GRAHAM, N. C. JULY 17, 1941

**Local News**

—As a result of a survey, it is announced that food has advanced more than 25 per cent in the past 12 months. Is there profiteering going on?

—Application has been made to discontinue two passenger trains between Greensboro and Raleigh. The trains are needed for other purposes.

—A real airport for Burlington appears now assured. On Tuesday of last week President Roosevelt signed the authorization that provides \$83,385.00 for construction and \$27,321.00 for buildings. Congressman Carl T. Durham has stood by and helped to secure this boon for the city. Alamance will feel helped up at this recognition.

—The following young people left Monday for Raleigh to attend the Young People's Conference at Peace college from 14th-19th: Misses Helen Bason, Dedie Dixon, Betsy Thompson and Marea Yount, and Thurman Porterfield. Mrs. W. E. Harp is in attendance on the Conference as Counselor. Mrs. Jere Bason accompanied the group.

—A big party was given a little girl at 3:30 last Friday afternoon when 3-year-old Janice Moon Isley, daughter of Mr. and Mrs. Comann Isley, N. Maple street, celebrated her third anniversary. The little folks welcomed coming and sped the parting guests just like grown-ups. In the interim Mrs. E. N. Cook directed the plays and told stories in kindergarten fashion. The tots enjoyed their cakes and iced drinks. The 30-odd guests dined the honorée with favors, and all had a happy time.

**At Production Credit Association Conference**

James Bishop, Jr., secretary-treasurer of the Graham Production Credit Association, which serves Alamance, Caswell, Chatham, Durham, Guilford, Orange, Person, Randolph and Rockingham counties, has just returned from a group conference at Myrtle Beach, S. Hall, Person county, directors.

Ten associations were represented at the conference. Plans for further improvement of the service were discussed. The aim is to provide short-term service at lowest cost possible.

Reports revealed 1940 a good year.

The Graham association has to date made 1445 loans this year totaling \$411,318.69, of which \$59,033.77 was loaned to 189 farmers in Alamance county.

Mr. Bishop announces that a series of radio programs have been developed for the Associations, Federal Land Banks, Banks for Co-operatives and Federal Intermediate Credit Banks, all units in the Farm Credit Administration. In this territory, Radio Station W. B. I. G., Greensboro, is now broadcasting on Wednesday afternoons, at 3:15 o'clock, these programs, which are of particular interest to farmers and businessmen.

NEW of us eat cake because it's good for us, but it's nice to know that one of the prettiest cakes on record actually contributes valuable minerals to the daily diet. Such a one is this "Festival Cake" which contains calcium and phosphorus in the Rumford baking powder inside it, along with calcium-rich orange juice.

Make it because it tastes and looks grand; but feed yourself a dietary "plus" at the same time. Go on and "let 'em eat cake"! Here's how you make it:

**Orange Layer Cake**  
1/2 cup shortening 1/4 teaspoon salt  
Grated rind 1 orange 2 teaspoons Rumford baking powder  
1 cup sugar 1/2 cup orange juice  
2 egg yolks 1 cup sifted cake flour  
3 egg whites

Combine shortening with orange rind and cream thoroughly, add sugar gradually and cream until light and fluffy. Add egg yolks, one at a time, beating well after each addition. Sift flour, salt and baking powder together. Add flour, alternately with orange juice, beating until smooth after each addition. Beat egg whites until stiff, but not dry, and fold into the batter. Bake in two oiled 8 inch cake pans in a moderate oven (375°F.) 25 minutes. Frost with Orange-Chocolate Frosting.

**Orange Chocolate Frosting**  
4 squares bitter chocolate  
Grated rind 1 orange  
5 tablespoons butter  
6 tablespoons orange juice  
2 1/2 cups sifted confectioners' sugar  
10 maple sugar candy leaves

Combine chocolate, grated orange rind and butter and melt over hot water. Heat orange juice and add to confectioners' sugar. Beat until smooth. Add melted chocolate mixture and beat until thick enough to spread. Frost orange layers with the frosting and place maple sugar candy leaves around the edge of the cake. Makes enough frosting for top and sides of two 8 or 9 inch layers.

OF COURSE I SMOKE CAMELS; THEY'RE COOL—EASY ON MY THROAT—AND TASTE SO GRAND.

WHAT'S MORE IN THE SMOKE OF CAMELS THERE'S LESS NICOTINE.

THE SMOKE OF SLOWER-BURNING CAMELS CONTAINS 28% Less Nicotine than the average of the 4 other largest-selling cigarettes tested—less than any of them—according to independent scientific tests of the smoke itself. The smoke's the thing!
