on the 10th of January, 1856. The "day the committee feel that this expression. work done up to the 1st of June, 1856" by "might do to impress some with his conse-Dudley & Ashley amounts to \$1,459 90 quence.". Dudley & Ashley amounts to The review of the President's official reports

"Work done by day, up to close of 1856'

\$6.015 23 This, taken from the account of Dudley & Mr. Fisher, on the 21st Dec. 1858, is all the chairman knows, and all he could find out. An exact copy of these accounts as settled being set forth such inferences to be drawn from them as the facts might warrant, with our commentary only as to-

First. The statement of the Treasurer and sure his conduct, is without color of truth -book-keeper, "that the writen contracts under which this work was done, if any exist, are not on file with them.

Secondly. Most of them are without date, and one of them contains items for work done by the day, in the year 1856, amount- who frankly and honorably admitted, on ing to more than \$6000.

Thirdly. The credit for all these bills are entered on the books, 21st Dec. 1858, by order of the president, who appears to have passed on them without any estimate by any disinterested party competent to make it."

Mr Fisher's tirade impeaches none of these facts. I suppose the President of the road is not the custodian of its records. We inquire for the contracts of the officers, who the proceeding was not warranted by the should have had them if any exist. Mr. act of incorporation, but alluded to the fact Fisher would not appear before us when ask- that it contained no specific provision to this ed to do so, or he would have been asked effect-that Mr. F. might raise the issue, if whether any such contracts existed, and he thought proper, as to the jurisdiction of many other questions which he would proba- the Legislature. [For the Greensborough Patriot.] FISHER AGAINST FISHER.

MESSRS, EDITORS: Mr. Fisher havin nounced every body else as having false statements, seems determined to a in conflict with himself. And "when Grameets Greek, then comes the tug of war. In his last reply, Mr. Fisher says:

Mr. C. P. Mendenhall falsely alleges that he zaffense first. His own publications show the fact otherwise. The case stands thus: He takes the my reply to Mr. Chairman Worth.

From this I presume Mr. Fisher W have it understood that he gave Mr. denhall the first insult in his reply to holders, and not through any partizan feel. ner would publish his article. The Banner Mr. Mendenhall's first card, I find the to says that it did not come to hand in time- lowing:

That the road was originally built by and yet, the same number of the Banner Mr. M. was offended at my slight reference. ed to enter upon this examination was all Whigs, with the aid of a few patriotic demo- contains a reply to it from Fisher. The in my reply to Mr. Chairman Worth. He had

tween the nigger-worshippers of the North at nigger-drivers of the South, we many seriously upon a political struggle in 1860 which will upon the rocks of disunion, unless saved through imely intervention of a new constitutional and not

Again the Herald continues and denouncing the present movements of Black Republicans, makes the following jaremarks:

"We denounce this new black republicans ment in the slavery agitation as treasonable, deand revolutionary. Right or wrong, the Southern stitution of slavery is there, and any violent or a diary efforts to uproot it can only result in the fearful disasters to both races. Slavery is a local stitution, and a social and domestic institution, w we of the North are under the most solemn treatyulations to respect at all times, and even to prowhen necessary. How desperate and infamous, must be these Northern Seward politicians, who, less of constitutional obligations, good fellowsh and the decencies of neighborly and social intercowould throw a gang of spice and informers among Southern brethren, to subserve the ends of party, a ferent whether the consequences may rrection, dissolution, or civil war

All this, however, does not excuse the sectional. eating secession politicians of the South, who prosper until it fulfills the most sanguine some twenty years past, have sought every occafoment and exasperate, between the two section old, unprofitable and mischievous quarrel over s

And thus it is, that while a great and fanatic: slavery party overshadows the North, an equa natical pro slavery party overshadows the Son each supplies the other the munitions of war. Bet hese two extremes, in Virginia and in Kentucky has lately arisen a new conservative party, upo stitutional issues and on a broad national footing nay prove competent to save the country in 18 Accordingly, we look upon the approaching Virt ection as involving contingencies of the highest nent to the peace of the Union; and we believe th victory to the new opposition party there in May be the inauguration of a national union party move apable of controlling the next Presidential eleschalf of the great conservative body of the An
