ford to build an artificial lake in New York and decorate with every embellishment of fancy, and give it to his lady. I saw it stated in the papers a few days that the company was going to build its president a 15 million dollars palace. What is he going to do with a 15 million dollar palace? Is he going to build a temple, a shrine to Mammon?

I asked Mr. Bickett, what issue the Governor proposed in the next campaign? He said in substance that it would be, that it was the business of the Federal government to protect the people against the trusts. Don't do it, Governor. If you weaken and destroy the faith of the people and their time-honored love and confidence in the power of the State to protect them, then all is lost. "She plucked, she ate, earth felt the wound, and Nature sighing through all her pores, gave signs of woe that all was lost." Extremes always meet. Make that the issue in the Southern States and the people, like the Israelites of old, will cry out for a King, and an Empire. Better one master than many, and in the next election Roosevelt will carry every Southern State. Oh, that Napoleon would return from Africa. Is it not time for the people to be aroused to the true condition?

"To every man upon the earth?

Death cometh soon or late,
Then, how can man die better,
Than by facing fearful odds
For the ashes of his fathers,
And the Temples of his God."

Respectfully,
B. B. MASSENBURG.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in a its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The promoters have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

MRS A M HALL

BIG MORTGAGE SALE

SATURDAY, OCTOBER 23, '09

Come, bid and bid and buy. You can make enough money in one day to rest the balance of the year but you will have to buy some of your neighbors property at 50 cents in the dollar. You will have to and buy to make money, or else you wont break even. No other sale will offer the advantage to you your cash as October 23rd.

25 Head of Horses and Mules, 25 Buggies, Wagons, Hogs, Cows, Surreys and Harness. Come, I want to do more business with YOU

Now to the boys who owe me and who promised to do about November 1st.—Now turn short, time is the most out. If you doubt yourself, listen: There is in every neighborhood some old lady or gentleman who keeps a little money by them, and if you will go and sit and sit all the spare nights until late at night tell them your troubles, you might get him or her to take up your note if you will promise in a whisper to cause after the first year they always call the note "the old thing." Now old debts are worse than the bargains, for after the first year the farmer generally feels that he got both. New Nov. 23rd I am going to have a trash-mover. The largest Mortgage sale Louisburg ever had, and December 23rd, the same day both mine and yours unless you pay me what you owe me. I owe money and unless I can get it there is hell to pay.

K. P. HILL,

I have several thousand dollars worth of judgments against some of the "Blue Blood" stock and some Cracker boys that will be good. Some have land, some have none, but are young men that I think will make good some time. I can't tell. A railroad train may mash him a little, and damages would make the judgment good. I have always heard that a judgment was good until judgment day. I want to send you a list telling you all about the parties, their color, occupation, what church they belong, their lodge, their age, the name of their parents, whether single or married, and for a two cent stamp I will tell you what their neighbors say about them, including their habits. Keep your eye on this space. I will have something to say every week, about October 23rd, Nov. 23rd and December 23rd sales, which will finish this year's business.
