## LEGION WILL BE FASCISTI OF U. S., IF IT IS NEEDED

So Declares Colonel Alvin Owsley, Commander of the American Legionnaires

## RADICAL MENACE SERIOUS HE SAYS

If the Need be, the Legion Would Take Over Government to Protect Country

By EDWARD THIERRY  
NEW YORK, Dec. 11.—"If ever needed," the American Legion stands ready to protect our country's institutions and ideals as the Fascists dealt with the destructionists who menaced Italy.

Colonel Alvin Owsley, commander of the American Legion made this statement in an exclusive interview today.

"By taking over the government," he was asked, "Exactly that!" declared Owsley. "The American Legion is fighting every element that threatens our democratic government—soviets, anarchists, I. W. W.'s, revolutionary socialists and every other 'red'."

"Should the day ever come when they menace the freedom of the representative government, the Legion would not hesitate to take things into its own hands—to fight the 'reds' as the Fascists of Italy fought them."

Owsley added: "But I do not think that time is going to come."

**Called Radical Menace Serious**  
The Legion commander said the world spread of revolutionary doctrine had to be taken seriously. He said patriotic Italians had been forced to take extreme measures which probably would never be necessary here. But he emphasized the significance of what the Fascists had done.

"Do not forget," he said, "that the Fascists are to Italy what the American Legion is to the United States. And that Mussolini, the new premier, was the commander of the Legion—the ex-service men—of Italy."

Commander Owsley's warning against the growth of anti-government creeds in America was based on speeches he is making criticizing the immigration policy.

"The three per cent law has been a failure," he said. "Every 24 hours 1,000 people come into the country. We are getting a big percentage of the riff-raff."

"Foreign born people, with foreign and anti-American sympathies, hold the country and are the leaders of industrial unrest to say nothing of increasing the millions that compete with unemployed ex-service men for a chance to earn a living."

**Warns Bars up Five Years**  
"The American Legion favors a five-year exclusion policy, no immigration whatever. And after that careful selection on the other side; we want only those who want to be Americans."

"And we are opposed to the plan of Venizelos, the former Greek premier, to have a million or more Greeks and Armenians unloaded on our shores."

Declaring Lenin is one of the greatest and brainiest men in the world, Owsley said the Russian dictator also is the greatest menace to the sort of ideals the American Legion is trying to protect.

"The Legion is not in politics," he said; "but there is plenty of politics in the Legion—potential power, I mean."

"In every community legionnaires are the substantial men in commerce, industry, farming labor. Some are in office—and others will be if the right kind of real Americans are not elected without Legion interference!"

## Town Topics

The work of putting in good shape the playground of the central city school is being done. A good many brickbats are being dumped on the ground. We suppose they will be broken into small fragments and buried several inches under soft earth. Otherwise, they will rain the grounds, as kids cannot play comfortably on a hard brick surface.

Rophenia says it gives her the shivers to see women and girls parading the streets these cold mornings, wearing thin slippers and thinner stockings with their skirts barely reaching the knees.

Robins will be plentiful around the suburbs in a short time, but the boys should bear in mind that it is against the law to shoot them.

"The oldest inhabitant" who is not opposed to taking a nip when it is handed to him on a silver waiter, says he never knew liquor to be so scarce as it is now.

Persons gathering holly berry branches for Christmas decorations should be careful to cut the branches judiciously, lopping off as little growth as possible.

Shoppers are reminded not only to do their Christmas shopping early, but to do it quickly, without haggling over prices and spending five dollars worth of the clerk's time over the purchase of a nickel article.

The booming of the big guns at Fort Bragg could be heard in Fayetteville earlier than usual this morning. Perhaps the caliber was larger than any heretofore tried, or maybe the wind was blowing from the east.

## HAMON WIDOW AND HUSBAND SHE SUES

The second marriage ship of Mrs. William L. Rohrer, widow of Jake L. Hamon, slain Oklahoma oil millionaire and politician, has run aground. Mrs. Rohrer, shown above, has filed suit for divorce. She says Rohrer, below, despite claims to wealth, refused to support her in the style to which she was accustomed, and practiced jiu-jitsu on her.

## You Can Be Tried for Same Thing Twice, Is Supreme Court Ruling

WASHINGTON, Dec. 11.—(By Associated Press.)—Conviction in a state court for violating a state prohibition law is not a bar to subsequent prosecution in the United States court for the same offense under the Volstead enforcement act, the Supreme Court held today.

Zico Lanza, Dick Barto and others, were convicted in a state court in Whatcom County, Washington, and sentenced for the manufacture and possession of intoxicating liquors. When the Federal government sought to prosecute them in federal court for the same offense, the United States district court for Western Washington, dismissed the principal counts in the indictments as barred by the prior state conviction.

## BAPTISTS GATHER AT WINSTON FOR ANNUAL MEETING

Reverend Joel S. Snyder, of This City, Will Attend Annual State Convention

WINSTON-SALEM, N. C., Dec. 11.—(By the Associated Press.)—This morning and afternoon delegates to the 92nd annual convention of the Baptist State Convention of North Carolina, began arriving in the city and by tomorrow at noon it is expected 900 messengers from more than 2,000 churches in the State, will be here for the opening session of the convention Tuesday evening.

Dr. B. W. Spillman, president of the convention, is detained at his home at Kinston on account of the illness of both himself and Mrs. Spillman. Mrs. Spillman has been suffering for several days with a severe attack of la grippe. Mr. Spillman was stricken while attending her bedside.

In the absence of Dr. Spillman, it is expected that First Vice-President E. L. Wells will call the convention to order and a permanent presiding officer for the session will be elected on the floor.

Today the evangelistic conference held was attended by ministers and early arriving delegates.

## TAXPAYERS WILL BE TOLD HOW TO MAKE OUT RETURN

WASHINGTON, Dec. 11.—(By Associated Press.)—The Internal Revenue Bureau has made plans to extend further aid to federal tax payers this year in an effort to reduce the number of errors which have annually crept into the income tax returns of the millions who help pay the way of the government.

Schools of instruction for deputy collectors and attaches of revenue collectors offices are being held throughout the country, it was announced today. The Revenue Bureau believes the method of training will result in reducing the amount of rechecking and delay necessary by misunderstanding of the forms which the taxpayers must file.

Forms for the preparation of the returns soon will be in the hands of collectors throughout the country, in an effort to speed up the filing of reports, which must be delivered to the collectors by March 15th.

## Will Restore House, Once Home James Monroe, Now Occupied by Rag Pickers

NEW YORK, Dec. 11.—(By Associated Press.)—Plans for the restoration of the small, red brick house at Prince and LaFayette streets, now occupied by rag pickers, but once the home of President James Monroe, have been announced by the James Monroe Memorial Association and Foundation.

The movement is sponsored by the Sulgrave Institution. It is planned to remodel the house in which Monroe died on July 4, 1831, and to install furnishings of the period in which Monroe lived.

## Better Get Out Your Heavies—May Need 'Em

WASHINGTON, Dec. 11.—(By the Associated Press.)—The official weather man, who, for the past week or more, has been predicting some rigid temperatures for the South, promises the "actual" appearance of a cold wave in the Atlantic and Gulf States by Tuesday night or Wednesday.

Latest official word was that the cold wave now over the northwest would spread eastward and southward over the plains states and the great central valleys during the next thirty-six or forty-eight hours and by Tuesday night or Wednesday morning would touch the Atlantic and Gulf States, attended by temperatures "lower than previously recorded this season in the regions coming under the influence of this cold wave."

## MANCHESTER IS VISITED BY YEGGS LATE LAST NIGHT

Fifteen Cents and \$1,000 in Confederate Currency Taken From Postoffice

Fifteen cents in current currency and \$1,000 in Confederate currency constitutes the sum total of loot taken from the post office safe at Manchester, where thieves last night broke into the A. C. L. station, the postoffice, and a house, according to meagre details reaching this city late today from Fort Bragg.

The thieves, whoever they were, were evidently lovers of dogs, for they carried some with them. In the excitement of the big bunch of money taken from the postoffice safe, the yeggs left one of their pups on top of the safe, where it was found this morning by officers.

Blood hounds were brought to Manchester from Raeford early this morning and the thieves were trailed onto the Fort Bragg reservation where the trail was lost.

An effort will now be made to trace the thieves through the sad-eyed, yowling pup they left on the safe, an officer at Fort Bragg, who was working on the case stated today.

Officers from the Sheriff's office and the A. C. L. detective force, who left this city early this morning, to investigate the robbery, had not returned to Fayetteville late this afternoon.

Judge E. R. Holmes announced the argument would be limited to two hours to a side. No testimony was offered at the morning session. Immediately after the conference between the judge and counsel in chambers, court convened and the arguments began.

## Tons of Swiss Cheese Arrive on One Vessel

## Miss Huck Wants Divorce Law To Be Standardized

By WINIFRED MASON HUCK, Congresswoman-at-Large From Illinois

CHICAGO, Dec. 11.—Uniform federal legislation to unify present conflicting state divorce laws is a crying need of the day.

Until such reform can be brought about, justice to litigant parties, especially in cases where children are concerned, will continue to fall short of the mark.

I am heartily in favor of Senator Jones' resolution sponsoring such action by the government and will lend my full support to it because it constitutes the highest good for all concerned.

## TEMPER JUSTICE WITH CHARITY, IS WARNING OF POPE

Conferences are Useless Unless Governments Will Do This, Pope Pius Asserts

ROME, Dec. 11.—(By Associated Press.)—In his allocution at his first consistory today, Pope Pius referred to the conference at Genoa and similar meetings, asserting that he would reiterate to the forthcoming Brussels Conference his exhortation to the Genoa delegates to consider remedies for the sad condition of many of the world's peoples. He said that conferences such as the proposed Brussels meeting were useless and likely to cause bitter and dangerous disappointment, unless the governments decided to temper justice with charity.

The Pope also preconized the appointment of several Archbishops, and bishops, already nominated.

The Pope in his allegations protested against conditions in Palestine, where, he said, the large Catholic interests were not being sufficiently safeguarded and pointed to the need for continued help for Russia and urged re-establishment of peace and order throughout the world.

In regard to Palestine, he recalled the allocution of the late Pope Benedict, who charged that the Jews were "taking advantage of the sufferings of the inhabitants due to the war" and deplored the "privileged position enjoyed by the Jews in Palestine, which is dangerous for the Christians."

Pope Pius added that he adopted this as his own protest and that he would carry out his predecessor's intentions as expressed on that occasion, so that "in the settlement of the Holy Land, the rights of the Catholics and all Christians may be safeguarded."

## LOCAL MAN GETS APPOINTMENT TO YORKTON DEPOT

Albert P. McMillan has received a government appointment a few months ago. Mr. McMillan took a notion to try a civil service examination for junior engineer. He passed all right, and the other day received notice from the government at Washington that he had been appointed engineer at the U. S. Navy mine depot at Yorkton, Va.

Mr. McMillan, who recently was on a big building in course of construction at Greensboro, gave that up to come to this city and be with his father, C. B. McMillan. He has not yet decided whether or not he will accept the Yorkton position.

## Removal Mail Boxes at A. C. L. Station Is Cause of Complaints

Some time ago the Postoffice Department had the two mail boxes removed from the A. C. L. Passenger Station. The people are making considerable complaint about this movement. They say it entails great inconvenience, especially as the mails at the postoffice close quite a while before the departure of trains. The people further say that as they pay the expense of running the railway and postoffice clerks (included) it seems that Uncle Sam would try to make matters as convenient as possible for them, instead of putting them to inconvenience. The boxes at the railroad had been there for years.

There is talk of making a complaint to the Postoffice Department at Washington.

## NEW KU KLUX HEAD

WASHINGTON, Dec. 11.—(By Associated Press.)—Chief Justice Taft informed Chairman Volstead of the House Judiciary Committee today that he would appear before it at the hearing of the Keller impeachment charges against Attorney General Daugherty, if the committee should see fit to call him.

## Return of Young Couples is Blow To Mother's Child Marriage Ideas

KANSAS CITY, Kas., Dec. 11.—Early marriage is losing one of its greatest supporters—"The marrying hunches."

"Times are changing. Maybe it's better now to wait longer," says Mrs. Rhoda Burch, whose four married children doubt before they were 16. Her doubt is aroused by the fact that Goldie, who wedded last year when 13, is home seeking a divorce, and John, who is 16, and married a 13-year old girl, is also suing for separation.

It was a hard blow to the early marriage theory of Michael and Rhoda Burch, who eloped when Rhoda was 16. It may hold back the marriage of Robert, now 12. Michael Burch, minister and stonemason, whose home is also built so it can be used as a chapel Sundays, has considered his children of marriageable age when they got into their "teens."

All Wed Early  
Flossie, oldest daughter, married when 15 years old, at the altar in the home-chapel. She has several children and like Pearl, who married at 14, has been very happy.

Her many friends will regret to learn of the death of Miss Sallie Ray of Sanford, which occurred Sunday morning at 3 o'clock, following an operation the first part of the week.

Two Come Home  
Goldie, not yet 14, came home with her baby. She said her husband scolded her, that she would not live with him any more. Right afterward John returned to the Burch chapel and home. He blamed his wife's relatives for trouble that estranged him and his 14 year old bride.

"I guess the rest of the children will be asked to wait until they are a little older," opines Mrs. Burch, after more than the usual experience in early marriage as an institution.

CHICAGO, Ill., Dec. 11.—(By the Associated Press.)—K. M. Landis, Commissioner of Baseball, today denied reinstatement to George (Buck) Weaver, former star third baseman of the Chicago White Sox. FAIRFIELD, Texas, Dec. 11.—(By the Associated Press.)—A negro, believed to have attacked a white girl at her home at Streetman this morning, has been captured by a posse, but has not been identified, according to reports here. CONCORD, Dec. 11.—(By the Associated Press.)—Robbers last night entered the postoffice at Mount Pleasant, nine miles from Concord after blowing off the front of the building and carried away money, stamps and other valuables. ## AMERICAN NOT TO BE TRIED AS SPY, JAPANESE ASSERT

TOKIO, Dec. 11.—(By Associated Press.)—Viscount Uchida, Foreign Minister, replying to the protest of Ambassador Warren against methods employed by the Japanese in dealing with R. M. Andrews, an American, said it was clear that no charge that Andrews was a spy was made and that the allegation that he was suspected of espionage was based on unfounded rumors.

"I am glad the decision of the court made this clear," the Viscount said. "A letter to this effect is to be posted in the government establishments with which the firm of Andrews and George, of which Andrews is a member, had dealings."

Andrews will plead guilty to a minor charge of breach of the navigation laws, when his case is called, it is announced.

R. M. Andrews was before Japanese court officials recently in connection with charges that while his motor boat was cruising in the waters of a military reservation, he had taken photographs in violation of the law.

## RITNER IS DOING VERY WELL NOW

H. G. Ritner, the A. C. L. engineer who was shot at Elrod some weeks ago, is doing very well at Highsmith hospital. Dr. J. F. Highsmith says that another X-ray shows that the ball lodged in his body is a buckshot. It has worked away from the region of the heart, and no apprehension from its effects is felt. It will be extracted when the patient gets stronger. Dr. Highsmith says that the other day he extracted six ounces of bloody water from Ritner's pericardium and a quart from his back.

William J. Kemp, the Fort Bragg soldier, who was shot by a negro on the Murchison road a little more than a week ago and taken to Highsmith hospital, has recovered sufficiently to be moved to Fort Bragg.

At the last regular meeting of Cross Creek Lodge, I. O. O. F., the following newly elected officers were installed:

R. E. Melvin, F. S.  
E. J. Kennedy, Treasurer.

Trustees—D. Gaster, 3 years; R. A. Melvin, 2 years; E. W. Pickett, 1 year.

Cross Creek Lodge is taking in numbers of new members at almost every regular meeting, a good many of them being Fort Bragg men.

## Woman Known Here Dies at Home in Oxford, N. C.

Her many friends will regret to learn of the death of Miss Sallie Ray of Sanford, which occurred Sunday morning at 3 o'clock, following an operation the first part of the week.

But these two marriages did not endure like those of Flossie and Pearl.

Two Come Home  
Goldie, not yet 14, came home with her baby. She said her husband scolded her, that she would not live with him any more. Right afterward John returned to the Burch chapel and home. He blamed his wife's relatives for trouble that estranged him and his 14 year old bride.

## ENGLAND WILLING TO CANCEL DEBTS IF U. S. WILL, TOO

Great Britain Said to be in Favor of Cancelling France's Debt to Her Now

## AN OPEN RUPTURE IS BARELY AVOIDED

Adjournment of Premier's Conference on Reparations Avoids an Open Break

LONDON, Dec. 11.—(By the Associated Press.)—The Conference of Allied Premiers, called to arrange the basis for an allied financial and reparations conference in Brussels, has broken down. It was announced at six o'clock this evening that the Premier had taken adjournment until January 2nd.

After the conference adjourned, Premier Poincare said: "It is finished."

The conference January 2nd will be held in Paris it was announced tonight.

LONDON, Dec. 11.—(By Associated Press.)—Great Britain is said to look favorably on the cancellation of the French debt due her, provided the United States cancels the French debt to America. It is the belief of British officials that the United States would be willing, at least, to attend a conference, at which such a proposition could be thoroughly discussed. It also was stated in American circles this morning that the definite agreement to pay the British debt to the United States could or might be accomplished by a proposal for a long period, say fifty years, in which only interest would be paid. It was explained this was on the theory that the United States primarily insisted on securing the ultimate payment of the British debt, rather than an immediate settlement.

In conference quarters, it was the general view that France has indicated her willingness to give up military penalties in return for the cancellation of debts by the United States and Great Britain and would be ready, also, to give a long moratorium to Germany.

WASHINGTON, Dec. 11.—(By Associated Press.)—No formal request that the United States take part in a conference on cancellation of the French war debt, and there was no indication today that Department officials saw any reason to alter the well understood position that they previously have taken on the question of European debts.

Adjourn Abruptly  
LONDON, Dec. 11.—(By Associated Press.)—Adjournment of the Premier's Conference tonight for eight days, in order to avert an open rupture between England and France over the question of German Reparations, has been virtually decided upon, it was learned today.

The British cabinet rejected the measure of force for the Ruhr district, upon which Premier Poincare insisted.

Prime Minister Bonar Law in formed Premier Poincare that British public opinion was overwhelmingly opposed to any military measures against Germany.

Poincare had made a demand for the occupation of the Ruhr as a guarantee for a German moratorium.

## EMPLOYMENT IN NORTH CAROLINA ON THE UPGRADE

WASHINGTON, Dec. 11.—(By the Associated Press.)—General improvement in North Carolina employment conditions is shown in the Department of Labor's analysis for November. It shows that cotton mills added 381 employes during that time, this being equal to the October increase and that there was a strong accession of workers in the lumber industry, but a small reduction of workers in the fertilizer industry. Lessening of agricultural activities is releasing many laborers, says the report, which deals with seven states in detail.

## DADS MEET TONIGHT

The regular monthly meeting of the Board of Aldermen will be held tonight. At this meeting, it is probable that delegates will be elected to attend the municipal convention which meets in Raleigh tomorrow.
