New York's Big Crop of Democratic Presidential Timber. The Two - thirds Rule --- Gaines on Judge Parker :: ::

the court of appeals.

man in perfect health

#

T the present time the Democratic presidential fight seems to be anybody's fight. The convention would exhibit a great deal of wisdom by nominating Senator Parker was the strongest man the Demo-Cockrell of Missouri. The prevalent crats could nominate. I returned to Wash idea that we must go to New York for a candidate seems to have stirred up the denizens of that state to an unusual degree. Besides Parker and Parker's Personality. Hearst, who are avowed candidates, it is generally supposed that Mr. Mur. the personal appearance of eminent phy has Mayor George B. McClellan people. Therefore the following bit of in training for the place. There are gossip from the Washington corre-

[Special Washington Letter.]

those who believe that David Bennett spondent of the Philadelphia Press Hill would not throw a nomination over his shoulder if he could get one. It is suggested that there is still another New Yorker of renown who feet, broad shouldered, weighing almost measures up to the presidential stature | 200 pounds. He is physically active, walkand who might be sprung on the con-O fice Oper The Green & Yarboro Co,'s vention at an opportune time and might get away with the nomination. This is ex-Senator Charles A. Towne. formerly of Minnesota, now a Tam-PRACTICING PHYSICIAN AND SURGEON. many brave. He is one of the most brilliant men spoken of in connection with the place. He is a clean man, and everybody who knows him knows him favorably. The convention might go further and fare worse than to take Towne, but if New York candidates keep on developing every New Yorker Office over Aycocke Drug Co.'s drug store will have a candidate of his own. They pop up like mushrooms in a damp cellar, but the very numerousness of the

New York candidates may defeat them The recent mental activities of a certain ex-New Yorker, nameless here forever more, would seem to indicate that he would not object to a nominapresidential situation is as uncertain would not be wise to repeal the twotest for a nomination.

Wagon Roads. . The subject of wagon roads is attracting more attention now perhaps than at country. Mr. Secretary Wilson is largely responsible for this agitation. The Brownlow bill has also had a good deal to do with it. The Scientific American recently contained a very able editorial on the subject, from which this

At this time of the year, when the fros a coming out of the ground and nearly towns are long lines of mire, one cannot help wondering when considering the subis not mucker to respond to the appeals does not push the adoption of a system of office over Boddie, Bobbitt & Co.'s drug but slight expenditure for repairs. Nearly seven years ago the office of riculture conducted experiments with steel rails for use on country roads and made arrangements with a large steel works for the rolling of suitable rails for this purpose. At that time the eight inch rails Will practice in all the Courts of Franklin for a mile of steel roadway, weighing about 100 tons, could be purchased for about \$3,500, and the price has not intwo miles in length between Valentia and Grao, Spain, had then been in use for five had shown splendid results; yet the United States did not and has not as yet profunprogressive foreign country, and we Office on Main street, over Jones & Cooper's

Gaines and Parker.

represents the Hermitage district in | ing up now. Tennessee. Gaines believes in getting knowledge at first hand. Consequently not long ago, in search of information. he went to see Judge Parker in person, and here is the result of that momentous visit as recorded by the Washington Post:

Hon. John Wesley Gaines of Tennessee has just returned from Esopus, N. Y., where he visited Chief Justice Alton B Parker of the court of appeals and pro-
