

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man of women in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half a million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as with our fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

YOU AND THE STATE

The big State of North Carolina seems fit to keep part of its money here, because of that it keeps a very close eye on all the workings of this bank. Naturally this bank would have to be run on conservative lines, because of such examination but even if the State didn't look after our business, the character of our directors would insure every one patronizing us the fullest safety.

Schloss Slush

P. A. Davis spent a short time in Henderson last week. He traded for a pretty driving horse, quite a fast stepper. Capt. Davis is prepared to throw dust—or rather mud—at this time upon those who try to follow him, if he chooses to "show the boys the way to go home."

Messrs Herbert Ayescue and Charles Macon, of Ingleside, were Schloss visitors last Sunday.

Sydney Burnett is on the sick list with pneumonia, but I am glad to note that his case is not a serious one.

Friends of Miss Mary Alston have missed the pleasure of her charming presence the past two weeks. She is enjoying a visit with her aunt, Mrs. R. J. Stewart, and also spent a while with Henderson friends.

Whooping cough, mumps and pink eyes have each had their turn with young and old, but we are thankful that the small pox has not yet struck us. The most annoying of these troubles with which our folks have had to contend was the pink eyes. There were many cases, but some escaped by the faithful use of "eye water" and other remedies. It was a time when even the young folks who did not wear "pretty eyes" were afraid to look at those who did.

Mrs. J. R. Parrish, our popular teacher had to suspend school for some time to nurse a case of mumps, a disease that she did not care to take, but she was able to call the school to order last Monday.

Mr. and Mrs. J. S. Williams were Louisburg visitors last Friday.

Some of us have gone to work preparing for another crop and other seem anxious to commence, as soon as conditions will allow them to do so.

Mr. Thos. L. Hunt has a nice flock of sheep and thirteen spring lambs. One of the white lambs has a large black spot which is rather unusual. Mr. Al Davis reports eleven lambs in his flock.

Mrs. Williams and Mrs. Manning were out horseback riding Wednesday afternoon, calling on friends. One of the ladies is an expert and rode in the conventional style; the other went astride saying it was the only way she could hold on riding through the mud.

Deputy Sheriff, C. W. Dunn, one of the three men shot down on the streets of Scotland Neck, by E. E. Powell, on last Thursday and who has since died was a brother-in-law of Mr. George Manning, of this place. On account of a delay in the mails Mr. Manning did not hear of the sad occurrence until several days after.

That wily fox is still the rage, and it looks as if he is not to be captured with the combined forces of Franklin, Vance and Warren. Some of the finest chases, with the dogs almost on him, have failed to land this particular fox or any other one for that matter, and many rare experiences are related of these hunts. Some time ago Mr. John C. Powell, of Inez, and Mr. Jack Riggan came up and enjoyed a running trail four or five hours. To day Mr. Powell took the field again with nineteen dogs. They did excellent work and the fox had a narrow escape. Last Monday Mr. Sam Person could sit on his front porch and enjoy the chase without leaving the house as the fox was in and out of the yard two or three times circling the grove and lighting out again after every body thought they had him. Mr. Thos. L. Hunt has put up his sheep so often to give the right of way to the dogs, it is said they are quite easy to pen when they hear the sound of the chase. Mr. Hunt is an old time huntsman and will not tire of driving in the sheep. The fox ran through his field near the house when Mr. Hunt expected to see him picked up every moment. He describes him as a beautiful steel gray, large with a very long tail. Mr. Allen gave him a chase also but did not "show us a trick." What is the matter? Is everybody waiting for Sheriff Smith to come and get this cunning fox that has baffled so many. Come quick or time will be up.

EVER WATCHFUL

A Little Care Will Save Many Louisburg Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health.

The discharges—not excessive or infrequent.

Contain no "brick-dust like" sediment.

Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick.

O. P. Wortham, Henderson, N. C., says: "From personal experience, I know Doan's Kidney Pills to be an excellent kidney remedy and worthy of recommendation. For some time my kidneys were badly disordered and I was caused much annoyance by too frequent passages of the kidney secretions. I also suffered a great deal from backache and sharp pains across my loins, but was at a loss to know how to obtain relief until Doan's Kidney Pills were brought to my attention. Procuring a box, I used them and quickly corrected the difficulties. I have had no backache or other symptom of disordered kidneys since."
