DOWNWARD COURSE.

Fast Being Realized by Louisburg People.

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders quickly follow; Diabetes and finally Bright's disease.

This is the downward course of kidney ills.

Don't take that course. Follow the advice of a Louisburg citizen.

Mrs. D. H. Taylor, Elm St., Louisburg, N. C., says: "I have derived more benefit from Doan's Kidney Pills than from any other remedy I ever used. I suffered from kidney trouble for some time and was caused a great deal of annoyance by frequent passages of the kidney secretions. I was made miserable by dull, nagging backaches and distressing pains through my loins and I was unable to rest well, arising in the morning feeling completely worn out. Often I was so lame and stiff that I was hardly able to get about. I at length used Doan's Kidney Pills and they cured me. I recommend this remedy as one that lives up to representations."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Intense Colicky Pains Relieved.

"For some years I suffered from intense colicky pains which would come on at times and from which I could find no relief," says I. S. Mason, of Beaver Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by The Scoggin Drug Co.
