots of Graham ladies have attended the cooking school at Burlington this week. An electric range was among the prizes given for every-day attendance and it is suspected that this handsome prize has motivated more to attend other than the desire to learn more about the culinary art. —A negro boy named Julius Walker, aged 14 years, was drowned in Stoney Creek near Hopedale Mills Monday morning. The honest reason

THERE IS ONLY one real reason for smoking and that's pleasure. A pretty good reason after all. The cigarette you select in the long run will be the one that can contribute most to your enjoyment.

Camels are made with that idea in mind—the idea that genuine smoke pleasure is what you want in a cigarette.

When you try them you will find a refreshing difference—a mild, mellow richness of choice tobaccos—a blended harmony of fragrance, silky smooth—that makes smoking a delight.

The fact that more millions have chosen Camel than any other cigarette is a tribute to an honest product, marketed for an honest purpose.

CAMELS for pleasure
