—Rev. Raymond Browning, of Littleton, will deliver the first sermon of the series of meetings, to begin in the Methodist church here, next Sunday afternoon at 3:30 o'clock. The night services will begin at 7:30 o'clock, but at this writing no definite time had been set for the morning services.

—All members of the Junior Order are especially requested to be present on Monday night, February 22nd as important business will come before the order. There will be no meeting on Monday night the 15th on account of the protracted meeting that will be in session at the Methodist church.

—We are requested by Capt. I. H. Kearney to state that all members of Company F. are ordered to meet in their armory in Franklinton on the morning of March 5th, dressed for inspection and that no excuse will be taken for non attendance. Also that a drill is ordered for Friday, February 19th, at 8 o'clock and every member is requested to be present.

—Sergeant A. R. Holmes informs us that the Junior Reserves are getting along finely and now has a membership of twenty-three, but also says "there is room for more." It is the desire of Serg't Holmes and Capt. Kearney to arrange so that they may go with Company F. on the next encampment and to do this it will require a little cash, so if any of our citizens wish to lend encouragement to the younger boys you may see either of the above named gentlemen who will gladly receive your donation.

—On Sunday night at their home near Grassoms, Messrs Willie Ray and Arthur Jackson were called from their room and shot by an unknown person. It seems that early at night some one knocked at the door and Ray went to see who it was and upon opening the door he received a load of shot from a gun in the right side then Jackson ran to his rescue and upon reaching the door he also received a load in the leg. Information reached here yesterday that while Jackson was not much hurt, Ray was very seriously injured. At this writing no clue as to the guilty party has been obtained.

—On Wednesday night of last week, Miss Bessie Evans gave a party to a number of her friends in honor of her birthday, at the home of her father, Mr. E. H. Evans, near town. An old time square dance was indulged in, together with many other amusements, after which refreshments were served to the de-

light of all present. There were two prizes voted to the young lady and gentleman who were most liable to remain an old maid and an old bachelor, those receiving the prizes were Miss Kate Wilder and Mr. J. R. Cooke. The prizes were a nice box of candy each. It was a very enjoyable occasion.

## The Store of Quality.

The McGhee-Joyner Company, of Franklinton, having adopted the name of theirs as being "the Store of Quality," and laying claim to the fact that they are owners of "Franklinton's Biggest and Best Store," are proving to the readers of the TIMES, and especially of this department that they intend to make their claim good. They have the goods the people need and must have, and as will be seen from their advertisement in this department, they are offering them at such prices that everybody can buy without embarrassing themselves in the least. The members of this firm make it a point to please and benefit their patrons, and their excellent and very polite corps of salesmen, have been more than once spoken of very highly to this writer. But before we forget it, we want to say to the ladies that they should go to the big sale of laces, embroideries and other things that is now going on.

If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation its taste will be entirely new to you—unless it is already your favorite Cough Remedy. ## FRANKLIN TIMES

\$1.00 PER YEAR

The largest and best collection of sound young Horses and Mules ever shown under our roof in Louisburg.

## NOW IN MY BARN

More good mated teams than ever before. I am told by wholesale dealers that the supply of good mules, with quality, will be scarce this year than ever before. Be quick and buy now. You will pay the same price later and not get the quality. Farmers living at the Castalia, King's Hill, Hanson's Bridge, Kittrell, Wilton, Franklinton, Youngville, Wake Forest, Rolesville, Wakefield, Pilot or Leaswell Roads, Springhope or any other vicinity, can very well afford to wait a little more time to come to Louisburg to get their mules and horses where they can get more quality at a little less price than they could possibly expect of a small dealer who handles only a few head the whole season. My trade reaches out further every year. Respectable parties entitled to credit can get as good accommodations here as they can from their neighbor.

## WAGONS! WAGONS!

I have every size—1 and 2 horse, light and heavy, Iron Axle, Thimble Skin, and can equip you with the whole outfit, including Harness Breching, Bridles &c.

## BUGGIES &amp; CARRIAGES
