Coming Elections. [Special Washington Letter.] This, according to Republican papers

and orators, is another era of good feeling, putting to blush that era of good feeling which characterized James Monroe's second term. At Towanda, I'a., in bur joint lecture on politics Congressman Landis harped on that theme perpetually, but the harmony

now prevailing in the Republican party, like the peace of God, purseth all inderstanding.

It's a far cry from any sort of goddess, ancient or modern, mythological. or otherwise, to General Russell A. Alger, late secretary of war; but, nevertheless and nothwithstanding, he is

playing most successfully the role of that indignant goddess who, not being invited to the feast, interrupted the

harmonious proceedings by easting the apple of discord into the midst of the revelers. It was cruel of Alger, too-

the time he selected to precipitate a riot. Just as the air, or, more properly | not only a most delightful man socially.

feeling," and just as the easy boss, on anything. And he has set it and set lishing to an expectant world the imner with the occupant of the White House, and while the Schley court of inquiry was fixing to condemn Schley for thrashing the Spaniards, and while another court was fixing to whitewash the great Philippine Hemp company, Alger, with a nerve that is colossal, with a recklessness that is appalling and with a sang froid that is amazing, sets all the world by the ears by pub-lishing a book which will precipitate ship subsidy bill, which should never

half a dozen new feuds, half a dozen new courts martial and raise Cain genpass-never. erally. Really Alger ought to have waited till coldest winter to raise the

new era or good

lid on the cesspool which gives forth such borrifying stench. He ought to be prosecuted for cruelty to animals. Why do not Alger, Miles, Eagan and the rest of the yawling, howling, caterwauling Republicans give the public a rest by retiring to some cool and se-

questered spot and putting in a little ason committing to memory that heautiful psalm which begins "Behold, how good and how pleasant it is for prethren to dwell together in unity"or "mutiny," as one brother made it

Miles says Alger's administration of the war office was rotten as the beef pulp he furnished Miles' army. Alger retorts that Miles is a liar, and so it goes in this happy family in this era of good feeling. If this is done in the

green tree, what will be done in the

Wants to Be "It." Hon. Seth Low appears to be ambi-tious to be the political "It" in New York. According to his philosophy, pelitical Reform-always spelled with a big, big B-begins and ends in his election to the mayoralty of New York. which he fondly believes will lead to the governorship of New York and finally-glorious consummation!-to the White House. Those two supereminent reformers, Hon. Thomas Collier Platt and his understudy, Hon. Lemuel Ell Quigg, are whooping it up for Seth, evidently believing that they will control the pie counter when Seth mes into his kingdom, which will be just after the last note of Gabriel's rumpet dies away on the startled alr

of the great judgment day. Too Bad! The much vaunted era of good feelng among the Republicans appears to e about to end in an era of wool pull-

ing, and it's a pity that all the bad blood now being generated comes from ap abnormal appetite for pie. Over in Illinois the Republican angry passions are rising rapidly because Uncle Shel-

y M. Cullom, with a smile that was ildlike and bland, grabbed the first dece of pie, the very first, from Pres-dent Roosevelt, and a whaling big lene it was, too, and, worst of all, be gave it to his son-in-law Ridgley. So epotism is to be added to Uncle Shelby's sins. Whereupon young Governor Dick Yates wexeth wroth and oils up is machine to bust the era of G. F. Meanwhile and simultaneously Mr. Dawes re-enters Suckerdom with his enutorial bee buzzing so loud that all men may hear, especially Billy Mason, who, having greased up his hyscin-thine and leonine locks, is down in southern Illinois-Egypt, as it is local-ly known-klosing bables, discussing
