—Our citizens might let base ball alone long enough to meet at the Court house tonight at 8 o'clock for one hour.
—We wish to extend our thanks to Mr R. B. Harris for the nice melon presented to the editor, this week. It was fine in every way.
—Yesterday's game of ball between Louisburg and Roanoke Rapids resulted in a score of 5 to 4 in favor of Louisburg.
—Be sure and attend the Chamber of Commerce meeting at the Court House tonight if you are interested in Louisburg and its future prosperity.
—Our job department has been turning out a big lot of nicely printed stationery the past week. Better look us up when you need printing of any kind.

—Osmond Hale, who has been connected with the mechanical department of the TIMES for some time has severed his connection there with to attend school this fall.
—Our free delivery carriers all say that it is nothing to see fruit, water melons and many nice things of this kind growing on fences, posts etc., all through the county.

—While the editor is still confined to his room his general condition is somewhat improved, though he has been quite sick since our last issue. He feels very grateful to all those who have so kindly sympathized with him in any way.
—Mr. D. C. Alston made another catch of a 11 pound German Carp in one of his famous wire traps, for which he has the agency, the past week. Through an error in a recent issue it was printed a horse fish he caught when it should have been a German Carp.
—Messrs. J. S. Eainhart and A. C. Brizzell, of Raleigh, are filling the positions of engineer and conductor on the Louisburg railroad this week in the place of Messrs. C. E. Sign and J. H. Finlator who are off on their vacation, the former to Ohio and the latter to New York.
—The many telephone subscribers and friends of Miss Sue Alston are glad to know that she has returned from her vacation and again taken up the duties of day operator. She is an excellent operator and gives general satisfaction to the telephone users of this place.

Messrs. P. A. Reavis and U. T. Stokes are preparing the ground on the north side of the Louisburg railroad track near the depot preparatory to the building of a siding to their storage house and we learn they will build a good size cotton yard on the same siding.

—The editor of the TIMES acknowledges the receipt of a special invitation to attend the big barbecue and picnic to be given at Henderson on August 20th, by the Business Mens Association and citizens. Judging from their circulars this will be one of the biggest events in the history of the town and is open for everybody who wishes to attend and a big time will be given all.

—William Green, alias Major, alias Sugarfoot, said "he found twenty-three dollars in Beasley-Alston Co.'s drug store on the floor" so hid himself to Spring Hope on Tuesday to bet the same on the base ball game, but Mr. Aycock, by getting busy with the phone, called him before the game was called. So he is now boarding in jail and will probably assist in improving Franklin county roads after court.

—Mr. T. J. Braswell, of Castalia, was a caller at the TIMES office yesterday and informs us that the bond election in Castalia township was carried last Saturday by a vote of 92 to 15. The necessary majority being only 68. He also informs us that it is hoped that in a short while they will have a railroad at his place.

August time, tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, Heart, and Kidney's will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by The Scoggin Drug Co.

CURE YOUR KIDNEYS.

No Need to Take Any Further Risks.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Can Louisburg residents demand more convincing proof than the following:

A. T. Barnes, Rowland St., Henderson, N. C., says:

"Doan's Kidney Pills proved so satisfactory in my case that I do not hesitate to speak in their favor. As a result of disordered kidneys I was troubled a great deal by dull pains through my back and loins. The kidney secretions also caused me much annoyance on account of their irregularity in passage. Seeing Doan's Kidney Pills advertised, I obtained a box and after using them a short time I was entirely relieved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Intense Colicky Pains Relieved.

"For some years I suffered from intense colicky pains which would come on at times and from which I could find no relief," says I. S. Mason, of Beaver Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by The Scoggin Drug Co.
