It always works

Just do what hospitals do, and the doctors insist on. Use a good liquid laxative, and aid Nature to restore clocklike regularity without strain or ill effect.

A liquid can always be taken in gradually reduced doses. Reduced dosage is the real secret of relief from constipation.

Ask a doctor about this. Ask your druggist how very popular Dr. Caldwell's Syrup Pepsin has become. It gives the right kind of help, and right amount of help. Taking a little less each time, gives the bowels a chance to act of their own accord, until they are moving regularly and thoroughly without any help at all.

Dr. Caldwell's Syrup Pepsin contains senna and cascara—both natural laxatives that form no habit. The action is gentle, but sure. It will relieve any sluggishness or bilious condition due to constipation without upset.
