TAR DROPS.

-Life is too short for neighbor to be eternally plotting to destroy the happiness of his neighbor.

-When a man really loves his neighbut as himself it generally turns out great interest-in her military. that the neighbor is a pretty girl!

-The professional card of Dr. J. R.

Palmer, who has recently located at Franklinton, appears in this issue. -Mr. R. G. Hart has moved into his

new residence on Church street and Mr. W. P. Neal will occupy the house vacated by Mr. Hart.

-A woman will face a frowning world and cling to the man she loves through the most bitter season of trial and adversity, but she wouldn't wear a hat three weeks behind the style to save your life.

-We direct your attention to the headed a "Word to the unfortunate." Whenever in need of anything in the undertaking line, you can not do better than to call on this firm. They carry a will sell you at reasonable prices.

-While in conversation yesterday with one of our leading tobacconists we were told that there is a pressing demand for more prizeries-the tobacco interest having so largely grown recently. He also told us that the tobacconists would cheerfully pay a rental that would yield 12 per cent. on the capital invested.

-The Treasurer's annual statement of the expenses &c., of the town appears in this issue of the TIMES, and as usual, with our excellent Town Treasurer, everything shows up STRAIGHT. As will be men by the affidavits of the auditing committee, the Treasurer's accounts were all found correct, and the full amount of balance on hand was found to be to the credit of the Treasurer, in bank.

-Don't let a fakir, come around and hypnotize you into buying something you do not want. Assert yourself, and use your time and your money for your own advantage. There is a great profit Notice. in the schemes worked by fakirs, who only expect to cath one customer out of twenty people they tackle. Don't you be the twentieth chump. A fakir is easily bluffed if you once learn how to do it. You haven't time to talk to every | Notice. man or woman who comes around with a

More Improvements.

In addition to those mentioned in the Times last week we note the following improvements this week: G. W. Ford is erecting two cottage

houses on Spring street.

W. P. Neal is having a new dwelling built on Church street. Messrs. J. P. Timberlake and Geo. H.

Cooper have completed arrangements to erect a large tobacco prize house, just in rear and the same size of the "Cooke & l'arham" prize house, near the depot.

Old Confederates.

Franklin county will have a reunion in Louisburg on Saturday, May 30th. It is earnestly desired that every "Old Confederate" in the county be present as the question of attending the Grand Reunion at Richmond, Va., June 30th will be decided upon. The occasion for the reunion at Richmond is the laying of the corner stone of the Jeff Davis monument, and it will probably be the last chance that will be offered during life, for so many of them to meet their old comrades. The thirty-one years that have passed since they won glory and never dying fame has much thinned the | Dr. Smithwick. ranks, and the death rate increases as the years go by.

Personal.

Mrs. M. Parham, of Henderson, is

visiting her son, S. J. Parham. Mr. Jno. T. Morris, of Raleigh, is vis iting J. S. Lancaster's family.

W. M. Person, attended Vance court this ery case where you had a reasonably

Hon. C. M. Cooke came home from

Raleigh and spent a few days the past Mr. C. D. Osborn, the clever proprietor

of the Osborn House at Oxford was in town this week.

Judge Timberlake, who came home and spent a day or so, left one day this

week to hold Cherokee Court. Mr. Daniel McKoy, of Harnett county, arrived on Tuesday, and accepted a position with W. G. Thomas, Druggist. Mr. McKoy is a Registered Pharmacist, of a number of years experience, and comes highly recommended.

Franklinton Items.

From our regular correspondent. -The recent rains were heartily welcomed by the farmers-especially those who had not set out their tobacco.

Franklinton will join hands with the rest of Franklin county and send up a solid delegation for Col. Jule Carr, for Governor. Give us Jule Carr as our standard bearer and we will elect him by a large majority.

A prominent republican said to your correspondent a few days ago that if the democrats nominated Col. Jule Carr they could beat Russell easy.

Mr. Dave Hobbs went to Durham this week to see a close relation to "Joe Patchen." He did not buy.

Mrs. R. K. Williams of Raleigh is visiting her mother-in-law Mrs. W. H. Mitchell.

We were shown a few days ago the commissions of the officers of the Franklin Guards. Captain-W. L. McGhee; 1st Lt.-I. H. Kearney; 2nd Lt.-C. R. Sanderling. Capt. McGhee says he will soon have the boys as well drilled as any company in the State. The boys present a fine appearance in their fatigue uniform, but what will they do when their regular suits and helmets get here? The boys will soon have them and then "watch the boys." Franklinton feels a

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipa-The Times is requested to announce tion, Dizziness yields to Electric Bitters. 50c. that the "Old Confederate Veterans" of and \$1,00 per bottle Aycock & Co's Drug

"In Union There is Strength."

We call attention to the newly formed copartnership existing between Drs. R. E. King and D. T. Smithwick. Whilst Dr. King's mechanical genius is too well established to need comment from us, Dr. Smithwick comes among us recommended as one of the finest "up to date" operators in this section of the State. Success is the inevitable result of this combination.

This gentleman who has located at Louisburg to practice Dentistry, comes very highly recommended, as the following, from the resident Dentist, at Smithfield, his old home, will show:

"I am now located at Smithfield, and so far have had a nice run of work. have had an opportunity of seeing quite Messrs. F. S. Spruill, T. W. Bickett and you that I find it in good shape. In evgood tooth it is all right and perfectly satisfactory, in fact I find yours to be the best and only good work here. J. C. GOODWIN.

Marvelous Results.

From a letter written by Rev J. Gunderman, of Dimondale. Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe Terrible paroxysms of cough-ing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Aycocke & Co., Drug Store. Regular size 50c. and \$1.00.
