

**LOCALS.**

—We will appreciate every person giving us some items for this department.

—Look after your advertising and keep everlastingly at it is the way to succeed.

—A plenty of printers ink properly used is a guarantee of the success of your business.

—The washboard factory is still doing a good business. Why not start some other enterprises.

—Chief Cooke is having some very nice and much needed work done on Main street in front of the Mayor's office.

—A man doing business without advertising is like the one who waves at a pretty girl in the dark—he knows it, but nobody else does.

—A large number of our citizens left yesterday to attend the inauguration exercises and the meeting of the Masonic Grand Lodge in Raleigh.

—Company F. left yesterday morning on a special military train together with several other companies for Raleigh to attend the inauguration of Gov. W. W. Kitchen.

—In this issue will be found a change of ad of the McGhee-Joyner Co., in which it offers a most pleasing line of White goods, laces, etc. You will do well to read their ad.

—Let our people get together and hustle that our town may continue to thrive. Don't talk dull times but laugh at others who do, and thereby keep up a good spirit.

—In this issue Mrs. M. C. Henley invites the public to watch her space for a big announcement that will appear next week. We have been given a little idea as to what will happen and can easily say that there will be bargains for all.

—The Junior Reserves met in a regular meeting here last Friday night and held a very enthusiastic meeting. It was ordered that a regular meeting be held every Friday night and it is the desire of Corp. S. R. Holmes, organizer, that every member be present at as many of these meetings as possible.

—We do not claim that all the good of this department goes to the business men alone, or even shows directly, but we do claim that it helps the town, the business men and everybody connected therewith. In this the merchants who advertise receive a double benefit therefrom, as what helps the town is necessarily bound to help every business therein. Better think this over before allowing it to drop.

—A certain fourth class postmaster recently became tired of his job and wrote the following letter to the Postoffice Department: "We hereby resign the postmastership, with all the emoluments and glory that are in an office of this kind, leaving a good opening for some ex-Congressman or other high official out of a job, who can live on wind and nutriment of licking 20 cents' worth of stamps a day. We will also go on their bonds if they come supplied with unwashable shirts and reversible collars."

**BLOCKADED.**

**Every Household in Louisburg Should Know How to Resist It.**

The back aches because the kidneys are blockaded. Help the kidneys with their work. The back will ache no more. Lots of proof that Doan's Kidney Pills do this.

W. T. Womble, 636 E. Hargett St., Raleigh, N. C., says: "I have used Doan's Kidney Pills and found them to act up to all the claims made for them. I suffered a great deal from kidney trouble. My back ached constantly and dull pains through my loins made it almost impossible for me to sleep at night. The kidney secretions were very frequent in action and from this trouble I knew that my kidneys needed attention. Procuring a box of Doan's Kidney Pills I took them as directed and it was not long before they cured me. I can speak very highly of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other

If your Stomach, Heart, or Kidneys are weak, try at least a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the Stomach, nor stimulate the heart or kidneys. Dr. Shoop's restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by The Boddie-Perry Drug Co.

Dr. S. Kappert will be in Louisburg at the Louisburg Hotel, Tuesday and Wednesday, January 26th, and 27th, for two days only. Remember that you pay nothing for examination of your eyes in buying glasses of me, and I furnish only the best quality glasses at moderate prices.
