ABOUT HIS BROTHER.

Several years ago my brother, who lives with me, had a very strange sore to break out on his leg—about half way between the body and the knee—which afterwards developed into a rose cancer.

The cancer continued to grow until it was about five inches long, and three wide. The flesh sloughed off, black, rotten and foul, and it was almost impossible to procure a servant that would wait upon him, the air in the room where he lay being so foul that it would sicken any one who entered.

Every physician of any prominence in the State was consulted, and treated my brother without success. One doctor finally advised him to try Swift's Specific (S. S. S.) and he did so, and used nothing else.

Swift's Vitallizer is what you need in constipation, loss of appetite, dizziness and all symptoms of dyspepsia. Price 10 and 75 cents per bottle. For sale at Furman's drug store.
