TAR DROPS.

—Advertising pays, try it.

—Chamber of Commerce tonight.

—The long looked for rain greeted us the past week.

—Will Cook says he will have them for you this fall. Read his advertisement.

—His many friends are glad to see Mr. C. F. Richardson able to be "out and going" again.

—If you are interested in your town go out to the meeting of the Chamber of Commerce tonight.

—Attention is called to the change of ad of the Riverside warehouse to be found on our last page. Look it up.

—Mr. C. T. Cox, of Winterville, has accepted a position as book-keeper at the Farmers & Merchants Bank.

—Mr. W. B. Cooke has moved his family back to town, after spending the summer with his aunt in the country.

—Mr. E. L. Jones has moved his family to the Hawkin's residence formerly occupied by Mr. C. S. Minor.

—Mr. Geo. H. Cooper and Dr. A. H. Fleming have had their boat houses built on the river above the mill for their launches.

—We are requested to state that the Louisburg Normal Industrial Training School, colored, will open on Monday, Sept. 20, 1909.

—Dr. and Mrs. S. P. Burt were called to Arcola on Wednesday evening on account of the illness of Mrs. Burt's mother, Mrs. G. W. Davis.

—The attention of our readers is directed to the advertisement of Mr. P. A. Reavis. If you are in need of coal of any kind you had better see him at once.

—Read the new advertisement of E. S. Ford in this issue. He says he has just received a nice lot of new horses and buggies and is going to sell them cheap.

—The repairing of the old Harry Dunston building, which is now owned by Griffin and Beasley, is being pushed and will be ready for occupancy soon.

—In our report of the County Commissioners last week we accidentally overlooked the name of Mr. J. H. Uzzell, in the number that went before the Board for election to fill the unexpired term of the deceased Treasurer.

—The small boys went to Springhope Monday and played a game of base ball with the small boys of that place. The game was interesting and the score resulted 12 to 3 in favor of Louisburg. Hart for Louisburg struck out 23 men while Richardson for Springhope struck out 9.

—We are requested to state that Mr. W. S. Strickland and family wish to express to the citizens of Wake Forest their thanks and grateful appreciation of their kindness during the sickness and death of Mrs. W. S. Strickland.

—We are requested to state that next Tuesday night is the time for the regular monthly meeting of the Woodmen of the World and it is especially desired that all members be present. The hour for meeting now is 7:30 o'clock and all are expected to be there promptly on time.

—There seems to be some talk about some new manufacturing enterprises for Louisburg. Why not let's have a little action along with the talk? Don't you think it will help our town? Well, if so, then let's see that if by a little of your push and a little of the other fellows we can't have some.

—Let everybody go out to the meeting of the Chamber of Commerce tonight.

—Why it is that some people sit back and always talk about what the town should do and what the town should have, and never offer to assist in getting these things beyond our comprehension. If these people would only go out and take a little interest in public affairs they would readily see a big difference.

—Mr. D. C. Strickland moved his family to Apex Monday where they will make their future home. Mr. Strickland was a member of one of our largest clothing and gents furnishing establishments here and has been identified with our business interests for many years. He leaves a large number of friends here who, although they regret to see him leave, wish for him much success in his new home.

—News reached here yesterday morning of the death of Mrs. C. W. Roberts, of Youngsville. Mrs. Roberts left home on Sunday and went to Norfolk where she entered St. Vincent's hospital to have an operation performed for a tumor of the stomach, which operation was attempted on Monday, but as the doctors found that it was too much developed, the operation was abandoned. After this time Mrs. Roberts gradually grew worse until yesterday morning when she died at about 6 o'clock. Her remains will be brought to Louisburg on the 4 o'clock train this evening for interment in the cemetery, which will take place about 5 o'clock. The family has our sympathy.

Cholera Infantum Cured.

"Something like two years ago my baby, which was then about a year old, was taken seriously ill with cholera infantum, vomiting and purging profusely, writes J. F. Dempsey of Dempsey, Ala. I did what I could to relieve her but did her no good, and being very much alarmed about her went for a physician but failed to find one, so came back by Elder Bros. & Carter's store and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely." For sale by The Scoggin Drug Co.
