Delightful Entertainment.

"Into each life some rain must fall," so says the poet, but thanks, we say, the rain is not all. A great broad ray of sunshine struck our town on Wednesday evening the 5th inst, when Miss Katiebet Morris came home from the Womens University at Raleigh, bringing with her three of her good friends, to wit; Misses Minnie Haynes, Grace Rogers and Phillis Woodall, to be her guests. They were not only very charming young ladies, but they are artists each in her line, and for an hour and a half at the School Auditorium on Wednesday evening they entertained an audience that will always remember, with piano solos, recitations and songs, Misses Woodall and Morris playing accompaniments. Miss Haynes has a voice of extraordinary power and scope, and when she sings a melody it is soulful and sweet. Miss Grace Rogers must have been christened after she began to recite, so well does her manner on the rostrum correspond with her name, and her selections were of such variety as to convince one of the breadth of her talent.

This was not Miss Woodall's first appearance here and the waiting public had anticipations, had hopes, and they were not in vain. That old and sweetest of all musical instruments that absorbed the skill and talent of a Stradivarius became a plaything in her hands. She waved her bow like a princess of music summoning her chorus girls to her presence and right readily did they respond. She followed the little string a way up to the bridge and awoke the birds on the highest branches and made them sing. She swept across the chords and gave a concert to the people in the middle row and then went down to wake up some grumbler in the basement, to come forth and join the celebration.

She played an old air that folded up the years and sat upon them and told us we were young again and we believed it. There's nothing like a fiddle to take along when you are searching for yourself.

The Ladies Aid Society is indebted

to these young ladies and to Miss Morris who was responsible for their being here, since the concert was in behalf of the work of the society and was given without charge or division of profits.

If your stomach, heart or kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the Heart or Kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. It's success is leading druggists everywhere to give it universal preference. A test will will surely tell. The Boddie-Perry Drug Co.

NATURE'S WARNING.

Louisburg People Must Recognize and Heed it.

Kidney ills come quietly—mysteriously,

But nature always warns you. Notice the kidney secretions.

See if the color is unhealthy—If there are settlings and sediment, Passages frequent, scanty, painful.

It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in this locality.

Mrs. H. S. Cox, 223 W. Jones street, Raleigh, N. C., says: "For a considerable length of time my kidneys were very weak and I was caused a great amount of annoyance by the frequent passages of kidney secretions. My back ached constantly and I had dull pains across my loins, so severe at times that I was hardly able to get about. Two boxes of Doan's Kidney Pills, completely cured me and since that time there has never been a return of the trouble. I endorse this valuable specific for kidney complaint in the highest terms."
