DEATH OF HON. D. F. CALDWELL. We announce, with pain, the death of this distinguished man, which occurred in this City on Thursday, in the 76th year of his age. Judge Caldwell was a native of Iredell County, where he was born in 1792. He was educated at Chapel Hill, and read law with the late Hon. Archibald Henderson, in the profession of which he early rose to eminence. He first entered public life as a member of the House of Commons from Iredell County in the year 1816. He subsequently removed to Salisbury, and represented Rowan County in the Senate of our State Legislature in the years 1829, '30 and '31. He was speaker of the Senate in 1829. In 1844 he was elected one of the Judges of the Superior Courts of Law and Equity, which position

he held, with honor to himself and profit to the State, until he resigned it in 1859. Judge Caldwell was a man of no ordinary intellectual powers. As a lawyer he was for many years the acknowledged head of the bar of the Circuit in which he practised. As a Judge few men have inspired more good will and respect among the legal profession, and none ever inspired a higher reverence for the administration of Justice among the common people. He was a man of unbending integrity, a high sense of honor, and though he may have had to contend with strong pre-

judices, a kind and generous heart. It was not our good fortune to have known him very long or very intimately, and we have not the material at hand to write any very extended notice of him today; but we trust such notice will be prepared by some of his old associates at the bar whose personal reminissences of him would prove of the highest interest. It is true that he belonged to a generation of lawyers which has nearly passed away, but we have in our mind one of his survi vors who is eminently qualified to furnish a sketch of his life and character, and we hope that he will undertake the task .- Old North State.
