—Mrs. J. L. Sullivan, mother of Mrs. N. A. Black, died suddenly yesterday morning between the hours of 2 and 7 o'clock. She was on the streets on Monday afternoon and from all appearances was enjoying perfect health. She was spending the night with Mrs. J. H. Henley, which she had been doing for some time as a companion, and we learn that she was up and arranged the cover on Mrs. Henley's bed about 2 o'clock at night—she and Mrs. Henley were occupying the same room on separate beds, and in the morning when Mrs. Henley awoke she, thinking that Mrs. Sullivan, who had been in the habit of rising early had overslept herself went over to her bed to awake her, when she found that she was dead. Mrs. Sullivan leaves a husband and five children. Her remains were taken to Shelby last night on the 2 o'clock train for interment today, and were accompanied by Mr. and Mrs. N. A. Black.

Farmers living about Castalia, King's Hill, Ransom's Bridge, Kittrell, Walton, Franklinton, Youngsville, Wake Forest, Rofesville, Wakefield, Pilot or Loaders Roads, Springhope or any other vicinity, can very well afford to take a little more time to come to Louisburg to get their mules and horses where they can get more quality at a little less price than they could possibly expect of a small dealer who handles only a few head all the whole season. My trade reaches out further every year. Responsible parties entitled to credit can get as good accommodation here as they can from their neighbor.
