Judging from the way the farmers are hauling out flues from here, they will have some of the weed ready for market soon.

Our boys gave perfect support—Underwood pitching for Youngsville and Brantley for Wakefield, both pitched good ball, the score being 5 to 2 in favor of Youngsville. Batteries for Youngsville, Underwood and Winston H., Wakefield, Brantley and Massey.

Our people will ask for an election on the special road tax the first Monday in August. Do not know when the commissioners will call the election. The people of the Township seem to be very much interested in good roads at present.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cases, but one that grows back to flesh and bone. It is impossible for me now to feel the pains and pangs of this deplorable disease.

In Germany—a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made perfected. Dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, as last, I can firmly cure all curable cases of this heretofore much dreaded disease. These sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And that, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

SPLENDID ORCHESTRA
DANCING NIGHTLY
Panacea Springs, N. C., July 8, '09

The "New Panacea" means everything new but the same old spring from which thousands have drunk the health-giving water. The never-failing water supply which Nature still gives is now made attractive by offering those who seek it the privileges and comforts of a modern hotel—up-to-date in every respect. The rooms are large, airy and well furnished. The table is supplied with the best, polite service, etc. Those who wish to be quiet and rest from the bustle of a busy life would do well to come here and while resting drink of the world-fame water and get built up, both mentally and physically. Those who wish to enjoy the social side of life will find the privileges the best. A good orchestra and a large ball room is attracting a great number of young people, while the shady nooks on the long veranda lit by the beams of a curious moon are the rendezvous of couples where Cupid makes a third party. Some of the arrivals today are C. W. Temple, Templeton, Md.; Mrs. Mary Cross, Prestor, Ind.; Mrs. Meyers and daughter, Newport News, Va.; H. C. Dockery, Raleigh; Chas. Haney and wife, Louisville; R. L. Wester, Henderson, W. H. Wynne, Raleigh; Grimes Cooper, Raleigh; A. T. Barnes, Savannah, Ga; F. T. Fox, wife and child, Emporia, Va; T. B. Track, Louisville; Miss Cooper, Nashville; Miss Hyward, Chicago.
