The Charlotte News says: The termination of the suit of Mrs. Vance against Charles N. Yance and other heirs, for dower, was asstated etc. and \$1.00 per bottle at Aycocke & in Wednesday's News, but the public does not seem to have a correct understanding of the case. Stripped Before Subscribing for a Magazine News understands it, that Mrs. Vance, in suing for her dower, wanted to take the whole dower allowed by law, out of the Vance residence in Charlotte. The Bee tract in Buncombe is said to be unremunerative and a tax, and she did not want her dower to come out | hold could require. In each copy of the of that. Mr. Vance's attorneys did not hold that she was not entitled (worth and regularly sold for 35c) or any to dower. Mrs. Vance claimed that wrecked so many of ber sex? If was his home. Mr. Vance claimed Before the war maidenly mod- trouble and grief could be measured that Senator Vance had not lived Demorest's he still claimed Charlotte as his voted in Ward 2. Had the Vance house in Ward 1 been decided to have been Senator Vance's home, Mrs. Vance would have been entitled to the whole of it as her dower; but the court held that it was not increased largely in late years. A at home sometimes she looks for Senator Vance's home, so she gets suit for divorce was a rare thing in them abroad. This is her femi- the dower of one-third in that propthe days of our fathers. So was a nine nature. But, of course, there erty as well as in Senator Vance's other real estate, and not for the instruct them, also practical helps in whole of her dower in the Charlotte property. Mrs. Vance also claimed | menting of the home, embroidery, bric aher shore of receipts from the time court held that she could claim no the establishment of her dower.

A Poor Likeness.

Here is a good story illustrative of the prosaic nature on which art makes no impression:

In Westminister abbey there is a large marble tablet in memory of a famous bishop. It is a bas-relief, representing the bishop—a portrait -in the agony of death, sinking into the arms of an allegorical female figure, presumably intended for the When broiling steak throw a ittle salt on the coals; and the

WHY KISSING IS PLEASANT.

One Man Delighted That Edison Didn't Invent it.

The reason kissing is so pleasant, | Aycocke & Co. says an osculatory expert of scientitic tendencies, is because the teeth, jaw bones and lips are full of nerves. and when the lips of persons meet an electric current is generated, and you don't have to have a dynamo madhine nor a battery in the house, por a call box, nor a button to derful development somewhat touch to ring up the central office, and there is no patent on it, and the poorest person in the world can enjoy the electric current better out of order. If Edison had invented kissing it would cost \$100 a are on foot. Millions of money year, like the telephone, and then are being made in the South extra kissing would be charged up every day, but it gradually goes extra, and if you didn't pay for it they would take out your kissato enrich the North. This is phone and disconnect you from the

Two Lives Saved. Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption, and that there was no hope for her, but two bottles of Dr. Kino's New Discovery completely cared her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold. approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles
