Georgia Prohibitionists to Prosecute Because of Whiskey Advertisements.

At a meeting of the trustees of the Georgia Anti Saloon League held in Atlanta recently it was decided to prosecute all newspapers in the state which carry whiskey advertisements, on the ground that these papers are hired agents and solicitors for whiskey houses.

The Georgia prohibition law expressly forbids the soliciting of orders for whiskey in any way. Judge W. A. Covington, attorney for the league, was ordered to prosecute the papers at once. Superintendent Richards of the league in speaking of these papers said:

"They are violating the law in carrying whiskey advertisements, and we feel sure our prosecutions will result in convictions. In fact, we have been told by high officials that such prosecutions would undoubtedly be sustained in the courts."

Cedar Rock Items.

Our farmers are very busy getting ready to chop cotton, some are chopping. The tobacco planters are waiting for another nice rain to get to work.

Miss Elizabeth Stallings left last Tuesday to attend the Oxford commencement.

Miss Mary Sykes, of Bunn, spent last week with her sister, Mrs. T. H. Sledge.

Rev. G. M. Duke filled his regular appointment at Cedar Rock Sunday.

Mr. Robt. Jones, of Katesville, spent Sunday on the Rock.

Miss Annie Culpepper, of Spring Hope, spent Saturday and Sunday on the Rock, guest of Miss Iva Culpepper.

Right many of the girls and boys around here attended the Masonic funeral at Sandy Creek Sunday and all report a large crowd and a good sermon.

We gladly welcome Mr. E. W. Gupton and wife back in our community. They have been keeping boarding house at Raleigh for the past five months.

My best wishes to the Editor and the good old FRANKLIN TIMES.

Flourishing Sunday School at Moulton.

The good people of the Moulton section met on May 2nd and organized a Sunday School at the public school house, with the following officers: Superintendent—J. B. Smith; Secretary—T. J. Pernel; Treasurer—Willis Lassiter; Teachers No. 1.—Zanie Inscoc, No. 2.—W. H. Mosley; No. 3.—Mrs. E. N. Harris; No. 4.—W. L. Tharrington.

Only those who were not attending any other Sunday School were asked to join, and the first day forty-two handed in their names, which number has since grown to over fifty—at least forty of whom never attended a Sunday School before.

On the 9th of May we had the pleasure of having Prof. Sneed, our free school teacher with us, and he made us a good and encouraging talk—offering a prize for the scholar that proved the most regular attendant.

The older people as well as the young people are taking much interest in the school and we have bright prospects for one of the most successful Sunday Schools in the county. We are not running against any other school or church, but only trying to help along the Lord's work, and everybody in the neighborhood is cordially invited to join in and help us. We have preaching every third Sunday.

The school meets every Sunday morning at 10 o'clock, except on the 2nd Sunday, when it meets at 3:30 in the afternoon. Come and meet with us.

I suffered from kidney and bladder trouble for a long time, the kidney secretions being very unnatural and contained a sediment. My back ached constantly, I had pains across my kidneys and although I used many remedies, I did not succeed in finding relief. I finally obtained Doan's Kidney Pills and it required but the use of one box to relieve me and make me feel better in every way. I will be glad to repeat what I have said for publication to any person who calls upon me."
