

LOCALS.

—Dr. A. R. Winston reports the folks distressingly healthy.

—Mr. J. O. Green killed twenty five hogs which netted him 4,712 pounds.

—It is rumored that Franklinton is to have in the near future an up-to-date hardware store.

—Mrs. Eliza Joyner and Mrs. R. B. White left Tuesday for a few days visit to Mrs. T. C. Harrison, at Weldon.

—The crossing on the Winston and Pearce street is now completed, and ready for both pedestrians and teams.

—The big sale at Mrs. Henley's is still in progress and the people are flocking to get the great bargains offered.

—Sheriff H. C. Kearney has been right sick since Wednesday of last week, but we are glad to know that he is improving.

—Mrs. O. D. Burnett has had a severe attack of cold and neuralgia in the head. At the present writing she is not any better.

—His friends are pleased to learn that Mr. Jno. C. Winston, who has been confined to his room for several days, is improving.

—Our young townsman, Otho W. Hicks left this week for Raleigh, where he takes a position as local reporter for the News-Observer.

—The new school house, near Pope's, is nearly completed. It is a very substantial building, and is being erected by J. H. Whitfield.

—The Women's Missionary Society of the Franklinton Baptist church are observing the week of prayer—meeting each day from four to five p. m.

—The street committee desire to extend their thanks to Chief A. B. Cooke, for the excellent and unselfish aid he has rendered them in their work upon the streets.

—Quite a number of new names have been added to our already large list at Franklinton, since the new year, and a number of old ones have paid up. But still THERE IS ROOM.

—J. H. Wheeler, who has been working with the Henderson Cotton Mills for the past three years, will move back to Franklinton, and take a position with the Sterling Mills.

—Our reporter of "special events" says that there are several "young bloods" on the anxious matrimonial bench but as yet have been unable to convince their "betters" that they are "it."

—Mr. H. E. Pierce, Chairman of the street committee, is having the streets of the town very much improved. He is putting in terra cotta piping in sewers on all of the principal streets.

—Some of our best gardeners are planting the hardier varieties of vegetables and we prophesy the prediction that these same vegetables will be under cold glass windows before the spring time comes to stay.

—Mr. Wm. Joyner, manager of the Standard Oil Tank, is making quite an improvement around the Tank by putting in terra cotta piping. This will do away with the old bridges which have been an eye sore for some time.

—The following ladies and gentlemen from Franklinton went to Raleigh Monday night to see "Calve": Misses Mattie and Nena Ballard, Mabel Vann, Mrs. T. W. Whedbee, Mrs. J. S. Morris, Messrs. B. W. Ballard, E. J. Cheatham, A. H. Vann, W. D. Morris.

—The father and mother of Prof. E. E. Sams and his sister, Miss Robbie, left Monday on the Shoo-Fly for Raleigh, where they spent the day with Miss Bessie Sams at the University for Women, from whence they go to Marshville to visit another daughter, Mrs. Ashcroft.

—An attempt was made one night this week to break into the dwelling house of H. P. Pearce, who works in the cotton mill. It was early in the night, before the family had retired, and Mr. Pearce, fired at two

men as they ran off. He was unable to see whether they were white or black.

—The Baptist church at Youngsville has been making an effort to raise sufficient pastor's salary to have preaching two Sundays in each month. We are informed that they have accomplished their purpose as that hereafter Pastor Justice will have just two churches, each claiming half of his time.

—Attention is directed to the change of Mrs. M. C. Henley's "big sale" advertisement in this department. The ladies, as well as the men who have to buy such articles for their wives and daughters, who fail to avail themselves of the great bargains that this good woman is offering, will miss an opportunity they will not have again soon.

—The attention of our readers is directed to the advertisement of the B. W. Ballard Company, which appears in this department. The manager, Mr. B. W. Ballard, is too well known by the people of this section to require any commendation at our hands, but it is our desire that every one who intends making a crop this year, whether he wishes to buy for cash or on time, shall read carefully what this reliable gentleman has to say in this advertisement.

Personal.

Miss Effie Vines and Mr. Amos Cheatham, of Youngsville, were among the visitors in town last Friday.

Mrs. Kern, who has been visiting her daughter, Mrs. L. C. Pirie, returned this week to her home in Salisbury.

Mrs. Celestia Smith, who has been visiting her sons near Franklinton, returned yesterday to her home in Raleigh.

If your Stomach, Heart, or Kidneys are weak, try at least a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the Stomach, nor stimulate the heart or kidneys. Dr. Shoop's restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by The Boddie-Perry Drug Co.

This is one Louisburg woman's testimony.

Mrs. A. W. Alston, Church St., Louisburg, N. C., says: "I am well pleased with the benefit I derived from Doan's Kidney Pills. I suffered severely from dull, nagging backaches and distressing pains through my kidneys. I could not rest well and in the morning I felt lame and devoid of strength and energy. When Doan's Kidney Pills were recommended to me, I obtained a box and used them in accordance with the directions. They soon relieved me of the backaches and pains and I have never had any return of the trouble since. I am pleased to testify to the great merit of Doan's Kidney Pills."

Farmers Supply Store Announcement!

THE B. W. BALLARD CO., again greets you. Our business last year exceeded our most sanguine expectations. We thank our friends for their patronage in 1908 and we want your business for 1909. We have ample means to pay cash for all the goods we buy. Our business is run on small expenses. This enables us to sell goods on very close margin for cash, and on very reasonable terms ON TIME. We carry everything in farmers supplies—Meat, Flour, Lard Sugar, Coffee, Molasses, Corn, Oats, Tobacco, Snuff, Soap and small groceries. Cole's Cotton Planters, Shovels, Forks, Nails, Horse and Mule Shoes.

GUANO We sell Raleigh Standard, Old Dominion, Hornes Best, Fly, Sixteen per cent Acid Phosphate, Kaint, Nitrate Soda, Cotton Seed Meal. Don't forget while we sell goods very low for cash, we want your TIME BUSINESS. To those trading with us on time. We will furnish them the cash to buy such articles that we do not carry. Make a note of this. Time customers who give us mortgages, or who have orders from their Land-lords, or others that we approve, we will buy outside for you such goods as we don't carry at cash prices. Don't forget this. Our competitors will tell you that you can't get all you want from us. Again thanking you for your kindness and wishing you great success and happiness. Yours very truly

The B. W. Ballard Company

P. S. If during the year our TIME CUSTOMERS get in "hard place," and need a little cash, you can get it from us.

HORSES and MULES

The largest and best collection of sound young Horses and Mules ever shown under our roof in Louisburg.

NOW IN MY BARN

More good mated teams than ever before. I am told by wholesale dealers that the supply of good mules, with quality, will be shorter this year than ever before. Be quick and buy now. You will pay the same price later and not get the quality. Farmers living around Castalia, King's Hill, Ransom's Bridge, Kittrell, Wilton, Franklinton, Youngsville, Wake Forest, Rolesville, Wakefield, Pilot or Loafers Cross Roads, Springhope or any other vicinity, can very well afford to take a little more time to come to Louisburg to get their mules and horses, where they can get more quality at a little less price than they could possibly expect of a small dealer who handles only a few head in a whole season. My trade reaches out further every year. Responsible parties entitled to credit can get as good accommodation here as they can from their neighbor.

WAGONS! WAGONS!

I have every size—1 and 2 horse, light and heavy, Iron Axle or Thimble Skin, and can equip you with the whole outfit, including Harness Breching, Bridles &c.

BUGGIES & CARRIAGES

My 1909 supply will begin to arrive in a few days. My guarantee means something.
