A bachelor who is given a baby to hold looks as helpless as a lost dog

Sometimes a preacher's popularity can be measured by the shortness of his sermons.

It's awfully hard for a widower to convince his children that they need a new mother.

One's wife never gets mad when he finds fault with the meals—if they live at a boarding house.

If a man will compliment his wife upon her youthful appearance and tell her that he loves her occasionally, she will forgive the other white lies he tells.

DOWNWARD COURSE.

Fast Being Realized by Louisburg People.

A little backache at first. Daily increasing till the back is lame and weak.

Urinary disorders quickly follow: Diabetis and finally Bright's disease.

This is the downward course of kidney ills.

Don't take this course. Follow the advice of a Louisburg citizen.

Mrs. D. H. Taylor, Elm St. Louisburg, N. C., says: "I have derived more benefit from Doan's Kidney Pills than from any other remedy I ever used. I suffered from kidney trouble for some time and was caused a great deal of annoyance by frequent passages of the kidney secretions. I was made miserable by dull, nagging backaches and distressing pains through my loins and I was unable to rest well, arising in the morning feeling completely worn out. Often I was so lame and stiff that I was hardly able to get about. I at length used Doan's Kidney Pills and they cured me. I recommend this remedy as one that lives up to representations."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
