## Rheumatism Start the New Year Off Right By Trading With Us.

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor burn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pang of this deplorable disease.  
 In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I uniformly cure all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend.

 This Question Should be Answered Easily by Louisburg People.

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

Wm. Murphy, living on Nash St., Louisburg, N. C., says: "I have had occasion to use Doan's Kidney Pills in my family and they have given entire satisfaction. My wife had been suffering from distressing pains in the region of her kidneys for a long time. Doan's Kidney Pills were so highly recommended that I procured a box for her and she began their use. The backaches soon ceased and she has not complained of any of these troubles since. I take pleasure in recommending Doan's Kidney Pills to anyone suffering from backache or kidney trouble."
