They give for the amuse Lent and interest of still visit a wizened witch doctor to your readers. They have regard to have "dead hands" exorcised from be the time of Matthew Dickinson, the witch butter, and they hunt mythical

Quite lately I was asked to visit maiden of half a century who was possessed with a "demmur." Now I know the Warrenton road. Fewknowanything loneliness, pure and simple. Her tiny more about him than what is recorded shanty, dumped down in a narrow on the stone that marks his grave. boreen, is surrounded by acres of golden That inscription as I copied it a few gorse, miles of peat land and fields o years back, being directed to the spot silky bog cotton. No neighbor, however by Mr. H. W. Edwards, whose home enlivens gray existence for poor Lizzie called a "demmur," and is treated as of Yale College and first Preceptor of profession of the Fvil One. Hence I Franklin Academy; a man of talents, found L'zzie lying on the mud floor of learning and virtue. Obiit Sept. 17, her cabin in a "stripped" conddition. On her naked breast was a penny. On This tombstone was sent from Con- the penny an end of candle. Over both necticut by the Field family to the late penny and candle rested an inverted Joel King, Dickinson's administrator, tumbler. A "wise woman" was standing gazing earnestly at her handlwork anything about the "crown of thorns;"

and muttering a charm. "An! doctor, darlint," screamed Lizzie, triumphantly, as I entered the room, "it's a live demmur! And the wise woman has located it, doctor dear. See it a-leppin' an' a-risin' into the glass."

I took in the matter at a glance. other, a quartette of brothers of wider The wise woman had first exhausted or more deserved distinction than the air by lighting her candle end and these: David Dudley Field, Stephen J. immediately covering it with a tumbler. Field, Cyrus W. Field and Henry M. This, of course, acted as a kind of cup-Field. Matthew Dickinson was their ping glass, and flesh rose into the

In vain I demonstrated on my own thority of Judge Field, of the U.S. arm burning a hole in my shirt sleeve as I did so). Lizzid saw the "too, too solid flesh" thereon following the law of suction as well as the demmur under the breast bone. But she clung to the belief in the wise woman, and I was dismissed with ignominy.

In Ireland we do not take offense at this kind of treatment. I wrote to Lizzie's landlord, Lord &-, saying the woman was growing "softe," and by return post received a fit not to pay expenses of a change for her. A short spell in Dublin worked wonders. The demmur no longer set her heart a gallopin', and "the joulting of the train

INGERSULL ON ALCOHOL.

THE COUNTY, THE STATE, THE UNION.

LOUISBURG, N. C., FRIDAY, MAY 25, 1900,

This question would be answered in the affirmative by most persons who Rev. D. C. F. Thwing, in the last number of the Century Magazine, has an article which indicates an amazing 1g- arraigument of the demon: norance of the Bible among the rising

udice against any man who manuerijys the best educational advan-Dr. Thwing gives the result of a test examination as to the Bible knowledge of boys in the Onio University an i girls in an eastern college. Twentytwo passages containing simple Biblical allusions were selected from Tennyson's poems and a freshman class of 34 men and a like class of 51 women were asked to explain them. The men were from northern Ohio, central New York and western Pennsylvania; the women from New England. They were representatives of families in the ensyment of average incomes and had had opportunities above the average, With one exception all had ecclesiastical connections. Yet the men answered but 43 per cent, of the questions correctly and the women but 49 per cent. Only one-a young woman-answered Of the 83 students only 20 knew

40 knew nothing about Cain, Esau, an equal number were entirely ignorant of Jacob's wrestling with the angel. As many as 75 "gave it up" when

all the questions correctly.

The girls did a little better than the boys, but they were still wofully ignorant of some of the best known characters and stories of the Bible.

Dr. Thwing considers the young people whom he examined fairly representative of their generation so far as Bible knowledge is concerned.

Why is there less knowledge of the bible among the people than there once pers and beggars. It feeds rheuma-

Dr. Thwing says: "The world has become a world of books, a world of magazines and a

Many persons under 60 years of age can recall a time when the Bible, "Pilgrim's Progress" and "Fox's "Christian Martyrs" constituted 50 per cent. of the family library.

The decline of family prayers is one of the chief reesons for the present ignorance of the Bible among the young, and the Sunday school has not taken the place of home instruction in the

THE NEW YORK PENDULUM.

For many years New York was re garded as the pivotal State in national elections. It was practically conceded that no candidate for president could be elected without the vote of New

That great State is not now considered being called in-my "taken" being a so absolutely necessary to the success certain red ticket-I asked: "And of a national ticket as it once was, but it is still of very great importance account of its 36 electoral votes and the large influences which stream forth judicial ermine. It degrades the from New York to every part of the

The New York World says:

"The mere fact that Mr. McKinley received a plurality of 268,000 in this State in 1896 is no guarantee that will carry it this year."

The World then calls attention to the fact that "no other State in the Union has swung from one side to the other with almost the regularity of a pendulum as has New York. In the last 20 years the Democrats have carried 10 elections and the Republicans othere having been no general election

New York's record in presidential elections is such as to encourage the Democrats this year. Never since 1860 has New York been carried twice in succession at presidential elections by

In 1864 it went for Lincoln, Republican; in 1868 for Seymour, Demo-1888 for Harrison, Republican, in 1892 for them. for Cleveland. Democrat; in 1896 for McKinley, Republican.
