W. H. Williams, Sutton.

#### TAR DROPS.

-The Weekly says that the schools in Franklinton opened well.

-The roads are in very bad condition, caused by the continued rain. Travel is very difficult.

-Dr. W. H. Edwards, Dentist, of Wake Forest, will visit Louisburg regularly each month. See adv.

-Mr. W. B. Green entertained a few of his lady and gentlemen friends at the family residence on last Tuesday night.

-T. H. Griffin, near Louisburg, killed 7 hogs 10 months old, average weight

day noon) he is much improved. -The Newton Enterprise and the Gas.

volumes. They are good papers.

-W. S. Barnes, Secretary and Treasaddress the Franklin county Alliance at Louisburg, on Thursday, January 18th.

Fuller, daughter of Judge T. C. Fuller, lating, is the proper thing to do. of Raleigh, and Mr Walter Borden, of Goldsboro, are to be married February 14.

-The next examination of applicants for license to practice law will be held in February 1894.

than it is to supply your horses with the extra feed necessary to keep out the cold occasioned by cracks in the stable.

-Capt. D. T. Ward, of Franklinton, has killed a pig nine months old weigh ing 268 pounds. The pig was from W. L. McGhee's Tar River Stock Farm, and is another proof that improved stock is the best and the cheapest.

-Greensboro has followed the example of Charlotte and practically stopped the sale of cigarettes by taxing dealers. The board of aldermen decided to place the license tax for retail dealers at \$200 and for wholesale dealers at \$500.

-The Southern Tobacco Journal wishes to see Col. J. S. Carr elected Governor before 1894 closes. The Journal is "way off"-unless it means to have the present Governor resign. The next Governor's election in this State does not take place until 1896.

-The Durham Globe says: A gentleman from Chapel Hill says that President Winston is sanguine about the prospects for this session. He expects to enroll 400 students at the University this session, and the enrollment is not far glad to note its popularity among our from that number now.

-If Louisburg is to continue to improve to any considerable extent her business men must put their shoulders and money together and inaugurate some manufacturing enterprises. It is a splendid time to form a stock company and start a cotton factory. What say our

BEVES:—The closing hours of Christ-mas 1893 witnessed the triumphant entrance into the Land of Pure Delight of Mrs. Mattie Mitchiner Beves, the child of Festus and Mary Mitchiner, was born in Franklin county. N. C., Oct. 25th, 1862. She was married Jany, 10, 7883 to T. Morris Beves, who with five little ones survives her. At an early age, while a school girl at Louisburg, she was converted and joined the Methodist church, but afterward became a member—at the same time with her husband—of Perry's church Baptist, of which she remained until her death a faithful member. A few hours before her death, fulfilling an often repeated request of hers, brother Beves told her of her danger. She showed no anxiety but talked calmly and tenderly to her loved ones. To brother Cade and me, who reached her shortly afterward, she said she was not afraid to die. Later she said, "I am trying to fix my mind on Jesus and keep it The Master, faithful to his promise, kept her in perfect peace to the end. I prayed with her about an hour before her death, and she whispered, "so sweet, so sweet." Soon afterward she became too weak for clear thought, and about 11 o'clock, fell as sweetly asleep as a babe on its mother's breast. May the Father, he whose wisdom and love no words can express and whose infinite power alone can transform such an affliction into a blessing, take the heart-broken bushand and motherless little ones into bis especial keeping, giving to them and to all his afflicted, his perfect peace.

N. H. D. Wilson.

Begin the New Year Right. As the Burlington News says, many a heart beats gladly today at the prospeets for the year that lie out before them, but it is all in the future and the events of a single day can blight the tion that I had to begin with a few drops hopes of many weeks, hence the importance of beginning aright. The care of small things are often overlooked, caus- ble for teething children, and any weak ing leaks that drain the sap of many business enterprises, and the profits out of the work of the farm, but in harmless and effectual. Hoping this stopping the small leak be careful not Misses Lee and Mattie Hawkins and to knock the head out of the barrel, as did, by stimulating them to give the is often done. Economy is a virtue Remedy a thorough trial when properly used, but runs into a small species of meanness when carried ant and profitable If the merchant concludes everybody knows him and his wares well enough to need no further effort on his part, he will soon find out his mistake. If the farmer concludes he can dispose of his hired man, at 10:30 o'clock, Miss Bertha Telfair plants more than he can tend, and the Horton was married to Mr. Everard grass gets him and he loses his hard If any man con-Mr. George S.
