NOTICE.

Having qualified as Administrator of Redirect, deceased, all persons indebted ate are requested to nav the same and all persons holding claims ainst her estate will present for payment or before March 11, 1893, or this notice plead in bar of their recovery. The March 7, 1892.

JOHN GREEN, Admr.

"The Philosopher's Stone."

A merchant accommodates a customer by selling him goods on credit; the customer promises to pay when he sells his wheat or tobacco or other product; but sickness, or low prices, or some other unforseen circumstances prevent the fulfillment of the promise. Still further indulgence is sought hoping to secure what is already due, the merchant gives credit and the debt is increased. A note may be given, the merchant has it The Board of Agriculture has undiscounted and in course of time dertaken to make an exhibit of the is obliged to renew it or pay it. Interest accumulates, the security olina at the Columbian Exposition, which may have been given proves valueless; suit may be enterel; Executive Committee to carry out lawyers' fees and cost are to be this purpose. This Committee appaid; prior claims are presented; peals to the citizens of the State to homestead exemption is claimed; give them a cordial support, and to the law's delays and uncertainties that will be illustrative of the State's and legal technicalities intervene, it may be the death of the debtor, We confidently expect that North and in the end the account of Carolina will be able to sustain heryears dwindle into insignificance, self in high competition with the the only assetts from which the creditor hoped to realize being Every country in the world and eaten up by the long and teand every State in the Union is exdions processes of a chancery pected to participate at this display

Is it right and just? It may be said, the merchant was not worldof the extent of this Exposition ly wise. But how many are there when it is remembered that 750 in every community, who know acres, more than a great plantation, but too well an experience not unis embraced in the grounds, and like that we have indicated? We would like to present this matter the necessary buildings. These so strongly that the practice of incurring obligations of debt might be lessened; or, at least, that the will respond to what is expected of duty of meeting financial obligations might be more generally In order that our State may take | met. Heedlessness incurring obliher proper place at this great Expo- gations is little less than a crime; sition, the Board intends to make and the man who in his anxiety to collections in the following departs sell goods gives credit is "particeps criminis."
