TAR DROPS.

Court convenes Monday.
Chamber of Commerce tonight gentlemen. Go out.
The Chamber of Commerce meets tonight at 8 o'clock. Come out.

Franklin Superior Court will convene Monday with Hon. C. M. Cooke on the bench.

Will Cooke says don't buy your fall hats until you see his line of samples. Read his advertisement.

Quite a number of the Franklinton and Youngsville people attended the ball games here this week.

Rev. Josiah Crudup, of Rockingham, is conducting a series of meetings at Flat Rock church near town this week.

William, the little son of Mr. W. E. White, who was run over by a horse Tuesday morning, we are glad to say, received no serious injuries—only a few bruises.

We herewith acknowledge the receipt of some very fine cantaloupes sent to us this week by Mr. E. N. Williams. They were fine and we enjoyed them very much.

Mr. B. F. Wilder, Jr., has been appointed carrier on Route No. 2, until an examination can be had, in the place of Mr. J. E. Wilder, whose vacancy was caused by death.

The attention of our readers is called to the ad of Mr. H. C. Taylor in this issue. He says he is prepared to put new rubber tires on your old wagons and do most any other repairing.

There will be a very important meeting of the Chamber of Commerce in the Court House tonight. Let everybody go out and take a hand in trying to do something to push Louisburg forward.

The members of the Fire department met in special session Wednesday night to consider a proposition from a Carnival Co., and we learn they expect to get it here some time in the near future.

Dr. A. H. Fleming has had his gasoline yacht completed and is enjoying the morning and evening rides with his lady and gentlemen friends. It has proven successful and a source of great pleasure so far.

The Chamber of Commerce will be fully organized tonight and then it will be left with the committees to do the work. Look out gentlemen, the responsibility rests upon you. Now lets see what is going to be done.

If you happen to want to see some of our business men, when there is a ball game in town, unless you know he is at home sick, the quickest way to find him is to go to the ball game. But we will not guarantee that you can bring him away.

The Riverside Warehouse, one of the best tobacco warehouses in the State, will be run this year by the Farmers' Mutual Tobacco Co., and it will have its opening sale on Wednesday September 1st. The house is under good management and our tobacco raisers need not be afraid to put their tobacco on this floor.

The Maryland Amusement Co., have perfected arrangements to bring their big Carnival to Louisburg for one solid week beginning Monday, August 23rd, and will play for the benefit of the Louisburg Fire Department. Read their column advertisement in this issue where they explain to you what they will have and the good times they will give you.

Mr. James Cheaves, a noted fisherman, on July 24th was trying to tempt some of the fish in Crooked Creek, and did have a fine bite, but

when he made a mighty pull, lo and behold a snake was the catch. A second good bite brought the same result. So friend Cheaves rolled up his poles and went home. He wants to know did any one else ever have the same experience and we want to know what Brother Cheaves drank for breakfast?

It has been predicted "that the Chamber of Commerce, like everything else, would be a failure in Louisburg." Now we will agree that if everybody will get such an idea as that in their heads and STAY AWAY, there will be nothing left to do but fail. But if every man will do his duty and go out take a part in the work and push it, what a glorious success we will have. There is nothing under the sun that could down a set of men like this with a determination to do something. Just try it and see.

A Big Carnival.

The Maryland Amusement Company is attracting great crowds every night and surely no show that has ever visited Weldon is more worthy of the patronage of the public. Everybody meets their friends at the big shows this week and there is fun and pleasure for old as well as young. Prof. Kennell in his high dive, pitching headforemost from dizzy ladder of 108 feet, must be seen to be appreciated. This is free to all. You must certainly see Luner to appreciate the grace and charm of this pretty flying lady. The moving pictures are good and the Plantation Minstrels are drawing cards. Of course the merry-ground and the ferris wheel attract the children and some of the grown up people. The music by the Rosemary brass band is up-to-date and snrely such a band of fine looking young men and one lady, who adds much to the organization is a credit to any town.

The management of the Maryland Amusement Company is courteous and to be commended. The two Mitchells, in the break-away ladder to be seen in the Big Hippodrome, is a feature that all should see.

These shows are here under the auspices of the Weldon Military organization and should be liberally patronized by all. Every day this week and afternoons, on the Cullom lot. Pay a visit to the big show grounds and meet your friends.—Weldon News.

Don't forget that Meadows & Harris have moved to the Farmers Warehouse.

Intense Colicky Pains Relieved.
For some years I suffered from intense coliclike Pains which would come on at times and from which I could find no relief," says I. S. Mason, of Beaver Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by The Scoggin, Drug Co.
