

**Death of Mr. Paul Sykes.**

Paul died at his home in Bann, July 23rd 1909. He was nineteen years of age, and was a good boy—many have expressed it since he has passed away. The writer has made the same expression, but I fear he never heard of it.

We will miss his kindly smiles and friendly greetings. We long in vain to hear the ring of his loving voice and to feel again his gentle presence.

Last Saturday we stood before his bier at the old home of his father, where he had spent many happy days. The remains were laid to rest in the family burying grounds.

Paul was a noble young man, an obedient son and a kind and gentle brother. His future was bright and promising.

He suffered a long illness but bore it all patiently.

All that a loving and gentle mother could do was done in his behalf. But the great omnipotent God has seen best to take him from them.

His last words were expressions of peace in God and a willingness to depart and be at rest with Him. While he can not come back to us we can go to him. Our loss is his eternal gain for we truly believe that Paul has gone to rest. "Blessed are the dead who die in the Lord."

We extend sympathy to the bereaved father and mother, and thirteen brothers and sisters.

The funeral services which were largely attended were held at the old home place, Saturday afternoon and were conducted by Rev. G. M. Duke.

A light from the household gone, A voice they loved is stilled, A place in their hearts That never can be filled.

A FRIEND.

**Mrs. Rollins and Mrs. Moran.**

People in all parts of the country are coming to know of one grand remedy for stomach, liver and bowel troubles, including the worst cases of constipation and indigestion. Mrs. Minerva E. Rollins of Dewey, Ill., and Mrs. L. Moran of Kansas City, Kan., towns nearly a thousand miles apart, agree that the remedy is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. It is absolutely guaranteed to do what is claimed for it, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by The Scoggin Drug Co., at 50c and \$1 a bottle.

**O. G. Richards, Pension Agent.**

It may surprise some of our readers to know that a simple case of stomach trouble, if neglected, can get so bad that it will result in cancer of the stomach. For fifteen years O. G. Richards, an attorney and pension agent at Eudora, Kan., suffered from stomach trouble, indigestion, etc., until it was feared he had cancer of the stomach. Finally he took Dr. Caldwell's Syrup Pepsin and was cured. This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by The Scoggin Drug Co., at 50c and \$1 a bottle.

**It Would Help Us.**

A Connecticut woman caught up a hat pin on Sunday that she swallowed five years ago. One of our merchants says that a customer of his "caught up" a 50-cent piece that he has owned for 11 years. Frederickaburg is not behind when it comes to working miracles.—Frederickaburg Journal.

That's coughing some, but some of our subscribers could beat that if they would just cough. For instance, a man owing for three years' subscription could cough up three dollars. The coughing might hurt him a little, but it would help us heaps.—Southside Sentinel.

We publish the above for the benefit of our "dear delinquents" that are in arrears. May they do a little coughing is our every day wish.

Pain anywhere stopped in 20 minutes sure with one of Dr. Shoop's Pink Pain Tablets. The formula is on the 25 cent box. Ask your Doctor or Druggist about this formula! **Deafness Cannot be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, Free.
