LOCALS.

—Messrs J. C. Blackley and A. S. Powell received another car of nice horses and mules this week.

—The last of the bridge crew, that have been employed at Tar River bridge, left last Wednesday.

—While playing at school Thursday John Henry Harris, who some time ago had his left arm broken, had the misfortune of getting it broken again at the same place.

—"Doctor" Perry was before Squire J. E. Nicholson for the larceny of a pistol from Mr. Thad Haswell last Wednesday afternoon. He was required to give bond for his appearance at the next term of Franklin Superior court.

—Quite a number of the local council Junior Order attended the flag raising and the bible presentation by the Wilton Council to the public school at Banks last Friday. It was to have taken place on Friday one week ago, but was postponed on account of the weather.

—The Evening Times last Wednesday night announced the death of Mr. Sidney Ellis. Mr. Ellis was son of Judge A. D. Ellis, who in years gone by was agent here of the old Raleigh and Gaston Railway. He was raised here, and will be remembered by a great many of his old friends and playmates. He moved to Raleigh several years ago where he died last Wednesday.

—The Graded School boys are busy this week grading and preparing an up-to-date baseball park across the railroad in front of the school building. They say they are going to organize an all-round ball team this year — one that is not afraid of any school team in this section. They will begin practice as soon as the park is completed.

—Anacle Hamilton, who was sentenced to be electrocuted at Richmond, Va., last Friday for the murder of a Mrs. Hix, was reprieved by

the Governor until March 25th, pending an investigation of his case. Hamilton, it will be remembered, was a resident of Franklinton about ten years ago, being employed in the Sterling Cotton Mills. He is a white man and is well remembered by our people.

The marriage was quite a surprise to every one here. Miss Victoria is a sister of Mr. W. H. Byrum with whom she has lived for several years. Mr. Fuller is one of Franklin county's most successful farmers. Their wide circle of personal friends tendered them their sincere congratulations on their return to their home at Franklinton. Make Your Home Beautiful.

So again we say, love your farm. Make it a place of beauty, a place of joyous fruitfulness, an example for your neighbors, a heritage for your children. Make improvements on it that will last beyond your day. Make an ample yard about with all the old-fashioned flowers that your grandmother knew; set a great orchard near it, bearing many varieties of fruits; lay off walks and roads leading to it and keep it up; plant hedges along the approaches, and flowering bulbs and shrubs—rape myrtle, and spirea and privet and roses—so that your grandchildren will some day speak of their grandfathers, who cared enough for the beautiful and loved the farm well enough to plant them.

Name the farm, too; treasure up its history; preserve the traditions of all the romance and adventure and humor and pathos that are in any way connected with it; and if some of the young folks must leave it; let them look back to it with happy memories of beauty and of worthy ideals and of well ordered industry.
