Republican Nominees

At the national Republican convention in Philadelphia Wendell Willkie of New York, native of Indiana, won the nomination for President on the 6th ballot. Thirteen candidates were voted for. Willkie was third on first ballot. After that he was a steady gainer, except the 4th, and the sixth brought a unanimous vote. Senator Charles L. McNary of Oregon was named his running mate by acclamation.

"When hunger comes" who will feed Europe? The major part of that country is at war. The men, many thousands of them, are in the war doing military duty, other thousands are prisoners of war, and still other thousands have fallen ou the battle field, in all running into millions. This huge man power has been drawn from fields and shops, producing nothing to grown into 48 sovereign states, contribute to the daily living of making a great empire, ruled many millions of women, chil- and governed by the people. dren and helpless men. It's a problem that the nations at war Glorious Fourth, and it is well to come acute if the war is long the movement and remind the judgment on the part of the addrawn out.

The United States built up such gigantic military strength that the war was won for the Allies. We captured a few ships that have since been declared "obsolete," and accepted a ware- house full of European IOU's that have turned out to be of very little value. But we did gain many rich re- wards when we seized German patents and proceeded to develop our own dyes and a variety of chemicals, and free ourselves from depending upon Germany for many goods and products which are now made better here at home within our own borders. The avowed object to "make the World safe for democracy" failed, and for about 20 years the United States has been minding its own business and leading the World in discoveries and devel- opment of the more abundant life. In a quarter of a century we have made gains in our object-	to bother with us now. So, lets be patient and consistent and safeguard our Law of Neutrality from getting out of joint. Oldest Temperance Society in South Meets at Pleasant Hill July 7th. On Sunday, July 7th, at 2 p.m., the oldest temperance society in the South, and the oldest exist- ing society in the United States, will hold its annual meeting at Pleasant Hill church, a few miles East of Liberty. Cale R. Burgess, head of the Anti-Saloon League of North Carolina, has promised to address the association. The origin of the temperance movement is attributed to Benja- min Rush, who was one of the signers of the Declaration of Independence. The remarkable thing about Pleasant Hill Temperance Soci- ety is the fact that all temper- ance societies which had their birth 50 or more years ago, ex- cept Pleasant Hill, have long since ceased to function. There was a large tannery in Randolph County which employ- ed a number of men back in 1833 Stephen White from Orange co-	of the animal kingdom go on breaking jungle law to form fanoy friendships.
