The Achievements of the Anglo Saxon; The Diffusion of Thought; The Ad vance and Extension of Civilization: The Rise of the People.-The Menace of the Republic, and its Cure. -A Vision of North Carolina.

ORATION OF ASSOCIATE JUSTICE WALTER

the Anglo-Saxon upon these shores, water. and the worth of the address itself, surpassed by a North Carolinaian, we July 24, 1902:

ginning of that imperial race which all succeeding ages. HERE DEGAN THE GREATEST MOVEMENT

OF THE AGES. Standing here we see the spot where first began on this continent the great race which in the New World in three hundred years has far surpassed in extent of dominion, in population and power the greatest race known to the Old. Farther than the imperial eagles ever flew, over more men than its do minion ever swayed, with wealth which dwarfs its boasted treasures, and intelligence and capacity unknown to its rulers, this new race in three centuries has covered a continent, crossed | man first began to stand apright in the mountains, traversed great plains, scaled

Equipped with superior advantages and ample capital, we intend to make every pound of tobacco placed on our floor

> VALUE. FULL BRING

This is no idle boast, but every word of it is the truth, and a trial will convince you beyond all doubt. Our Mr, Parham is an experienced tobaccomist and knows the business in its every detail. He has been engaged in the business for years and has represented some of the largest buyers in the world on the markets of the State. The Louisburg market is fortunate in having him to engage in business here, and planters may feel assured that he will protect their interest when their tobacco is brought to our house. Don't laytra to the cheep talk of competitions and their agents, but try us and be convinced that we can sell your tobarro higher than any other house, no matter where located Our force is: Book-keeper, A. W. Alston, Auctioneer, George McGhee. Solicitors, Irvin Green, J. T. Hart, Vernon Birthardson, Morgan Gupfush John Peley, W. Battle and R. P. Taylor. Weigher, E. S. Ford, who will be glad to see their friends at all times.

PARHAM

P. S .- Louisburg has grown natif it is the largest market by all this section for the sale of Louis Telescon-Tobacco Co., who use 8 mammeth bounce to take care of the brisance bought by their burne, Mr. St. J. Parkins, we this market, Tobacco Co., with Mr. C. B. Cheatham as their buyer with a risam plant of Strike separity per due, Mr. Pienring who represents and last but not least, Col. W. T. Hughes, the speculator and expecter who have no much arbanes as any of the real and who is become a pipoper tobacco man throughout this section. He also have a starm plant and elements with a sequence of Million his per flar a sign of the whole matter is that a small market count compete with a market that has the advantages that Louisianing has. Even's set tobacco at home, but bring it on to Parkam & Ford and be garned of German Wanglam, Politic accomplish and the very highest grown in any other market affords.
