

Parties having business with the Times of any nature will confer a favor by calling at the office of E. F. Yarborough, associate editor, across the passage from the composing room. The printers have no authority to make contracts nor attend to any business connected with the paper, being employed solely to do typesetting and other mechanical work. It causes a loss of their time, which often-times delays the issue of the paper to have them attend to matters of the nature above referred to. Visitors are also requested to be governed by this.

TAR DROPS.

Miss Lucy Sills, aged 53, died one day this week at the residence of her brother, T. A. Sills, Esq., of Nash county. There are over 30 houses in course of erection or about completed in the corporate limits of Louisburg, and still we hear others talked of. A game of baseball took place on Tuesday between the colored clubs of Henderson and Louisburg, resulting 16 to 8 in favor of Louisburg. It was a very orderly and pleasant game. The Times will give TEN DOLLARS in gold to every boy and girl who will get us a club of one hundred cash subscribers to our special offer made in another column. We will also give FIVE DOLLARS to any one sending us a club of fifty, and Two DOLLARS to any one sending twenty-five.

The editor greatly sympathies with Mr. and Mrs. H. E. Joyner, in the loss of their son Freddie, whose death occurred on Saturday last. The funeral service took place on Sunday at the Baptist Church and the remains were followed to the Cemetery by a number of friends and relatives. Mr. Arthur Arrington has been elected Principal of Louisburg Male Academy by the Board of Trustees. He is a good scholar, has quite a reputation as a teacher, and will no doubt, build up a good school. He says that he will put forth strenuous efforts to make the Academy worthy of patronage.

The Times will give TEN DOLLARS in gold to any boy and girl who will send us a club of one hundred subscribers to our special offer. (which includes the Times and "Weekly Washington Post" from now until November 15th for fifty cents). Five Dollars to every one sending us fifty subscribers; Two Dollars to every one sending us twenty-five subscribers; and One Dollar to every one sending us fifteen subscribers. The cash must be sent in every instance.

"What kind of a boy does a business man want?" replied a shrewd practical man of many concerns, the other day. "Well, I will tell you. In the first place, he wants a boy who doesn't know too much; business men generally like to run their own business, and prefer some one who will listen to their way rather than to try to teach them new kinds; secondly, they want a prompt boy—one who understands seven o'clock as exactly seven, not ten minutes past; third, an industrious boy, who is not afraid to put in a little extra work in case of need; fourth, an honest boy—honest in his service, as well as in the matter of dollars and cents; and fifth, a good-natured boy who will keep his temper even if his employer loses his own now and then!"

It doesn't pay to be too funny. A man who formerly boarded at a certain hotel used always to call for "old hen" when he saw chicken on the bill of fare. The table girl and cook thereupon prepared for him, and whenever chicken was served an old hen was provided, and this particular boarder always got a generous piece of that. After this order of things had continued for three months without the boarder suspecting the joke, one day he called the waitress to him and told her he was getting sick of old hens, and he'd like to have a taste of chicken. "Very well," was the reply, "you can have it, but you ordered old hen regularly, and as this house always pleases its guests when it is possible we've been giving you what you ordered."

Postponement. The Times is requested to announce that on account of the death of Mr. J. H. Upperman, Jr., the concert which was to have been given by Mrs. J. S. Barrow's music class at the Opera House last night, has been postponed until next Tuesday night. Remember that the public is cordially invited.

Louisburg Female College. To the friends of education we most earnestly solicit your sympathy and cooperation in the important and responsible work of making this the most successful session in the history of the College.

In order to do this, it is necessary that you give us, both your patronage and hearty co-operation. Whenever the people of Louisburg are united in their desire to have good schools they will have them—and not before. We will be assisted by competent teachers in every department. The next session will begin September 2nd. Further announcement will be made later. Most respectfully, M. S. DAVIS, President. M. M. DAVIS, Lady Principal.

Old Vets. According to adjournment, the Confederate Veterans' Association met in the Court House the 15th day of June 1896, with Comrade C. M. Cooke in the Chair, and Comrades E. T. Cooke and A. S. Strother as Secretaries. The first business on hand was the reports of the Committees appointed at last meeting to ascertain the number of Veterans who would attend the reunion of Confederate Veterans at Richmond Va., on June 30th. The several reports showed that about 140 would go. Dr. J. S. Meadows, Committee on accommodations at Richmond, read a letter from the Adj. General stating that there would be ample accommodations for lodging and food. (It was suggested by the Chairman that all who could, had better take along a little ham and chicken). The Committee on transportation reported that several coaches would be sent to Louisburg, and that the train would leave here at 7 a. m., and that the round trip ticket would be about \$3.50. The following Committees were appointed to solicit funds with which to provide tickets for those Old Veterans who were financially unable to go: Dr. J. E. Malone, T. F. Bowen, B. F. Wilder, E. T. Cooke, Geo. Winston, H. C. Kearney, Stephen Dement, P. G. Alston, Jack Griffin, and J. G. Creekmore. It was requested that the above Committee report at Dr. Malone's office at 11 o'clock Saturday the 20th. The following Committee was appointed on Badges: M. E. Joyner, G. H. Macon, J. S. Meadows, J. E. Malone. The amount collected \$2.95 was ordered to be handed over to J. E. Malone. Dr. E. S. Foster was appointed Sergeant, Drs. O. L. Ellis and J. B. Clifton were elected Surgeons. The Association then organized themselves into a Confederate Veterans' Camp, which was named by a Committee composed of Dr. O. L. Ellis, E. T. Cooke, and E. G. Conyers. At the suggestion of this Committee, the Camp was with unanimous consent named "The Joe Davis Camp Confederate Veterans" of Franklin county, N. C. There being no other business, the motion to adjourn prevailed.

A. S. STROTHER, E. T. COOKE, Secretaries. The Joe Davis Camp of Confederate Veterans of Franklin county N. C., appeal to the generous citizens of the community in behalf of their fellow comrades who wish to attend the great reunion of Confederate Veterans at Richmond June 30th, and are financially unable to pay their Rail Road Fare. There are some of our members who wish to attend the scenes of their struggle and sufferings, to grasp the hand of those surviving comrades who stood shoulder to shoulder with them in days that tried mens souls, and at the same time commune, (as it were,) with the brave spirits of those true men who fell on the bloody fields around old Richmond. To many of them it will be the last reunion this side of the great beyond. Fellow citizens, lets help them. There was a time when they went at duties call, without money, clothes or food, and many of them remained and mingled their dust with Virginias soil. The ranks of the survivors at home are growing thinner every day, and they will not be here to answer many more roll calls. There will not be a great many to provide for, but there are some unable to pay their way who are worthy of our help and our praises. Any amount handed to P. G. Alston, B. F. Wilder, H. C. Kearney, J. L. Bowden, T. F. Bowen, E. T. Cooke, Jack Griffin, J. E. Malone, Stephen Dement, Geo. Winston and J. G. Creekmore, will be thankfully received and appropriated to the proper uses. These gentlemen will receive all contributions from their respective localities. In behalf of Joe Davis Camp, I am respectfully, J. E. MALONE, Louisburg, Com.

Personal. Jas. L. Webb, Cashier of Nashville Bank, came home and spent last Sunday. Mr. C. K. Cook is at Asheville this week attending the annual Encampment of the Knights of Pythias. Messrs. W. K. Davis, Jr., and Eugene Person, students of the Agricultural College, at Raleigh, are at home spending vacation. Mrs. Dr. H. H. Harris, of Wake Forest, spent a few days with her people here this week. Our young friend, E. F. Yarborough, Jr., who is connected with the Southern Railway at Washington, D. C., is home on a visit to his people. Col. W. H. Yarborough, who is now located at Lynchburg, Va., as a Revenue Agent, is at home here on a visit of a few days. His host of friends are always glad to meet him. Rev. Bayliss Cade was here on a visit to his relatives this week. As our readers know he is now the Chaplain of the Leavenworth, Kansas, Penitentiary. He is looking very well, and his new position seems to agree with him.

DROWNED. J. H. Upperman Jr., Accidentally Falls Into the River. Last Wednesday evening about 5 o'clock some one coming over the bridge shouting that Johnnie Upperman had fallen into the river and was drowning. At once the editor of the Times and a number of others ran to the spot, about five hundred yards down the river, where we found a number of fishing poles stuck into a steep embankment, we saw signs of where some one had slipped down the embankment into the water, which was about 8 feet deep. Jackson Yarborough, colored, who was fishing on the opposite side of the river, saw Mr. Upperman when he fell into the water, but he was powerless to assist him, and at once gave the alarm. As soon as possible the body of the unfortunate man was fished up by means of large grab hooks, and every effort possible to bring him back to life, was put forth, but it was too late (a half hour having elapsed) and the body was carefully carried by friends to the home of his parents. It was quite a sad accident, and the bereaved parents have the sympathy of the entire community. The funeral service took place from the Baptist church yesterday evening, and the remains were interred in the Cemetery, a large number attending the ceremony.

Hughes--Davis. Col. W. T. Hughes, accompanied by Mayor Person and several other friends, left for Norfolk on Tuesday morning, where on Wednesday the Colonel was united in marriage to Miss Davis, of Norfolk. The Governor of North Carolina and party, left Raleigh on a special car, Wednesday. The Times heartily congratulates the happy couple. [We will publish a full account of the ceremonies as given in the Norfolk press in our next issue, which we are unable to do this week on account of the late arrival of the Norfolk papers and limited space.]

CASTALIA ITEMS. CASTALIA, N. C., June 15, 1896. EDITOR TIMES:—Owing to the recent heavy rains the crops in this section have been considerably damaged, and are needing work. The public roads are also in a bad condition and should have attention. I had the pleasure last week to visit the hospitable town of Youngsville, and enjoyed a short stay among the clever and kind people of that not yet grown village. I made a short stop in your city-like town Saturday and Monday, and on every hand I saw signs of activity, progress and enterprise. Since my last visit there the Hotel Louis, a very handsome structure, occupies quite a long square, and it is a honor and an ornament to the town. I saw other nice buildings going up which is good proof that Louisburg is hustling. I found the crops of all kinds in your county good, except wheat and oats. The public roads, with some exceptions, were rough, owing to the heavy rains. Misses Annie Taylor and Anna Collins returned from Youngsville last week. The politicians seem to be tender footed and are moving slow at present. The Democrats have called their Township meetings next Thursday to meet in county convention on the 22nd, only to send delegates to the various conventions. They will not make any nominations at that convention for any county offices. None can tell which way the political cat is going to jump. The wheat and oat crops in this county are the poorest in many years, owing to the dry spring. Fruit of all varieties this year is almost a complete failure. The handsome stores here are nearing completion and will be ready for use in a few weeks. The lawn party and ice-cream attachment by Mrs. Terry at her residence next Wednesday evening is looked to as the toniest affair of the season. Misses Carrie and Nobia Matthews are visiting their sister, Mrs. Sanders, of Spring Hope. G. D. Taylor, of this place, a hustler and a good judge of the weed, has accepted a position with J. B. Thomas of your city. PLAIN TOM.

NOTICE. All persons are hereby forbidden to employ or harbor one Geo. Alston colored, with whom I have a contract for 1896. J. K. SPANCO.

HAIL STORM.

Great Damage to the Crops in a Portion of Franklin County. The hail storm of last Saturday night which passed over a portion of Freemans and Harris' township, this county, did considerable damage to the various crops in its range. Great damage was also done at Wake Forest. Among those whose tobacco, corn and cotton crops suffered in this county, we have heard of the following: W. C. Fuller, Alex. Frazier, Robt. Knott, Robert and Henry Ellington, Wiley Young, W. B. Hunter, J. H. Hoyle, J. A. Clifton, Norfolk Harris, P. B. Lambert, A. J. P. Harris, J. N. Harris and Nathan Odum, and possibly others. The hail stones were as large as partridge eggs, and where it drifted, the hail was said to be eight or ten inches deep. We hope that the damage will not prove as great as at first thought.
