“ONLY A BOY.”
Christian Messenger.
More than a half century ago a faithful minister, coming early to the kirk, met one of his deacons, but distressing expression.

Another Piece of Carelessness.
Another example of legislative carelessness is discovered in the office of the Secretary of State. It is an act of the Legislature to “repeal chapter 238, acts of 1889” It does not say whether the chapter in question is in the public or private laws of 1889.

There is nothing like the word of God for changing a dark prospect into a bright one.
If we do not make a good use of what we have, it is a proof that we have been given too much.

Jack—Maud wants to know why you shun her company now.
Tom—Well, the fact is, I am broke.
Jack—I’ll tell her, and you need not shun her any more.

There is Nothing so Good.
There is nothing just as good as Dr. King’s New Discovery for consumption, coughs and colds, so demand it and do not permit the dealer to sell you some substitute.

Willing to Oblige.
Conductor—Can you squeeze a lady in there?
Chorus of Delighted Males—Certainly!—New York World.

Try Electric Bitters as a remedy for your troubles! If not, get a bottle now and get relief. This medicine has been found to be peculiarly adapted to the relief and cure of all female complaints, exerting a wonderful direct influence in giving strength and tone to the organs.
