

LOCALS.

—"It pays to advertise" says our leading business men.

—Chief Cook is having the top to the town well repaired this week.

—Its a fine boy and Mr. C. F. Best is "kicking the cats out of Pap's way."

—Our streets look a great deal better now that a little work is being put on them.

—Attend to your advertising properly and use a plenty of it and you will see your business hum.

—Mr. Lawrence Moye, who lost his left foot in a railroad accident here not long since, has received a cork substitute and his many friends hope that he may be able to use it to advantage.

—Mrs. H. C. Ray gave a very enjoyable picnic at Tar River bridge on Monday of last week to quite a number of friends in honor of Mr. O. W. Barrett, of Pinner's Point, Va., The occasion was greatly enjoyed by all who attended.

—Let the people of Franklinton get together for some movement to push the town forward. This will mean a great deal to our town and our business men should not stand apart on matters of this kind any longer. Get together and do something gentlemen.

—Miss Maggie Barrow died at her home on Mason Street on Wednesday morning of last week after an extended illness. Her remains were entered at Oak Level church a short distance from town on Thursday evening and the services were conducted by her pastor, Rev. T. B. Justice. She leaves a mother, one sister and two brothers. The bereaved ones have our sympathy.

—Information was received here last week that on Thursday evening while fixing some belts in the Wake Forest Cotton Mills, Johnnie Weaver, a former resident of Franklinton, was caught in the belt and thrown over the shafting tearing out his left arm at the shoulder, and knocking him senseless for a while. Doctors were immediately summoned and from last reports he was getting on as well as could be expected.

O. G. Richards, Pension Agent.

It may surprise some of our readers to know that a simple case of stomach trouble, if neglected, can go so bad that it will result in cancer of the stomach. For fifteen years O. G. Richards, an attorney and pension agent at Eudora, Kan., suffered from stomach trouble, indigestion, etc., until it was feared he had cancer of the stomach. Finally he took Dr. Caldwell's Syrup Pepsin and was cured. This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by The Scoggin Drug Co., at 50c and \$1 a bottle.

Mass Meeting at Franklinton.

Considering the threatening weather there was quite a good number of citizens present at the Mass Meeting on Tuesday afternoon.

This was held for the Road Trustees to make a report as to the work done and the money expended so far.

This report among other things showed the construction of two miles of road and surfacing of one-half mile. The total used in operating expenses for this work was \$566.49.

From the work so far it is estimated that a 30 foot road, with 14 feet gravelled will cost about \$600 per mile, and that with the present equipment about one mile can be completed a month.

The question as to whether the Trustees should continue the work along present lines or should take steps to investigate the advisability of increasing the force or contracting some of the roads so as to make more rapid progress.

It was apparent that the great majority wanted good roads and wanted them quick.

By a unanimous vote it was agreed for the Trustees to issue such further bonds and take such action toward an earlier completion of the work as they might find best.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, Free.
