Hawaii being now part and parcel of this great republic, it goes without say-ing that all good Americans, without MARMA, Aug. 25.—In the city of Manila there the now less than one thousand effective soldiers, and it has been decided to increase this number and it has been decided to increase this number. This great republic, it goes without say-ing that all good Americans, without regard to politics or religion, wish that and it has been decided to increase this number by four companies of infaniry. The official reason for the increase is that the guard duty is too beavy for the present force. As a matter of fact, however, there is a feeling that, although there is no appurent prospect of trouble, nevertheless in the event of an uprising in the future, such as is always possible among the Malays, it would be better to have a sufficient body of troops available. our new fellow citizens out there would deport themselves in such proper man-ner as to demonstrate their worthiness her as to demonstrate their worthiness for the high vocation to which they are called. On the contrary, however, they appear to be determined to prove their utter unworthiness and to show that we made a wonderfully bad bar-The Danish West Indies.
