

LOCALS.

—Quite a number of our people attended court at Louisburg Saturday.

—If you don't take the Times take it. You don't know what you are missing.

—The band is "tooting" again. It seems as if the dead is about to come to life.

—Several of our citizens and people from this neighborhood went over to Louisburg Saturday to stand the examination for the position of census enumerator.

—Mr. E. B. Clegg received a telegram Saturday stating that his brother, Maj. George W. Clegg, died that morning at 4:30. He was 84 years old and had lived at Statesville for many years.

—News reached town yesterday of the burning of the house, smoke house and crib of Mr. J. E. Strother, near Grove Hill, a few miles from town. The report says that he lost almost everything he had. Cause of the fire was not learned.

—We learn that little William Best won the prize of \$2.00 for selling the largest number of Saturday Evening Posts in this territory. William is working hard to win the pony and he says he only likes a small number reaching the mark.

—The horse that pulls the delivery wagon of the Sterling Cotton Mills Store became frightened at something last Monday and ran away breaking the harness to pieces, overturning the wagon throwing out the driver, Tom Mitchell, bruising him up right much and breaking the shafts off the wagon.

—At the regular drill of Co. F. last Friday, owing to Rev. T. B. Justice, their chaplain, having moved away, Rev. W. W. Rose, of the M. E. church here, was nominated for chaplain by Sergt. S. R. Holmes and unanimously elected. Sergt. Holmes was appointed a committee of one to see if he would accept.

—Last Wednesday morning his majesty, the ground hog, in accordance with an ancient custom made his appearance, but to his consternation he saw his shadow calmly running along by him, so back he went to remain 40 days in his den while during this time we will be left to the tender mercies of old king frost.

—Mr. J. M. Winston, a former business man of our town but who moved his family to Norfolk, Va., in 1907, died at his home in that city Saturday. He was 71 years old and was raised in or near Franklinton and was a brother of our townsman, Mr. Walker Winston. He was a member of the Odd Fellows and Mason lodges of this place and was buried by the latter at the old home place near Youngville, Monday afternoon at 3:30 o'clock. Mr. Winston has been failing in health for several months and death was not unexpected.

—Little Harold, the four year old son of Mr. W. T. Rogers, who lives on Capt. I. H. Kearney's land about a mile from town, was burned to death last Wednesday afternoon. Mr. Rogers was cleaning up around his house and was burning up the trash his three little boys being with him. Becoming thirsty Mr. Rogers went to the house for a drink of water and while returning heard George, the six year old son and Harold screaming. George calling "papa Harold is on fire." Running immediately he found the little boy almost completely enveloped in flame. Mr. Rogers hands were terribly burned in attempting to extinguish the flames or tear the clothes from the child, which were all new and he was unable to do. He was buried at the cemetery here Friday at 2 o'clock, Rev. W. W. Rose conducting the services.

Sunday afternoon about four o'clock our people were called from their homes by the Sterling Cotton Mills whistle sounding the fire alarm. It was found to be the wood work under the water tank at the mill. The cotton mill fire company assisted

ed by citizens, soon had the fire all out, but while assisting by helping hold one end of a hose used to play water on the fire Mr. R. A. Pruitt was knocked down by the nozzle of the hose, getting away from those holding it, dislocating his shoulder and breaking a small piece of his shoulder blade, and all most drowning him with water. While it is very painful to him, he is doing as well as could be expected.

Doan's Kidney Pills relieve back-ache.

Cure every kidney ill.

Many people in this locality recommend Doan's Kidney Pills.

Here's one case:

J. P. Hayden, Garnett Street, Henderson, N. C., says: "I am pleased to give a statement in favor of Doan's Kidney Pills, as from personal experience, I know them to be worthy of praise. For a long time my kidneys were disordered and I was caused much annoyance by a frequent desire to pass the kidney secretions. I also had a pain through the small of my back and often after sitting in one position, I was hardly able to arise. I tried plasters and liniments, but they brought me only slight relief and when I read about Doan's Kidney Pills, I prepared a box. They soon drove away all my trouble and made me feel better in every way."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedial. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation is taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous membrane.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
