forces were not so well organized as

may repeat itself in this regard in 1904.

Uncle Mark Hanna has several times

declined to be a presidential candidate.

It is only fair to assume that he is

honest in his declarations. Nevertheless

the following dispatch from Louisville

determined to run him whether he will

President McKinley expected Marcus A

Hanna to succeed him as president of the

United States. This information was giv-

en out tonight by Perry Heath, who is in

Louisville spending Christmas with his wife. Mr. Heath said:

House just a few days before President

McKinley went to Buffalo. I had a long

presidential election and the conduct of

the Republican party in general. During

ing of the man who was to succeed him,

said: I expect to see my friend and asso-

ciate Marcus Hanna, the next president

of the United States. I believe he will be

nominated and elected.'

owing day, and the next day thereafter

he was shot in Buffalo. It was his firm

conviction that he would live to see Hanna

president. I know that he died with that

Continuing, Mr. Heath said: "Hanna does not want the office. That does not

mean that he does not want the nomina

tion. I say he does not want the office.

started his boom for president in Lon-

Presidential Possibilities Are Multiplying s s s Missouri Wit and Genius & & &

because he resided in a prison and wore URING Christmas times there striped clothes. So he set him up a were things doing besides still and proceeded to produce a small making presents and producquantity of the cup which both cheers ing dyspepsia. In the line of and inebriates for personal consumppresident making it was somewhat tion. He used as a "worm" an old lively. The Cincinnati Commercial musket barrel which did service as a Tribune puts both Secretary of State poker. For material he saved up John Hay and Governor General Wilpieces of corn bread from his rations. liam H. Taft, now of the Philippines, of which he made a "mash." How soon to be secretary of war, in the lists. long he had been conducting his moon-Taft is an Ohioan, and Hay is an exshine establishment is not known. He

A Pithy Paragraph. Some folks think that only the metro politan papers are worth quoting. have before this frequently reproduced good things from the country press. They occur frequently. It would puszle any highly salaried metropolitan editor to produce a pithier paragraph than this, written by one of my con-January meeting of the Democratic state stituents, John Beall, editor of the Mexconvention by a resolution which will ask ico Message. Every citizen of the republic should commit it to memory or that New England may go to the national convention united for the Massachusetts paste it in his hat for ready reference.

came to grief at last by getting his

lariously drunk. Had his ingenuity

been turned into-better channels be

might have accumulated a fortune.

If you don't feel an interest in politics time you did. Every citizen in a repub lic is a king but if he will not interes himself in public affairs, not even far enough to cast his vote, what shall we call him? Our republic cannot be maintained with a citizenship like that

Another Richmond.

If there is anything in the ancient dicfrom New York that great pressure tum, "In multitude of counsel there is was being brought to bear on Hon. wisdom," surely the Democrats are in Charles F. Murphy, the big chief, of luck so far as selecting a presidential Fammany, to declare for William candidate is concerned. Randolph Hearst for president, and the | cratic editors are busy selecting, and pressure was sufficiently strong to in- many Democratic statesmen are indulging in the same luxury. In fact, Republican editors and statesmen, not having troubles enough of their own and scorning all the inhibitions against mixing up in a family fight, from time to time lend us their disinterested aid in selecting a Democratic candidate. If the average citizen were sent out to gun for a Democratic paper he would never even by accident take a shot at the Washington Star. Nevertheless in an elaborate editorial, entitled "Why Not McLean?" it sets forth to the best advantage the great Cincinnatian's good points. Here is its opening parastrength of the men whose eligibility is | graph;

John R. McLean, through his newspe At the present juncture New York per, the Cincinnati Enquirer, has recently spoken a word of praise of Mr. Cleveland another of Mr. Olney, another of Mr. Gor through with the presidential question will compliment other prominent aspirant for his party's nomination. But whe would he say if Miss Democracy, in the say to him, "Why don't you speak for

whip hand among Republicans, but among Democrats it seems to be at yourself, John?" And why not? this writing anybody's fight. Hearst's Then, with a great show of enthusisupporters, judging by the usual signs, asm, the Star expatiates upon Mr. Mchave the best and most extensive or-Lean's position on the various ques ganization, and, as a rule, the best ortions of public interest and finds him ganization wins in presidential nominations. The strongest man has more

And waste its sweetness on the deser shows that Uncle Mark's friends are There are divers men wearing their lives away in comparative obscurity special column in a great metropolitan daily, would become world famous. One of these is Isaac Newton Bryson, Jr., the philosopher of the Louisiana (Mo.) Press-Journal. Here is a paragraph from his paper, than which Mark Twain himself never wrote a richer bit of humor:

> A curious London student hanged himself to experience the sensation of hang-ing. He meant to cut himself down behis knife open in time. He got the sensation all right, but nobody will ever know

Clear Desk Won Success. The following excerpt from the Phil-

Raffroad circles as well as a large portion of the general public were greatly interested in the resignation of W. A. Garrett from the general superintendency of the Philadelphia and Reading railroad a fwe months ago to assume a more important position with the Queen and Cres-cent road. Mr. Garrett's rise in the railroad world has been phenomenal, but one little story which he himself told to a neighbor hints at the secret of it all.
"When I first went into the raffront business as a young man," said Mr. Gar-rett, "I was called aside by one of the other clerks, who said to me: New Garrett, let me give you a tip. You want always to keep your desk littered with pa-pers, so that when the old man comes around he will think you are terribly isy. Then he won't pile any more work on you.' Well," continued Mr. Garrett,
