Friday was a great day for Youngville, it being the occasion of basket picnic and barbecue by the Masons, Junior Order, Woodmen, Merchants and friends. At an early hour a crowd gathered at the Graded Auditorium, where Judge M. Cooke, Franklin's honorable beloved son, delivered a forcible on the principles of Masonry Cooke is a great favorite with people, and we are always glad to have him with us. At the con- of Judge Cooke's speech, Dr. Brewer, of Wake Forest, was needed, and he gave us a fine ad- upon the principles of the Order. Summary—Struck out by Under- Wood, 7, Whitaker 5. Left on bases Youngville 5, Epsom 3. Earned runs, Youngville 2, three base hit Winston E. Time of game one hour and 20 minutes. Attendance 400. Umpire, Mr. W. J. Ballard. Our thanks is due Mr. Ballard for his services as umpire, not a kick being made by either side. He gave both sides all that was com- ing to them. Epsom has a nice clever ball team and it is a pleasure to play them.

Last week was a good week for our ball team, they went down to New Hope Wednesday and played a fine game, and shut out New Hope by the Score of 8 to 0. New Hope has a strong ball team and we are glad to play them. Our boys are jubilant over shutting them out, this making two games won from them. Batteries; Youngville Underwood and Winston H., for New Hope Hogwood and Pulley.

On Thursday the boys played the strong team from Franklinton and defeated them by the score of 9 to 5. The features of this game were the pitching of Duckett, of Raleigh, for visitors, and the good work of Winston L., in the box for the locals.

On Monday a large crowd turned out to witness the game between Youngville and Louisburg, but were deprived of a good game by Louis- burg forfeiting the game in the last half of the first inning, on the ac- count of one decision of the umpire. We were all sorry they quit before we had the pleasure of seeing the professionals go down under a landslide. We had the goods ready for them, and they refused to give us time to deliver them. The score in this game was 9 to 0 in favor of Youngville. The local manager had Mr. W. J. Ballard, of Franklinton, to come over and umpire the game, as we did not want any kick coming from a local man umpiring. They raised no ob- jection until they saw their defeat. A large crowd came over from Franklinton to see the game and we are very sorry they were disappoint- ed. By the way we want to say that Mr. Ballard is the best umpire we have had on our local diamond this season.

Mr. J. T. Wilson returned last Saturday from a business trip to New York.

Miss Margie Macon, of Louisburg, is visiting Miss Gertrude Winston, near town this week.

The "New Panacea" means everything new but the same old spring from which thousands have drank the health-giving water. The rooms are large, airy and well furnished. The table is supplied with the best, polite service, etc. Those who wish to be quiet and rest from the bustle of a busy life would do well to come here and while resting drink of the world-fame water and get built up, both mentally and physically. Those who wish to enjoy the social side of life will find the privileges the best. A good orchestra and a large ball room is attracting a great number of young people, while the shady nooks on the long veranda lit by the beams of a curious moon are the rendezvous of couples where Cupid makes a third party.
